CONTEST NOTICE.

Said a business man to the Courier man-about-town the first of the week: "If I were running a newspaper in Oregon City, do you know what I would do? I would jump on to these fellows with antiquated awnings which hang have a luttle wintig to do no matter of in tatters before their stores and give the town a look of general disrepute and write them up. Do you see those old awnings across the street there?" And he point id to some awnings that looked as Who's Who min if they might be relics of some prehistoric age. "They are what I refer to. "They are a disgrace to civilization and

should wake up to the fact that "a thing of beauty is a joy forever." The Cour-ier thinks like the business man. Let us clean up.

READ ALL OF THIS.

You Never Know the Moment When This Informatiou May Prove of Infinite Value.

It is worth considerable to any reader to know the value of and use of a medi-cine, for if there is no occasion to employ it in the meantime, frail humanity is subject to many influences and un-foreseen contingencies that the wisest are totally unaide to gauge the future. Know then, that Doan's Ointment will cure any case of hemorrhoids, commonly know as piles, or any disease of the cuti cle or skin, general termed eczema. One application convinces continuation

cures. Read the proof: T. H. Thomas, storney, of 500 E. Bennett Ave., Cripple Creek, says: "I just as emphatically endorse Doan's Ointment to-day as I did in the month of June 1899. At that time I went to the drug store for a box which I used for itching hemorrhoids. A few appli-cations gave wonderful relief, and a short continuation of the treatment cured me. There have been symptoms of a recurrence since but a few applications of the remedy never fails to bring positive relief. My opinion of Doan's Ointment, the expressed, is the

same to-day as it was when it was first brought to n.y notice."

Cancer Cured.

Mr. W. W. Pric'tett, Smithfield, Ill., writes, September 10th, 1901: "I had been suffering several years with a can-cer on my face, which gave me great an-noyance and unbearable itching. I was using Ballard's Snow Liniment for a sore leg, and through an accident, I rubbed some of the liniment on the cancer, and as it gave me almost instant relief, I decided to continue to use the liniment on the cancer. In a short time the cancer came out, my face healed up and there is not the slightest scar left. I have im-plieit faith in the merits of this prepara-tion, and it cannot be too highly recom-mended." 25c, 50c and \$1.00. For sale by Charman & Co.

He came down primarially to pay his taxes but when he got here he found out what many an innocent tax payer in this county finds out sooner or later, that his taxes are very much more than he are taxes are very much more than he ex-pected, hence he defarred the payment of the taxes until he could raise a little more coin of the relm. In addition to being a good citizen, he is a good Democrat. If some other good Democrats of Clackrmas county had been putting in their spare time to as good advantage as Mr. Cox, this would now be a Democratic county. Mr. Cox has barely turned sixty yet he is the father of eleven boys, nine of whom are living, and all of whom are Democrats. He is also the 'ather of two girls and they are also Democrats. Mr. Cox has one of the best nurseries in the state and is pushing his industry and building up a fine business. He has not been in Oregon City for two years until Wednesday.

Starting and Staying.

At the start in a long race, the advant-age often appears to be with an outsider. But the race is won not in starting but in staying. The quality which wins is staying power. It is so in the race of life. Staying power wins, and as a rule the best stayer is the man

stayer is the man with the best stomach. All physical strength is derived from food which is properly digested and assimilated. When the food eaten is only part-ly digested and assimilated there is a loss of nutrition which means a loss of strength and the general result is physical break-down.

break-down. Dr. Pierce's Golden Medical Discovery gives strength and staying power, be-cause it cures diseases of the stomach and other organs of digestion and nutri-tion. It enables the perfect digestion and assimilation of the food eaten, and so strengthens the body naturally by the nutrition derived from food.

nutrition derived from food. "I was troubled with indigestion for about two years," writes Wm. Bowker, Esq., of Jells-eita, Latah Co., Idaho. "I tried different doc-tors and remedies but to no avail, until I wrote to you and you told me what to do. I suffered with a pain in my stomach and left side and thought that it would kill me. Now I am glad to write this and let you know that I am all right. I can do my work now without pain and I dou't have that tired feeling that I used to have. Five bottles of Dr. Fiscre's Golden Med-ical Discovery and two vials of his 'Pleasant Pellets' cured me."

The Poetry of the Orange.

"It appeals to you, when the fruit langs ripe and sweet on the tree late in February, or early in March. Then the blossoms break out, and the trees are vellow with golden globes, and white with orange flowers. It may be that a flarry of snow has whitened the mountain tops, and then you have an artistic background for a tropical forest. The air is full of sunshine, and heavy

with fragrance as night comes on, and then, if the moon be shining, you may hear at midnight through open windows the song of the mocking-bird in the scented grove, and it never seemed so melodious before.
