More pianos and a greater variety are carried here than by any other store in the Northwest. They are such as the Decker, Vose, Victor, Hobart M. Cable, Pease, Schumann, Crown Orchestral, Bush & Gerts, Haddorff, Leiter and many other. And Best of them all is the great piano trinity.

The Chickering Piano, of Boston, the Weber of New York and the Kimball of Chicago, the three finest pianos in the world.

We handle the peerless Kimball Pipe Organ, in all styles, suitable for Sunday schools, churches and homes.

Also the Pianola, which makes the finest music possible in homes where there is no musician.

AND PIANOS!

Most excellent instruments on which to gain the rudiments of a musical education. First and foremost, and by all odds, the cheapest, we have our own specially constructed "Pacific Queen," on which we are at present making an introductory offer of only \$46.00, payments \$8.00 down and \$4.00 a month. Other fine organs we have the Needham, Burdett, Crown, and finally, the greatest of all, the peerless Kimball.

These organs are in both plain and fancy finished casings, and can be purchased for as little as \$46.00, delivered freight paid to any railroad station or boat landing in Oregon. Terms, \$6.00 to \$8.00 down and \$3.00 to \$5.00 a month. And the best is, after you have had your organ as long as two years, if you then want to buy a piano you can turn your organ back to us, and get credit for just what you have paid for it, on a fine piano.

Our reasonable prices, easy terms and fair dealings have made our house famous and popular. Write for circulars. All information you want will be cheerfully furnished.
