

My Hair

"I had a very severe sickness that took off all my hair. I purchased a bottle of Ayer's Hair Vigor and it brought all my hair back again."
W. D. Quian, Marseilles, Ill.

One thing is certain,—Ayer's Hair Vigor makes the hair grow. This is because it is a hair food. It feeds the hair and the hair grows, that's all there is to it. It stops falling of the hair, too, and always restores color to gray hair.

This community has surely been blessed with religious meetings this winter. Services have been held almost continually every evening since the first of the year. A RESIDENT.

Arbureta.

People are flocking into Arbureta every day looking for the new town, with the electric road. It seems they have never heard of the place until its name appeared in the Courier, which goes to show that the "Courier" has a great many readers in this part of the country.

Last Tuesday evening, Mabel LeFevre and Bertha Akin were aroused from their evening reverie by a party of young people from Beaver Creek. The party consisted of the Misses Hughes, Messrs Frank and Henry Shannon, Henry and Ed Hughes. The evening was passed pleasantly by playing games, singing and music upon the violin and piano.

Mr. Bagley, who is running one of the construction engines on the Columbia, Northern R. R. from Lyle to Goldendale Washington, is home for a few days on account of high water in that part of the country, which has done great damage to the new road being built.

Miss Hilda Erickson, of Portland is visiting her parents for a few this week.

Tuesday was a gala day for the people. We heard a strange whistle and always on the alert, the whole town mounted stumps and fences to hail the approach of what we supposed was a new electric car. As the whistle sounded nearer and nearer, our hopes rose higher and higher and we shouted for joy. But our hopes sank lower than ever before as we gazed disappointedly on Mr. Shannon's bailing engine coming up the road.

A Letter From Litchfield Nebraska.

Thomas Clancy, of Litchfield, Neb., wrote us a few weeks ago about his experience with Gunn's Blood and Nerve Tonic. As his case may be similar to others it naturally would be of interest to them to know the result of his test. He had been haunted for years with a gradual growing weakness until he was reduced to a shadow. His complexion was sallow and pimply, had dizzy and sinking spells, with a loss of memory and ambition. Always felt tired and outdone, suffered greatly with nervousness, and felt that his heart's action was weak. His digestion was so poor his system received no nutriment. He said he commenced the use of this Tonic taking one tablet after each meal. He did not notice much change after using one box only he enjoyed his meals better still he kept on until he had used six boxes. He used the last box more than six months ago. When he stopped the use of the Tonic he weighed 28 pounds more than he did when he commenced. Has not been sick a day since, and is well in both mind and body. Dr. Gunn's Blood & Nerve Tonic is the best medicine in the world for pale, weak or sickly women. Sold by all Druggists for 75 cts. per box, or sent by mail on receipt of price. Write us about your case. Address, Dr. Bosanko Co., Pa. For sale by Charman & Co.

BANNER SALVE

the most healing salve in the world.

THE TRYING TIME

In a young girl's life is reached when Nature leads her uncertain steps across the line which divides girlhood from womanhood. Ignorance and neglect at this critical period are largely responsible for much of the after misery of womanhood. Not only does Nature often need help in the regular establishment of the womanly function, but there is almost always need of some safe, strengthening tonic, to overcome the languor, nervousness and weakness, commonly experienced at this time.

Dr. Pierce's Favorite Prescription establishes regularity. It is a strengthening tonic, soothing the nerves, encouraging the appetite and inducing restful sleep. It contains no alcohol neither opium, cocaine or other narcotic.

"I wish to tell you the benefit we have received from using your remedies," writes Mrs. Dan Hall, of Brochard, Green Co., Wis. "Two years ago my daughter's health began to fail. Everything that could be thought of was done to help her but it was of no use. When she began to complain she was quite stout; weighed 170 the picture of good health, until about the age of fourteen, then in six months she was so run down her weight was but 120. She kept falling and I gave up, thinking there was no use, she must die. Friends all said, 'You will lose your daughter.' I said I fear I shall. I must say, doctor, that only for your 'Favorite Prescription' my daughter would have been in her grave today. When she had taken one-half bottle the natural function was established and we bought another one, making only two bottles in all, and she completely recovered. Since then she is as well as can be."

Dr. Pierce's Common Sense Medical Adviser, in paper covers, is sent free on receipt of 21 one-cent stamps to pay expense of mailing only. Address Dr. R. V. Pierce, Buffalo, N. Y.

A Correspondent Thus Describes His Experience.

"I can strongly recommend Herbine as a medicine of remarkable efficacy for indigestion, loss of appetite, sour taste in the mouth, papitation, headache, drowsiness after meals with distressing mental depression and low spirits. Herbine must be a unique preparation for cases such as mine, for a few doses entirely removed my complaint. I wonder at people going on suffering or spending their money on worthless things, when Herbine is procurable, and so cheap." 50c a bottle at Charman & Co.'s.

Write us a Letter.

We want to advise with people who are sick and want to get well. A person that says "I would give \$50 if I felt as well as I did one year ago," is the one we are after and we do not want the \$50 either. People that suffer with nervous diseases have weak watery blood, with sallow complexion, and a tired, outdone nervous feeling, loss of sleep and anxious days cause waste of flesh and strength. Pimply, pale, weak people can be cured by Dr. Gunn's Blood and Nerve Tonic, it makes rich red blood, feeding the nerves, and making solid flesh at the rate of 1 to 3 pounds per

week. This Tonic is in tablet form, and is sold for 75 cents per box, or 3 boxes for \$2, by all druggists, or sent by mail on receipt of price. We will send a pamphlet that tells what diseases this Tonic will cure and what it is good for, free. Write us about your case, that costs nothing. Address Dr. Bosanko Co., Philadelphia, Pa.
