READ ALL OF THIS.

You Never Know the Moment When This Information May Prove of Infinite Value.

It is worth considerable to any reader to know the value of and use of a medicine, for if there is no occasion to employ it in the meantime, frail humanity is subject to many influences and unforeseen contingencies that the wisest are totally unable to gauge the future. Know then, that Doan's Ointment will cure any case of hemorrhoids, commonly known as piles, or any disease of the cuticle or skin, general termed eczema. One application convinces continuation cures. Read the proof:

T. H. Thomas, attorney, of 500 E. Bennett Ave., Cripple Creek, says: "I just as emphatically endorse Doan's Ointment to-day as I did in the month of June 1899. At that time I went to the drug store for a box which I used for itching hemorrhoids. A few applications gave wonderful relief, and a short continuation of the treatment cured me. There have been symptoms of a recurrence since but a few applications of the remedy never fails to bring positive relief. My opinion of Doan's Ointment, the expressed, is of the same to-day as it was when it was first brought to my notice."

Cancer Cured.

Mr. W. W. Prickett, Smithfield, Ill., writes, September 10th, 1901: "I had been suffering several years with a cancer on my face, which gave me great annoyance and unbearable itching. I was using Ballard's Snow Liniment for a sore leg, and through an accident, I rubbed some of the liniment on the cancer, and as it gave me almost instant relief, I decided to continue to use the liniment on the cancer. In a short time the cancer came out, my face healed up and there is not the slightest scar left. I have implicit faith in the merits of this preparation, and it cannot be too highly recommended." 25c, 50c and \$1.00. For sale by Charman & Co.

Cured Consumption.

Mrs. B. W. Evans, Clearwater, Kan., writes: "My husband lay sick for three months; the doctors stated he had quick consumption. We procured a bottle of Ballard's Horehound Syrup and it cured him. First was six years ago, and since then we always kept a bottle in the house. We cannot do without it. For coughs and colds, it has no equal." 25c, 50c and \$1.00 bottle at Charman & Co.

The Poetry of the Orange.

"It appeals to you, when the fruit hangs ripe and sweet on the tree late in February, or early in March. Then the blossoms break out, and the trees are yellow with golden globes, and white with orange flowers. It may be that a flurry of snow has whitened the mountain tops, and then you have an artistic background for a tropical forest. The air is full of sunshine, and heavy with fragrance as night comes on, and then, if the moon be shining, you may hear at midnight through open windows the song of the mocking-bird in the scented grove, and it never seemed so melodious before."

An experience like this is possible any winter, and it is worth a journey of a thousand miles, while you can have it, by taking the scenic Shasta Route through the grand and picturesque Siskiyou and Shasta Mountains, to Southern California. Complete information about the trip, and descriptive matter, telling about California, may be had from any Southern Pacific Agent or

Something That Will Do You Good.

We know of no way in which we can be of more service to our readers than to tell them of something that will be of real good to them. For this reason we want to acquaint them with what we consider one of the very best remedies on the market for coughs, colds, and that alarming complaint, croup. We refer to Chamberlain's Cough Remedy. We have used it with such good results in our family so long that it has become a household necessity. By its prompt use we haven't any doubt but that it has time and again prevented croup. The testimony is given upon our own experience, and we suggest that our readers, especially those who have small children, always keep it in their homes as a safeguard against croup—C. H. H. (S. C.) PROFIT

The matter of feed is of

tremendous importance to the farmer. Wrong feeding is loss. Right feeding is profit.

The up-to-date farmer knows what to feed his cows to get the most milk, his pigs to get the most pork, his hens to get the most eggs. Science.

But how about the children? Are they fed according to science, a bone food if bones are soft and undeveloped, flesh and muscle food if they are thin and weak and a blood food if there is anemia?

Scott's Emulsion is a mixed food; the Cod Liver Oil in it makes flesh, blood and muscle, the Lime and Soda make bone and brain. It is the standard scientific food for delicate children.

Send for free sample.

Be sure that this picture in the form of a label is on the wrapper of every bottle of Emulsion you buy.

Half and Half.

The dyspeptic may well be represented pictorially as being half masculine and half feminine, and combining the least desirable characteristics of either sex. He has all the stubbornness of the man with the peevish irritability of a sick woman. He's not pleasant company at home or abroad.

Dr. Pierce's Golden Medical Discovery cures dyspepsia and other diseases of the stomach and associated organs of digestion and nutrition. It renews physical health which carries with it cheerfulness of temper, and makes life a pleasure instead of a penance.

The "Discovery" purifies the blood by eliminating the corrupt and poisonous accumulations from which disease is bred. It increases the activity of the blood-making glands, so increasing the supply of pure rich blood, which gives life to every organ of the body. It gives new life and new strength.

"Your 'Golden Medical Discovery' has performed a wonderful cure," writes Mr. M. H. House, of Charleston, Franklin Co., Ark. "I had the worst case of dyspepsia, the doctors said, that they ever saw. After trying seven doctors and everything I could hear of, with no benefit, I tried Dr. Pierce's Golden Medical Discovery and now I am cured."

Accept no substitute for "Golden Medical Discovery." There is nothing "just as good" for diseases of the stomach, blood and lungs.
