

Colds

"I had a terrible cold and could hardly breathe. I then tried Ayer's Cherry Pectoral, and it gave me immediate relief."
W. C. Layton, Sidell, Ill.

How will your cough be tonight? Worse, probably. For it's first a cold, then a cough, then bronchitis or pneumonia, and at last consumption. Coughs always tend downward. Stop this downward tendency by taking Ayer's Cherry Pectoral.

Three sizes: 25c., 50c., \$1. All druggists. Consult your doctor. If he says take it then do as he says. If he tells you not to take it, then don't take it. He knows. Leave it with him. We are willing.

All women should take advantage of the remarkable power of this best of medicines for restoring vigor to the blood and strength to the nervous system. In every case of sickness Paine's Celery Compound completely and permanently brings back health. Mrs. Mary M. Myers, Baltimore, Ohio, saved by Paine's Celery Compound after the failure of able physicians, gratefully writes as follows:—

Cured Consumption.
Mrs. B. W. Evans, Clearwater, Kau., writes: "My husband lay sick for three months; the doctors stated he had quick consumption. We procured a bottle of Ballard's Horehound Syrup and it cured him. That was six years ago, and since then we always kept a bottle in the house. We cannot do without it. For coughs and colds, it has no equal." 25c, 50c and \$1.00 bottle at Charman & Co.

A Letter From Litchfield Nebraska.
Thomas Clancy, of Litchfield, Neb., wrote us a few weeks ago about his experience with Gunn's Blood and Nerve Tonic. As his case may be similar to others it naturally would be of interest to them to know the result of his test. He had been haunted for years with a gradual growing weakness until he was reduced to a shadow. His complexion was sallow and pimply, had dizzy and sinking spells, with a loss of memory and ambition. Always felt tired and outdone, suffered greatly with nervousness, and felt that his heart's action was weak. His digestion was so poor his system received no nutriment. He says he commenced the use of this Tonic taking one tablet after each meal. He did not notice much change after using one box only he enjoyed his meals better still he kept on until he had used six boxes. He used the last box more than six months ago. When he stopped the use of the Tonic he weighed 28 pounds more than he did when he commenced. Has not been sick a day since, and is well in both mind and body. Dr. Gunn's Blood & Nerve Tonic is the best medicine in the world for pale, weak or sickly women. Sold by all Druggists for 75 cts. per box, or sent by mail on receipt of price. Write us about your case. Address, Dr. Bosanko Co., Pa. For sale by Charman & Co.

WEAK AND LOW-SPIRITED.
A Correspondent Thus Describes His Experience.
"I can strongly recommend Herbine as a medicine of remarkable efficacy for indigestion, loss of appetite, sour taste in the mouth, palpitation, headache, drowsiness after meals with distressing mental depression and low spirits. Herbine must be a unique preparation for cases such as mine, for a few doses entirely removed my complaint. I wonder at people going on suffering or spending their money on worthless things, when Herbine is procurable, and so cheap." 50c a bottle at Charman & Co's.

Write us a Letter.
We want to advise with people who are sick and want to get well. A person that says "I would give \$50 if I felt as well as I did one year ago," is the one we are after and we do not want the \$50 either. People that suffer with nervous diseases have weak watery blood, with sallow complexion, and a tired, outdone nervous feeling, loss of sleep and anxious days cause waste of flesh and strength. Pimply, pale, weak people can be cured by Dr. Gunn's Blood and Nerve Tonic, it makes rich red blood, feeding the nerves, and making solid flesh at the rate of 1 to 3 pounds per

week. This Tonic is in tablet form, and is sold for 75 cents per box, or 3 boxes for \$2, by all druggists, or sent by mail on receipt of price. We will send a pamphlet that tells what diseases this Tonic will cure and what it is good for, free. Write us about your case, that, costs nothing. Address Dr. Bosanko Co., Philadelphia, Pa. PUNISHMENT.
Social progress has done away with a great many forms of punishment once administered under the laws of enlightened people. But nature never changes or modifies her penalties. She still has the same punishment for the man who neglects or abuses his stomach as she had in the far off days "when Adam delved and Eve span." The physical discomfort, dullness, irritability, nervousness and sleeplessness which are visited upon the man who eats carelessly or irregularly have been from the beginning the evidences of disease of the stomach and its associated organs of digestion and nutrition.

Dr. Pierce's Golden Medical Discovery cures the diseased stomach and enables the perfect digestion and assimilation of food, so that the sluggishness, irritability, nervousness and sleeplessness which result from innutrition are cured also.

"I was taken sick nine years ago with fever," writes Mr. M. M. Wardwell, of Linwood, Leavenworth Co., Kansas. "Had the doctor and he broke up the fever all right, but I took diarrhoea right away; he couldn't cure it and it became chronic and then he gave up the case. I got so weak with it and had piles so badly I couldn't be down, nor hardly sit up. Was that way two or three months; thought 'I would never be well again,' but picked up one of Dr. Pierce's Memorandum Books one day and saw your description of catarrh of the stomach. I thought it fit my case. We had a bottle of Dr. Pierce's Golden Medical Discovery in the house that was got for mother. You recommended it for catarrh of the stomach, so I went to taking it. The one bottle nearly cured me. I got two bottles next time and took one and one-half and was well. I haven't been bothered with diarrhoea since."

Dr. Pierce's Pellets cure biliousness.
