cle or skin, general termed eczema.
One application convinces continuation cures. Read the proof:

T. H. Thomas, attorney, of 500 E.
Bennett Ave., Cripple Creek, says: "I just as emphatically endorse Doan's Ontment to-day as I did in the month of June 1899 At that time I went to the drug store for a box which I used for itching hemorrhoids. A few applications gave wonderful relief, and a short continuation of the treatment cured me. There have been symptoms cured me. There have been symptoms of a recurrence since but a few applications of the remedy never fails to bring positive relief. My opinion of Doan's Cintment, the expressed, is the same to-day as it was when it was first

brought to my notice."

Taken by Miss Rosie Sugarman and Jos. Ruensky.

Miss Rosie Sugarman and Joseph Ruensky were married Sunday afternoon at the Willamette hall in the presence of about a hundred invited guests. The couple are Hebrews and the marital rites were celebrated with all the pomp and splendor of the Jewish wedding, The nuptial knot was tied by Rev. Mr. Abrahamson, of Portland, After the ceremony was performed there was a grand march and banquet, after which the guests engaged in a dance which continued until 11 o'clock. Mon-

day morning the newly mated pair left for Salem where they will remain with friends for a week, after which they will go to Portland where they will reside. The bride is the daughter of a prami-nent Oregon City business man and is a very charming young lady who has many warm friends in Oregon City. The groom ts a prominent young business man of Portland and is an ail around fine fel-

This is the first wedding between Hebrews in Oregon City ever celebrated after the fashion and custom of that tionality and religious faith.

The matter of feed is of tremendous importance to the farmer. Wrong feeding is loss. Right feeding is profit.

The up-to-date farmer knows what to feed his cows to get the most milk, his pigs to get the most pork, his hens to get the most eggs. Science.

But how about the children Are they fed according to cience, a bone food if bones re soft and undeveloped, a lesh and muscle food if they are thin and weak and a blood ood if there is anemia?

Scott's Emulsion is a mixed food; the Cod Liver Oil in it makes flesh, blood and muscle, the Lime and Soda make bone and brain. It is the standard scientific food for delicate children.
