

A SPANISH COUNT CURED OF LA GRIPPE.

Count Segundo de Ovies was a Carlist exile. The signature of his uncle, Louis De Ovies, is found with that of John Quincy Adams ceding Florida to the United States in a treaty with Spain. The Count is forty-six years of age, an exile from Oriseto, situated in the northern part of Spain, and has been exiled since 1873; he is wealthy, and has traveled and studied the customs, habits and languages of twenty-five different nations.

In a recent letter to The Peruna Medicine Co., of Columbus, Ohio, the Count gives his endorsement to their great catarrh remedy, Peruna, in the following words:

The Canfield, Atlantic City, N. J.

The Peruna Medicine Co., Columbus, Ohio:

Gentlemen—"Last winter my secretary had a severe attack of la grippe which was cured effectually by the use of four bottles of Peruna, so when I contracted the same unpleasant sickness last fall I at once sent for a bottle. It truly worked wonders, and removed the sickening and sore feeling I had within a few days. I would not be without it now for any money, and when I go away I carry Peruna as a valuable perquisite to my traveling outfit."—JULIAN SEGUNDO, CONDE DE OVIES.

Easter Day at the Congregational Church.

The services commenced with the Easter sermon at 7 a. m. The attendance at this early service was not large still it indicated that a number was willing to go to a church service without their breakfast.

At 10:30 the auditorium was well filled. Before the introductory services were completed every seat was occupied and the gallery was opened for the late comers. The music was most excellent. Mrs. Kate Ward Pope sang in a most impressive manner "The Risen King." Twenty new members were received and the Lord's Supper was commemorated. The evening service was devoted to raising. The choir rendered a number of anthems. Miss Anna English's violin solo the "Holy City" was enjoyed, and also the solos of Mrs. W. B. Wiggins and Miss Maysie Foster were most highly enjoyed. While applause seems to be out of place in a church, yet it would have been the most natural thing after the morning and evening solos.

The members of this church are highly delighted at their success in having the auditorium and hall of the church beautified. About \$325 was spent for the work done; and the entire amount has been raised and secured by the Saturday club.

When it is remembered that this church completed the payment of an old harassing debt last October, and now has succeeded in making a most delightful place for the worship of its members and friends. The church now has the largest number of resident members in its history. The present pastor, E. S. Bollinger has but recently commenced his fifth year of service with the church.

Easter at Presbyterian Church.

Easter services at the Presbyterian church were celebrated in a fitting manner last Sunday. The pastor, Rev. Frank Mixsell, delivered a short sermon in the morning, after which music and exercises were well rendered by the children of the Sunday school. Quarterly Communion was also observed. In the evening there was a sermon by the pastor and appropriate Easter music by the choir. The church will hold a fair on the 6th of May, and a large number of useful articles will be disposed of.

Services at the Baptist Church.

On next Sunday morning at the Baptist church Rev J. H. Beavens will de-

liver a sermon upon the "Relation of Education and Christian Missions." At the night services he will deliver a sermon as a continuation of a series of sermons upon the marriage relation, the especial theme for the night service being "The Wife and the Home."

There was a social gathering at the home of H. Had Perry Tuesday evening, April 14. The evening was pleasantly passed in playing games, after which a nice lunch was spread at twelve, and after a few more games the company dispersed. Those present were Mr. and Mrs. Vinyard, the Misses Zura and Myrtle Stalnaker, Cora and Alie Armstrong, Messrs. John Stalnaker, John Freed, Chas. Roth, Ray Vinyard and Sam Stalnaker.

The west side motor line will be put in first-class condition during the summer. The old ties will be replaced by new ones, which have already been hauled, and gravel will be hauled to ballast the road-bed.

N E A R L Y everybody is having la grippe again. It resembles somewhat in the beginning a severe cold. A chill or cold spell is followed by aching bones, sore throat, headache, cough, and general weakness. Its course may be quite slight or severe, but in either case it nearly always leaves one in a miserable condition.

Unless Peruna is taken it will be weeks or months before a person regains his usual health. If the victim is fortunate enough to begin the use of Peruna at the commencement of the attack the course of the grip is much shortened, and the system is left in a natural state.

People who have had la grippe, but are still suffering from the after-effects, should not neglect to take Peruna, as it will promptly restore them to health.

Henry Distin, the inventor and maker of all the band instruments of the Henry Distin Manufacturing Co., writes the following from 1441 South Ninth street, Philadelphia, Pa.:

"I had a bad attack of la grippe last December which lasted more than three months, and which left me with catarrh, and several of my friends advised me to try Peruna. I began with a bottle the first week in March and it certainly did me a great deal of good. I was so well satisfied that I purchased another bottle and followed the directions, and can say that it has cured me."—Henry Distin.

A large per cent of those who are afflicted with this epidemic, instead of getting well as they ought to, will have chronic catarrh as the result. This is almost invariably the case unless Peruna is taken as soon as possible after the grip begins.

Every one who has observed the effect of Peruna during the last three epidemics of la grippe positively knows that this remedy will cure it permanently.

The fact is, however, that a great multitude of people will not take Peruna, and a foundation for chronic catarrh will be laid.

Even in cases where chronic catarrh has affected the lungs, and the early stages of catarrhal consumption have been developed, Peruna can be relied upon as a prompt and lasting cure. La grippe and catarrh are at present the two great enemies of life in the land. Peruna is a cure for either.

If you do not derive prompt and satisfactory results from the use of Peruna, write at once to Dr. Hartman, giving a full statement of your case and he will be pleased to give you his valuable advice gratis.

Address Dr. Hartman, President of The Hartman Sanitarium, Columbus, O.

NEW BALL TEAM

OREGON CITY TEAM NOW READY FOR ALL COMERS.

First Game of Season at Canemah Park
Next Sunday With Fidelity Team of Portland

The base ball season of 1903 will open at Canemah Park, Oregon City, Sunday April 19th, 1903.

The announcement will be read with pleasure for the lovers of good clean sport of Oregon City, for it will give them a chance to see some of the amateur teams of the state come to our city and cross bats with our own boys, and there is no question but what our boys will be able to take care of our interests.

Our team should be liberally supported both financially and with large attendance, as last year plainly demonstrated that our home team was composed of gentlemen and first class players always playing clean ball.

The promoters this year have secured most of last years players and have the advantage of a ground in the edge of town which should more than double the attendance of last year, and this being the case, they will be able to bring all the best teams of the coast this season. But a successful season cannot be carried on unless the team has the support and patronage of the city, first last and all times, as it costs money to bring good teams here and keep good players at home. This year Oregon City will have one of the best players in the state.

Mr. Fields has a large gang of men at work now and will have the grounds in first class shape for Sunday's game. There will be plenty of seats, as the large Grand stand will hold 400 and the bleachers 400 so every one can have a good seat.

The first game will be with the Fidelity team of Portland, this team played Jack Grims national last Sunday, and and held them down to four runs now come and see what our boys will do to them.

The following will probably be the line up Sunday.

Fidelity	C	Martin
Brown	Hoyt and Reed	P. Califf and Graham
Parrott	1st B	McFarland
Windel	2nd B	Reckner
Cal Gillas	3rd B	O Parrot

The game will be called at 3 o'clock Admission 25 cents. Grand stand free.

Notes of the Stage.

The stereopticon show given by the Order of Lions from Portland, at Shively's opera house Wednesday evening was all that could have been desired. The show was principally a moving picture affair and the pictures exhibited were fine. The machine used was one of the finest on the market, having cost \$1500. A large house witnessed the performance. The receipts were quite satisfactory.

"Thompkins Hired Man" at the school house at Willamette Falls, was the attraction for Tuesday night. It was the second production of the show by home talent at that place and it drew a large crowd which was very much pleased with the performance.

Barlow's Minstrels is the attraction at the opera house on Thursday night as go to press and a good crowd is watching the performance of these celebrated minstrels.

One of the best vaudeville performances ever seen in Oregon City will make two nights' stand here next week, Monday and Tuesday evening, when the Weston and Herbert show will make its appearance. This season the show is larger and greater than ever. Mr. Weston has secured several performers of note from the East, prominent among them being Hugh J. Emmett, the celebrated ventriloquist comedian, who is known to be one of the most versatile entertainers on the American stage. The four Bragtons are also new arrivals in this country, and their act is a screaming hit from start to finish. As an evidence that the show is a good one it need only be said that they come here after playing a week's engagement at the Marquam Grand, Portland.

An entertainment will be given at the Mount Pleasant school house on Saturday evening for the benefit of the side walk fund. "A Suit of Livery" will be presented besides a good musical and literary program will be rendered.

Eight Hour Scale Adopted.

Local Union No. 482, Brotherhood of Painters, Decorators and Paperhangers of America, of this city, wish to inform the people, through the medium of this and other papers, that they have instituted the eight hour system and that hereafter eight hours will constitute a day's work, with the same rate of wages as before viz \$3.00; same to take effect immediately.
