THE DEATH ROLL.

S. R. DENUI DIES IN EASTERN OREGON.

Formerly Lived in Clackamas County

The sad news of the death of S. R. deNui who formerly lived at Stafford in this county was brought to his brother and relatives at Stafford in this county on Tuesday of last week. Mr. deNui for many years lived at Stafford. A couple of years ago he took up a homestead in Gilliam county near Ellville. Since then he has been residing on his ranch. His death came very suddenly and probably resulted from acute stomach trouble. His remains were laid to rest at Condon the county seat of the county. The funeral obsequies being in charge of the Knights of Pythias of that city of which the deceased was a devoted member. His brother John de Nui, of Stafford attended the funeral together with a number of other friends from this part of the valley.

Obituary.

Mrs. Alice Viola Davidson, who died at Oswego, Oregon, April 10th, of typhoid fever, was born in Manitowoc county Wis., September 4, 1879, and in 1888 came with her parents to Oregon. In 1898 she was married to Arthur Davidson, of Oswego, who, with two little sons are now bereft of one who was ever a faithful wife and devoted mother.

Mrs. Davidson has many relatives in Oregon City. Her mother, Mrs. E. J. Ward, resides here, also a sister, Mrs. A. Leland, and two brothers, Raymond and Ward Lee. Another sister, Mrs. E. J. Glover, lives in Omaha, Nebraska, and an older brother, W. R. Lee, lives in Minnesota.

An unusually large circle of friends mourn the early loss of one who was a loving daughter, an affectionate sister and a true friend. The floral gifts offered at her last resting place were very beautiful. These and many other graceful acts of kindness are fully appreciated by the bereaved family who met around Alice's grave on that sad but beautiful Easter Sunday.

A Thoughtful Man.

M. M. Austin, of Winchester, Ind., knew what to do in the hour of need. His wife had such an unusual case of stomach and liver trouble, physicians could not help her. He thought of and tried Dr. King's New Life Pills and she got relief at once and was finally cured. Only 25c, at Geo. A. Harding's Drug Store.

Wiesner-Gay.

A quiet but very pretty home wedding was solemnized on Howell Prairie at the home of Mr. and Mrs. B. Wiesner on Wednesday, April 15 at 12 o'clock when their daughter, Miss Ota, became the bride of Mr. Warren Gray of Marquam. The wedding was attended by a number of relatives and most intimate friends.

The ceremony was simple and impressive and was performed by Rev. Mr. Stockwell, pastor of M. E. church of Marquam while Miss Bertha, sister of the bride executed the wedding march. The bride and groom both unattended emerged from the north parlor and proceeded through the archway which was beautifully studded with blossoms to the large bay-window where they stood, under an arch of Easter lilies framed in sprays of yew and Oregon grape.

The double parlors were beautifully decorated with potted plants and ferns. Immediately after the ceremony the wedding couple proceeded to the diningroom which was most covered with festoons of eye greens and flowers and parook of a wedding breakfast.

The bride was dressed in white organza over white silk and carried a bouquet of white hyacinths, while the groom wore conventional black. The bride is the daughter of Mr. and Mrs. B. Wiesner old and respected residents of Howell Prairie. She is one of Howell Prairie's accomplished young ladies and her many friends extend their heartiest congratulations.

Mr. Gray is young man of worth and well known citizen of Clackamas county. The esteem in which they are held was shown by the many rich and beautiful presents.

Mr. and Mrs. Gray will make their future home at Marquam Oregon where they will be at home to their many friends after May 4th.

Robbed the Grave.

A startling incident, is narrated by John Oliver of Philadelphia, as follows: "I was in an awful condition. My skin was almost yellow, eyes sunken, tongue coated, pain continually in back and sides, no appetite, growing weaker day by day. Three physicians had given me up. Then I was advised to use Electric Bitters; to my great joy, the first bottle made a decided improvement. I continued their use for three weeks, and am now a well man. I know they robbed the grave of another victim." No one should fail to try them. Only 50 cents, guaranteed, at Geo. A. Harding's drug store.

Howard Eccles, the Courier's bustling representative from Canby, was in town on business Saturday. He is one of the leading young teachers of Clackamas county and is putting in his spare time outside of his school duties in rustling for Clackamas county's leaking paper. Other teachers can find profitable employment in the same way during the next few months.

The Knights and Ladies of Security gave a social on Friday evening of last week which was well attended. A number of members from Portland were in attendance.

Dr. E. A. Summers started last Saturday for New York City and will be gone for three months.

DOWN TO DEFEAT

OREGON CITY LOSES FIRST GAME OF SEASON.

Another Game Scheduled For Next Sunday.

Last Sunday afternoon at 2:30 o'clock, the opening game of the season was played at Canemah part between the Oregon City team and the Fontella team of Portland. About half a thousand enthusiastic fans parted with two bits in order to have the privilege of occupying the grand stand and witnessing the game. Of course, they all went out with hope and the expectation that the home team would carry away the scalps of the long-legged Portlanders, but such was not to be. The Portlanders carried the scalp of our boys home with them instead.

The game was almost devoid of sensational or exciting plays; for the first three innings neither side was able to get a man across the home plate. In the fourth the visitors made two runs. Dick Parrot singled to right field and stole second. The next man up struck out, then Smith drove a long fly to right which was muffed by Rhoades and Smith made second while Parrot trotted around to third. Jacobs hit a hot liner to right field and Parrot and Smith scored. The next two men up went out.

The first run that was scored by Oregon City in the fifth, E. Califf made first on a long drive to right field, Billy Califf tried to bat the ball and went out. Lee made a double and Califf went to third. On a short grounder McFarland went to first and Califf scored. In this inning the home team had a good chance to win the game with a few timely hits with two men on bases but they could not secure them.

The rest of the story is soon told. The visitors kept on hammering the ball until they had scored seven runs while it was utterly impossible for the home team to increase on their mealy little run.

In the last half the younger Califf made a hit that almost created a sensation. Hitherto he had only tried to bunt the ball each time up, and no one imagined that he could hit it if he tried. Oregon City players had reached bases, one was on first and one on third. Two men were out and Oregon City had only one run. Califf at the bat. The crowd got upon their feet and made a move as though to get out, supposing, of course, that Califf would go out. The pitcher sent a ball over the plate and Califf swung his bat catching the ball square on the nose for a two base hit and two more Oregon City players scored. The next man up went out and the game was over. The score:

The Oregon City team can, with a little effort, be made one of the best amateur teams in the state. Considering that the team was green they put up a good exhibition of ball last Sunday.

Young Califf, who pitched the nine innings for Oregon City last Sunday is only 18 years of age. He has the making of a great pitcher in him and will some day travel in fast company.

The game Sunday was characterized by the utmost of good humor on all sides. Nobody kicked about the decisions of the umpire and there was no squabbling of any kind.

Our boys confidently expect to win next Sunday's game.

WIRELESS TELEGRAPHY.

Our City Will Have a Marconigram Station.

Oregon City will soon have a wireless telegraph station installed and in operation. Professor W. B. Patty will bring an elaborate outfit and set it up at the Shively opera house, where liquid air will also be exhibited and dozens of wonderful experiments be performed on next Thursday night. Prof. Patty may not succeed in getting into communication with King Edward or President Roosevelt, or even "agitating the ether" to the distance of San Francisco, but he will send wireless messages across the ball, also through brick and wooden walls; with the wireless apparatus, he will ring bells, start and stop a motor turn on or off electric lights, and perform many interesting and instructive feats, besides fully explaining this up-to-date subject, which is already doing so much of practical worth and attracting attention the world over.

This wireless telegraph demonstration is entirely free to all holders of reserved seat tickets for the liquid air entertainment, and combination of these two scientific marvels affords our citizens an opportunity that is not likely to be missed by anyone who desires to keep up with the times.
