The exhibition of the wonders of liquid air and the marvels of wireless telegraphy at Shively's opera house on last Friday evening was well attended by the business, professional and scientific men and women of Oregon City. One of the best crowds of the season was out to see the many wonders performed. In every detail the exhibition came up to the expectations of the audience all were well pleased with the marvels of nature uncovered before their eyes. Ice was made to boil, mercury and alcohol frozen solid, steel and copper burned and many other marvelous feats performed. The future is rich in possibilities for both liquid air and wireless telegraphy.

HOT STUFF

THE GAME OF BASE BALL ON SUNDAY DAY WAS THE REAL THING.

One Thousand People Cheered the Oregon City Boys on to Victory.

Sunday was a gala day at Canemah ball park and Manager Fields in spite of his "game" foot and the further fact that his dancing pavilion had been burned to the ground only a night before was in exceedingly good humor. The bill of fare was Oregon City against the Schiller's of Portland. The game was a good one from start to finish and the finish was just the thing to send the big crowd home in an excellent good humor. For eight innings the two teams were on practically even terms. Neizer who was in the box for Oregon City team demonstrated the fact that he is the real thing and one of these days he will be in professional company.

The game was won for the Oregon City boys in the last half on the ninth inning. With the score a tie, two and two Neizer won his own game by lining out a three bagger over third base that brought in two runs. All of the Oregon City boys played good ball. To down the Schiller's was no easy matter but they took their measure in fine style.

McGregor who played first for the Oregon City boys never let a "high ball" get away. The Score:
