Seventy-first Birthday

Dr. Gucher's seventy-first birthday was celebrated a short time ago at their residence in Eldorado. His friends met in a body at the home of Mr. and Mrs. A. L. Jones and went to surprise him. The evening was spent in card playing music and etc. At 12 o'clock a delicious supper was served in the dining-room to which each did ample justice. Much merriment preceded this in the selection of partners for supper. Different sized stars were cut into and passed around. Like sizes were partners. The doctor well remembered by many tokens, many being useful as well as ornamental. At a late hour all departed for their respective homes, after wishing the Doctor many more happy birthday reunions. Those present were: Mr. and Mrs. J. Mallett and two sons, Mr. and Mrs. F. Erickson and two children, Mrs. Daniels and daughter, Kate and Mr. Seltzer, all of Malino; Mrs. J. McManis and Miss L. Hoosey, of Oregon City; Mr. and Mrs. Helver, Mr. and Mrs. Jones, Mr. and Mrs. Smith, Mrs. R. Schoenborn, Misses Vera Jones and Lillian Gans, Messrs. Al Schoenborn, John Helvey, W. Jones and Mervel Jones.

An Old Indictment.

EUGENE, Ore., May 6th.—A certificate on file at the headquarters of the Reames campaign management by J. H. Booth, receiver of the Roseburg U. S. Land Office, showing that Binger Herrmann, while receiver of the Roseburg Land Office from March 1871 to April 1873, made cash entry of an extensive tract of public lands, also entered by Agricultural college scrip other large tracts, these lands being in Tp 36 S. of R. 2 E., W. M., in the Roseburg land district.

DISMISSED BECAUSE OF THOSE ENTRIES.

Mr. Herrmann was appointed for the usual term of four years, but served only one month more than one-half of the term, being dismissed because of making those entries contrary to law. The law on the subject which he violated, copied from the United States Revised Statutes, Section 452, reads:

"The officers, clerks and employes in the General Land office are prohibited from directly or indirectly purchasing or becoming interested in the purchase of any of the public land, and any person who violates this section shall forthwith be removed from his office."

DECISIONS OF THE DEPARTMENT

The official decisions of the U. S. Land office, whereunder Mr. Herrmann was removed, are that all employes in all branches of the land department are subject to the prohibitive statute herein cited, such decisions being contained in "Land Decisions," Vol. 10 page 97 and Vol. 11 p 96.

THESE ARE COLD FACTS

These statements are cold facts, that appear upon the official records of the land office, as evidenced by the certificate from the Roseburg office, given in the regular order of business, such certificates being obtainable from any land office upon application by any citizen.

This was Mr. Herrmann's first experience in Federal land office matters, and it resulted in disgraceful dismissal from the service for violation of a statute that he had been enacted seventy years ago, and revised more than fifty years ago to read as herein quoted. It had been openly known, and the dismissal of Mr. Herrmann in 1873 shows that Mr. Herrmann's being of public lands while receiver was contrary to the recognized and enforced law of the federal government and against the rules of the Interior Department.

VOTERS MAY DRAW THEIR INFERENCE

To the jury of voters, to whom must be referred all questions such as this, is referred this record. Do not be cajoled into passing lightly over it, with specious argument based upon partnership, but demand an explanation. This is a serious business, and cannot be ignored. It is a specific allegation, substantiated by in-factible record that must stand for all time, as proof that Binger Herrmann, now aspiring to Congress, was dismissed in 1873 for violation of explicit statute.

Is a logical conclusion to be drawn from this? If Mr. Herrmann was guilty of violating the law in 1873, what confidence may be placed in him now that he has not followed a similar course or will not follow such a course in the future?

Can you support Mr. Herrmann, after reading these specific allegations, vouchered by official record, and that cannot be refuted except by glittering generalities of desperate denial?

Cures When Doctors Fail.

When I had an attack of the grip last winter (the second one) I actually cured myself with one bottle of Chamberlain's Cough Remedy," says Frank W. Perry, editor of the Enterprise, Shortsville, N. Y. "This is the honest truth. I at times kept from coughing myself to pieces by taking a teaspoonful of this remedy, and when the coughing spell would come on at night I would take a dose and it seemed that in the briefest interval the cough would pass off and I would go to sleep perfectly free from cough and its accompanying pains. To say that the remedy acted as a most agreeable surprise is putting it very mildly. I had no idea that it would or could knock out the grip, simply because I had never tried it for such a purpose, but it did, and it seemed with the second attack of coughing the remedy caused it not only to be of less duration, but the pains were far less severe, and I had not used the contents of one bottle, before Mr. Grip had bid me adieu. COLONEL MILLER WAKES THE FROG TOWN BOYS UP.

Scores Some Good Points on Herrmann and Predicts Victory.

Colonel "Bob" Miller, the "Beau Brommel" of the Oregon City bar, made a telling speech in favor of Reames at the Frog Pond school house on last Saturday night. He was greeted by a fine crowd and the enthusiasm was marked.
