Meadowbrook.

The entertainment and basket social given by the Meado sbrook school Sat-urday night was a success, both socially and financially. The program was good and the acting excellent. Mr. Samson suctioned the baskets off with his usual jollity, and the sum of \$12.60 was netted. Miss Lentz, the teacher, deserves thanks for her untiring efforts.

We are sorry to hear that Mrs. D. H. Looney is dangerously ill, but Miss Mol-lie and Miss Gladys have about recovered from their illness.

Charlie Holman made a visit to hit farm Saturday.

Mrs. Sallie Howard and children were visiting at the homes of Mr. Mallatt and Mr. Hendershott the latter part of the week.

Miss Anna Knight is staying with Mrs. Perry, at Molalla, at present.

Saturday afternoon we had a veritable blizzard. Rain and hail fell till the ground was perfectly white—something quite unusual at this time of the year. It injured the early gardens and potatoes.

The farmers are busy in this section putting in their late gardens.

Miss Hazel Cooper came home from Oregon Uity to attend the social.

..... Meadowbrook.

in the back is also convincing proof that the kidneys and bladder are out of order. What To Do. There is comfort in the knowledge so

often expressed, that Dr. Kilmer's Swamp-Root, the great kidney remedy, fulfills every wish in curing rheumatism, pain in the back, kidneys, liver, bladder and every part of the urinary passage. It corrects inability to hold water and scalding pain in passing it, or bad effects following use of liquor, wine or beer, and overcomes that unpleasant necessity of being compelled to go often during the day, and to get up many times during the night. The mild and the extraordinary effect of **Swamp-Root** is soon realized. It stands the highest for its wonderful cures of the most distressing cases. If you need a medicine you should have the best. Sold by druggists in fifty-cent and one-dollar sizes.

You may have a sample bottle and a book that tells all book that tells all about it, both sent free by mail. Address Dr. Kilmer & Co., Bing-Kilmer & Co., Bing-hamton, N. Y. When Home of Born

Whooping Cough.

A woman who has had experience with this disease, tells how to prevent any dangsrous conseq ences from it. She says: Our three children took whooping cough last summer, our baby boy being only three months old, and owing to our giving them Chamberlain's Cough Remedy, they lost none of their plumpness and came out in much better health than other children whose parents did not use this remedy. Our oldest little girl would call lustily for cough syrup between whoops.-Jessie Pinkey Hall, Springville, Ala, This remedy is

Danger of Colds and Grip.

The greatest danger from colds and grip is their resulting in pneumonia. If reasonable care is used, however, and Chamberlain's Cough Remedy taken, all Will Criteser and Will McDonald, Jr., danger will be avoided. Among the tens re working for Joe Burnett getting out of thousands who have used this remedy for these diseases we have yet to learn of a single case traving resulted in pneumonia, which shows conclusively that it is a certain preventive of that dangerous disease.
