### COMMITTED SUICIDE.

Mrs. Sarah J. Fancher, of M. Pleasant, Takes Away With Herself.

Mrs. Sarah J. Fancher, of Mt. Pleasant, committed suicide last Saturday night by tying a rope around her waist and jumping into a well. The body of the dead woman was found by a hired man, named Joe Rendes, Sunday morning while he was churning about the barn. Rendes noticed a cloak lying on the well curb and investigated. He found that the rope had been loosened from the draw bucket, one end tied around the poor woman's waist and the other fastened to the curb.

No one had missed her from the house, she having retired the night before at the usual hour. She wore only her night clothes when found, which leads to the belief that she had retired as usual.

It is supposed that the suicide was demented. She had been kept in the o'd ladies' home at Portland until quite recently, and they sent her home recommending that she be sent to the insane asylum. This she refused to do, but it is stated that the family was considering the advisability of such a move. It is further stated that there is a streak of insanity in the Fancher family.

Coroner Holman was notified of the tragedy Sunday morning and at once went to the scene. A jury returned a verdict in accordance with the facts given.

Funeral services were held in Oregon City at the Presbyterian church Tuesday afternoon. Rev. Frank Mixsell officiating and the remains were laid to rest in the Mountain View cemetery.

Deceased was 68 years of age.

Mr. Joseph Pominville of Stillwater Minn., after having spent over \$2,000 with the best doctors for stomach trouble, without relief, was advised by his druggist, Mr. Alex. Richard, to try box of Chamberlain's Stomach and Liver Tablets. He did so, and is a well man today. If troubled with indigestion, bad taste in the mouth, lack of appetite or constipation, give these tablets a trial and you are certain to be more than pleased with the result. ## ATTEMPTED TO MILK

THE CITY OF OREGON CITY ON SEWER CONTRACTS.

Local Contractors Offered \$500 Not To Bid.

The city of Oregon City in letting her contracts for sewers a few days ago was up against the real thing for a while and had it not been for the integrity of W. H. Howell and Dan Dyons both bidders for the work, the city would likely have been milt out of \$1,000. The Portland contractor off red each of these gentlemen \$500 not to bid on the work or at least to put in theirs so high that they would certainly be rejected. Mr. Lyons and Mr. Howell each indignantly rejected the proposition and that the contract was let at a fairly low figure is probably due to their honesty and integrity in the matter.

## Tailor-made Clothing

Common sense will teach any one that a Suit Made to Order will wear longer, hold the shape better and look better than any ready-made suit will, because the Goods are superior, the linings Trimmings are superior, the workmanship is superior. They are shrunk and sponged, hand-made and hand-finished. That's the sort of suits and Topcoats Strain sells at **\$10.00**

### \$10.00 Tailor-made Trousers, \$3.50

That's a strong comparison of values, \$10 trousers for \$3.50, but we have the strongest kind of an argument behind it. We have exactly what we advertise. 800 pairs of pants just received from our Chicago buyer, picked up here and there from tailors who wanted cash worse than they wanted the pants. Not one pair of the lot that would not be a bargain at \$7.50, and most of them worth \$10 and \$12.50. In new Spring stripes, made of best imported worsted, cut to fit, 800 pairs to pick from at Strain's **\$3.50**

WE NEVER SHOWED SO FINE A LOT OF PANTS AS THIS BEFORE
