MASKED ROBBERS
Held up Electric Car on the O. W. P. and Railway Company.

Three masked robbers held up an electric car of the O. W. P. & Railway Company last Tuesday night at 10:15 p. m., and relieved the crew and passengers of money and valuables estimated at about three hundred dollars. The car was stopped at Midway station to let off a passenger, and the conductor had just given the go ahead bell, when the motorman was commanded to "stop her." Gazing down into the muzzle of two big revolvers he very readily complied. The three highwaymen then boarded the car and relieved the passengers of money and valuables. Assistant Superintendent, Boynton, was on the car and he was relieved of a twenty dollar gold piece and a gold watch. The mask of the leader fell off during the excitement and confusion and revealed a handsome young man of about 15 years. The hold-up was reported to the police of Portland by telephone and they are "hot on the trail," but as yet have made no arrests.

Big Improvements.
It would astonish one to walk around Oregon City and see just how many improvements are being made in this part of the world and watch the big army of laboring men at work building for the future. The Southern Pacific Railroad Company is putting in a new bridge of finest steel across the Clackamas river over which to carry their tracks. The work is well under way. The Oregon Water Power and Railway Company is also putting in a new steel bridge over the Clackamas to carry their car line. The piling is now being driven for this work and is nearly completed. The track of this road will be lowered seven feet and the bridge dropped that much at the river and the big trestle lowered from seven to ten feet. It is also said that the entire line between this city and Portland will be doubled tracked. Oregon City is spending \$15,000 in improving her sewer system, fifty new houses are in progress of construction and everything is moving along lively in the best town of its size on the coast.

Married at Oregon City.
Mr. J. B. Hassen, of Portland, a native of Southern Turkey and Miss A. R. Scheridw, of Portland, were united in the holy bonds of wedlock by County Judge Thomas F. Ryan in his office at the court house in Oregon City on last Wednesday. Mr. Hassen is a full-blooded Turk and is very dark in complexion as all sons of that land are. His wife is a comely, sweet faced daughter of the states. They will make their home in Portland.

Grange Celebration.
