WILL SEND \$4.00 FREE.

Franklin Miles, M. D., LL. D., the Celebrated Chicago Specialist, Will Send \$4.00 Worth of his New Special Treatment Free to Each of Our Readers

When an experienced physician offers to give away \$4,000 worth of a New Treatment for diseases of the heart, nerves, stomach or dropsy, it is conclusive evidence that he has great faith in it. And when hundreds of prominent people freely certify to his unusual skill and the superiority of his New Special Treatment, his liberality is certainly worthy of serious consideration.

That Dr. Miles is one of the world's most successful physicians is proven by hundreds of testimonials from well known people. One patient cured after failure of eleven grand Rapids physicians, two after being given up by six and seven Chicago physicians, another after nine leading doctors in New York City, Philadelphia and Chicago failed.

The eminent Rev. W. Bell, D. D., of Dayton, O., Gen. Sec'y of Foreign Missions, writes editorially in the State Sunday School Union: "We desire to state that from personal acquaintance we know Dr. Miles to be a most skillful specialist a man who has spared neither labor nor money to keep himself abreast of the great advancement in medical science."

The late Prof. J. S. Jewell, M. D., said: "by all means publish your surprising results." Prof. J. P. Ross, M. D., Ex-Pres. of Rush Medical College wrote in 1874: "Dr. Miles has taken two courses of my private instruction in diseases of the heart and lungs."

Dr. Miles cured me of inherited headache and dizziness." The well-known manufacturer of Frisco, Ill., J. C. Scott, says: "I had fruitless sleep thousands of dollars on physicians until I consulted Dr. Miles." Mrs. Frank Smith, of Chicago, writes: "Dr. Miles cured me of dropsy after five leading physicians had given me up."

This new system of Special Treatment is thoroughly scientific and immensely superior to the ordinary methods. As all afflicted readers may have \$4.00 worth of treatment free, we would advise them to send for it at once. Address, Dr. Franklin Miles, 203 to 205 State street, Chicago, Ill.
