M21-2 Congress St.
PORTLAND, MAINS, Oct, 17, 1902.
I consider Wine of Carduf superior to any doctor's medicine I ever used and I know whereo! I speak. Isuffered for nine manths with suppressed menstruation which completely prostrated me. Palus would shoot through my back and sides and I would have blinding headaches. My limbe would swell up and I would feel so weak I could not stand up. I naturally felt discouraged for I seemed to be beyond the help of physicians, but Wine of Cardui came as a God-send to me. I felt a change for the botter within a week. After nineteen days treatment I menstruated without suffering the agonies I usually did and soon became regular and without pain. Wine of Cardui is simply wonderful and I wish that all suffering women knew of its good qualities.
