

### To Save Referendum

#### Pomona Grange Recommends That Steps be Taken.

Also Recommends That Steps be Taken to Revise Constitution.

Oregon City, July 10—The Pomona or county Grange, which was in session in Milwaukie Wednesday of last week passed resolutions by a unanimous vote to save the referendum from destruction. The resolution passed read as follows:

"Whereas, The people of the State of Oregon for three years expended money to secure an amendment to the constitution of the state known as the initiative and referendum; and

"Whereas, Two sessions of the Legislative Assembly made it possible for the people to express their approval or disapproval of said amendment; and

"Whereas, At the last general election the people did endorse said measure by a majority of nearly 11 to 1; and

"Whereas, In a test case in Portland the Circuit court decided that said amendment was invalid and of no effect and

"Whereas, Many politicians express the opinion that the Supreme Court will coincide with said Circuit Court, and hence the will of the people will be set aside in the interest of wire-pullers therefore be it

"Resolved, That Clackamas County Pomona Grange, in regular session assembled, do recommend that the proper steps be taken to call a constitutional convention to revise the constitution and be it further

"Resolved, That this Pomona Grange recommend to all Pomona grangers councils and subordinate granges in the state to bring the question up for discussion, and after thorough discussion if thought best, endorse the above resolution.

"J. S. CASTO,  
"A. LUKELING,  
"C. E. SPENCE,  
Committee."

The Grange meeting was well attended. There were delegates from almost every section of the county and from adjoining places. State Master B. G. Leedy and State Secretary Mary S. Howard were both present. Mrs. Howard reported that there were 18 Granges in Clackamas County, with a membership of nearly 1,200. The next county Grange will meet with Molalla Grange No. 312.

Mr. Jensen is confined to his bed with typhoid fever.

Dr. Brooks was seen driving through our little city one day last week.

The party given at the home of Mrs. Gray was a success. Everybody parted at a late hour, feeling it was good to be there.

Olaf Olsen is in Portland at the hospital.

Everybody in our vicinity is cutting and hauling hay.

We are glad that we are going to have good weather on account of the hay, as it did a great deal of damage last week.

#### Bold Highwaymen.

Tuesday night an electric car on the O. W. P. & Railway Company's line running between Oregon City and Portland, was held up while on its way from Portland to Sellwood, by a band of robbers and the passengers relieved of money and valuables. There were six persons in the band of robbers, and all wore handkerchiefs over their faces and went about their work like old hands at the business.

The ill-fated car with its load of human freight left the city station at the corner of First and Alder street at 11:20 in charge of Conductor Matson and Motorman Nye. There were between 40 and 50 passengers, many of them returning to their homes from the opening session of the Woodmen Carnival. When the crossing of the Southern Pacific near Division street was reached the car stopped for the crossing and the switch beyond.

The motorman was confronted with two six shooters and told to hold the car. At the rear the conductor met with the same command from two or more ugly guas. Then the robbers, six in number, went through the pockets of the luckless victims and secured coin and trinkets to the value of several hundred dollars.

An electrician was shot because it was thought that he was trying to escape.

There is no clue as to who are the perpetrators of the robbery. All Portland stands aghast at the crime, committed right in the outskirts of the town.

#### The Chautauqua

The tenth annual meeting of the Willamette Valley Chautauqua Association began Tuesday. Never did the meeting open under more favorable or auspicious circumstances. Even the weather, which for the first several days in July was not all that could be desired, was as perfect as perfect could be, and the smiling skies greeted the hundreds of campers. Not a cloud hung in the azure sky; a sweet, cool breeze floated down from the mountains and all nature seemed to rejoice.

A week before the Chautauqua grounds had been inhabited only by the mammoth auditorium and the noiseless firs that reared their giant tops heavenward. Today hundreds of white tents have sprung as if by magic from the ground and a veritable city of tents inhabited by from one to two thousand people fill the old camp grounds, all busily engaged in having a good time.

The Chemawa Indians arrived in full force the first of the week and are now encamped upon the grounds. Their band furnishes much of the music for the occasion and they are a never-ending source of entertainment and study to the Chautauqua goer.

The address of welcome was delivered by the president of the Association, W. O. Hawley, of Salem, and the response was delivered by Colonel R. A. Miller, of this city. Both gentlemen spoke in their usual and entertaining style.

#### CHAUTAUQUA BASE BALL

The Chemawa Indians defeated the Sunnyside Woodmen in the first Chautauqua game Tuesday afternoon by a score of 21 to 6. The game was not interesting. The Woodmen put up a very good exhibition of how not to play ball.

Wednesday afternoon Oregon City was defeated by the Schillers by a score of 10 to 12. Letto, who pitched for the home team, was batted all over the lot. Hoyt, for the visitors, played good ball.

The pitching of Letto looked very suspicious. He has heretofore pitched great ball, but the way he was hit in the game Wednesday caused many to make the charge that he had sold out. Neither team played brilliant ball. In fact the game was what might be termed "rotten."

Oregon City was forced to play in an old uniform they could get. P. G. Shark, who is the manager for the regular organization here, refused to allow his suits to be turned over to the aggregation of Ed. Reckner, and several of the regular players refused to play with Reck's team and joined forces with the Schillers. The game today (Thursday) is between the Chemawa Indians and the Vancouver Maroons.

She Can't Enjoy The Baby

Unless she is a healthy mother. No woman can. If the baby has drained her vitality, if its care is a tax; if, in short, the baby is a burden instead of a blessing, how can she enjoy it? She loves it, but she cannot feed it. She yearns for it, but has not the strength to fondle it.

There is nothing more beautiful in the world than a healthy mother and her healthy child. The madonna is the highest reach of human art. In the serene strength which art gives to the typical mother and child there is distinct denial of suffering and weakness as a necessity of motherhood. But how few women are there to whom motherhood is naturally an abiding joy. In how many cases a woman dates her loss of health from the birth of her child! To all such suffering women Dr. Pierce's Favorite Prescription comes as a veritable god-send. It prepares the mother for her hour of trial, tranquilizes her nerves, encourages her appetite, and brings her restful sleep. It makes the baby's advent practically painless, and gives the mother abundant strength to nurse and nourish her child.

Every claim made for "Favorite Prescription" is supported by the testimonials of wives and mothers, thousands in number, and covering in their several experiences the whole range of womanly suffering. In a great number of cases after the utter failure of all doctors and medicines, Dr. Pierce's Favorite Prescription, tried as a last resort, has effected a perfect and permanent cure.

Sick women are invited to consult Dr. Pierce by letter free. All womanly confidences held under the seal of strict professional privacy. Address Dr. R. V. Pierce, Buffalo, N. Y.

There is no alcohol in "Favorite Prescription" and it is entirely free from opium, cocaine, and all other narcotics.

#### Between Life and Death.

"I think Dr. Pierce's Favorite Prescription and 'Golden Medical Discovery' the best medicines in the world," writes Mrs. Amelia Dougherty of Kerrigan, Wayne Co., Mo. "My baby was born last summer. After baby came I became ill, had the best physician that could be got, and he diagnosed my case as uterine trouble leading to dropsy. Medicine seemed to do me no good; I lingered between life and death for quite a while, every day growing weaker, until I could not walk across the room. My friends were looking for my death every minute. A friend wrote and told me about Dr. R. V. Pierce, and I at once wrote to him for medical advice. He replied immediately, giving me full instructions as to what to do. I at once followed his advice, and when I had taken his medicine about a week I felt a good deal stronger. When I had taken it about one month I felt as strong as I do to-day. I took four bottles of each kind and two vials of 'Pleasant Pellets.' Many thanks for the medicine. It has cured me permanently."

#### Gained 40 Pounds.

"I am very glad to let other poor sufferers know what Dr. Pierce's medicines have done for me," writes Edwin H. Gardner, of Beechwood, Norfolk Co., Mass., Box 79. "You know I wrote to you last summer. I read what your medicine had done for other people, so I bought a bottle of 'Favorite Prescription' to try. I took three bottles of 'Favorite Prescription' and three vials of 'Golden Medical Discovery' and I had no appetite and could not eat much without it distressing me before I took your 'Favorite Prescription' and I only weighed 135 pounds. Now I weigh 175 pounds."

Dr. Pierce's Pleasant Pellets commend themselves as a family laxative. They are easy to take, effective in results, and their use does not beget the pill habit.
