

12 Minutes for Lunch.

That is the average time spent in a large city restaurant by three thousand lunchers. It takes three hours to digest a fresh egg soft boiled. In fact, three hours is about the time required to digest the average twelve minute lunch. The object of the busy lunch is to let the busy man get back to his office work. But when the brain is active, the stomach is inactive for lack of necessary blood. The natural consequence is indigestion, and indigestion opens the door to many diseases.

Indigestion is cured by use of Dr. Pierce's Golden Medical Discovery, which cures diseases of the stomach and other organs of digestion and nutrition, and enables the perfect digestion and assimilation of food.

\$3,000 FORFEIT will be paid by the World's Dispensary Medical Association, Proprietors, Buffalo, N. Y., if they cannot show the original signature of the individual volunteering the testimonial below, and also of the writers of every testimonial among the thousands which they are constantly publishing, thus proving their genuineness.

"I had stomach trouble from childhood and suffered with it more or less as I grew up," writes Mr. William Sennan, of Washington, Orange Co., N. Y. "At the age of 26 I was broken down with dyspepsia. My suffering was terrible. Could not eat without distress. Could only eat a few certain things and was not able to work half the time. Everything I tried only gave me temporary relief. My wife finally persuaded me to try Dr. Pierce's Golden Medical Discovery and Pleasant Pellets. I took six bottles of the 'Golden Medical Discovery' and two vials of Dr. Pierce's Pleasant Pellets. I then felt so well that I stopped taking medicine."

DEATH HAS GRIPPED GENERAL CASSIUS CLAY.

Famous Kentuckian Died at His Home in White Hall, Aged 93-Some Sensational Episodes in Clay's Life are Recalled.

Lexington, Ky., July 22.—General Cassius Marcellus Clay, ambassador to Russia under President Lincoln, noted abolitionist and author, died at his home White Hall in Madison county, at 9:10 o'clock tonight. Death was due to general exhaustion.

General Clay was born October 19, 1810, in Madison county. He led a stirring life, which began to tell on him in late years. He believed a conspiracy to assassinate him had been formed and some years ago fortified his home, Whitehall, and entered a life of seclusion that ended only a few weeks ago, when the courts appointed a committee to take charge of him and his effects.

He was found desperately ill and has had every care since. The surviving children are Brutus J. Clay, prominent in national politics, of Richmond; Miss Laura Clay, noted as an exponent of women's suffrage, Lexington; Mrs. Dabney Orenshaw, Richmond, Va.; Mrs. Mary Barr Clay and Mrs. James Bennett of Richmond, Ky.

His children were all at his bedside. Some of them have not been in their father's house or seen him in years because of his peculiar hallucination that they were in a vendetta sworn to kill him. Clay was one of the most picturesque figures in American politics in the sixties. His home at White Hall has been guarded by armed men. A loaded cannon sits in his hallway and his room is a veritable arsenal, gathered for the purpose of repelling an attack of an imaginary vendetta.

General Clay fought several duels when in active politics and his abolition sentiments drew him into several bloody fights in Kentucky.

Several years ago Clay created a great sensation by marrying a 16-year-old country girl. The girl was very ignorant, but Clay said he would educate her. Life with the venerable general, however, palled on Dora and she fell in love with a young man named Brock. When Clay was informed he allowed Dora to get a divorce and fixed a sum of money for her when she married Brock. Some time ago Brock was killed in a railroad accident and since then Clay has been importuning Dora to return.

Portland Grocers

Had a Big Time at Camenah Park.

Sports of Divers Kind Enjoyed by Many.

The second annual picnic of the Portland Retail Grocers' Association, was held in Camenah Park in this city Sunday. About five hundred grocers and clerks were in the city, many of whom were accompanied by their families. A large number of races and other sports events were held, and altogether the affair was a most successful one, exceeding the anticipations of the committee in charge. Besides the large crowd that came down from Portland, excursion from Albany brought another crowd of several hundred people.

The sporting events opened with a baseball game between the Grocers and City Salesmen. It was certainly a hummer. On a seven innings were to have been played, but at the end of the seventh the score was tied each side having four runs. Then for four innings neither team was able to get a run across the home plate. In the 11th inning the grocers secured the desired run and won the game.

The fat man's race was won by a local grocer named Green. The contestants in this race all weighed over 200 pounds, but all of them were sprinters and made excellent time. The prizes were a clock and a pipe.

Lewis Munson won first prize in the boys' race and Elmer King the second. Each of the winners received a baseball bat.

In the boys' race, 15 to 21, J. G. McElroy of Portland and Walter King of Oregon City, were the winners, the prizes being a pair of boxing gloves and pocket knife.

In the grocers' race G. Woolley, E. R. Raymond and M. Ziegler, all of Oregon City, were the winners. The prizes were an umbrella, nail puller and pair of slip pers.

In the clerks' race there were a number of contestants, the prizes being a gold watch fob, valued at \$15, \$5 in cash and a handsome belt. The winners were McElroy, W. Long, of Oregon City and M. D. Bartlett.

A girls' race under 12 years in which the prizes a pair of shoes, a box of bonbons and a pair of gloves, was won by Gertrude Thomas, Maude Farr and Xarissa Onesby.

Another girls' race under 18 was won by Stella Mimms, Myrtle Padlock and Julia Shellchick. The prizes in this race were a silk waist pattern, prize parasol and a pair of gloves.

A sack race in which a number of boys under 18 contested. It was won by Ben Luengford, S. Samonson and Ohas. Sengor. The prizes were a ham, a 3-lb can of coffee and 2 lb of tea.

One of the most amusing contests in the whole lot was a watermelon eating contest. The prizes were won by the three boys from Missouri, whose names are not obtainable. A pie eating contest also furnished a fund of much amusement. The winners in this race were Fred Rapport and Martin Schler.

A wheelbarrow race was won by G. Simmons.

In the tug of war Oregon City was victorious and each of the contestants were given a sack of flour on the winning side, while the losing side each received a package of "force."

A married women's contest was won by Mrs. Johnson, of Portland. She received a 34-piece silver set. The egg race was won by two Portland boys whose names are not obtainable.

Baby Gwynne won first prize in the baby show. In the ladies prize waltz Miss Florence McCullough, of Portland took first honors.

The best gentleman waltzer was Mitch Hickey. Excellent order and general good humor prevailed. Dancing was indulged in until nearly midnight, when the grocers took their cars for their homes.

LIVELY FIGHT.

Oregon City Youth and Fair Portland Troughs Engage in Fisticuffs.

About nine o'clock last Sunday evening a young man named Cox was walking along the Camenah walk in company with a lady friend, two young bloods standing by the railing offered him an insulting remark. Young Cox turned and struck one of the smart alecks in the face, when he was immediately pounced upon by the other. The two general mix up for several minutes in which the lady did all in her power to assist her escort. When the melee had come to the conclusion there were sundry black eyes and bleeding noses. The two toughs immediately boarded a car for Portland, where they are supposed to live. Young Cox suffered a very badly bruised eye, but was otherwise uninjured. It was at this same place one night last week that two Canemah young ladies were stopped by a scoundrel and very badly frightened.

The Perfect Liver Medicine.

Mr. M. A. Jolley Noble, O. T., writes: "I have used Herber's for a number of years, and can cheerfully recommend it as the most perfect liver medicine, and the greatest blood purifier. It is a medicine of positive merit, and fully accomplishes all that is claimed for it." Malaria cannot find a lodgment in the system while the liver is in perfect order, for one of its functions is to prevent the absorption of fever producing poisons. Herber's is a most efficient liver regulator and is at Charman & Co's.

The Cause of Many Sudden Deaths.

There is a disease prevailing in this country most dangerous because so deceptive. Many sudden deaths are caused by it—heart disease, pneumonia, heart failure or apoplexy are often the result of kidney disease. If kidney trouble is allowed to advance the kidney-poisoned blood will attack the vital organs, causing catarrh of the bladder, or the kidneys themselves break down and waste away cell by cell.

Bladder troubles almost always result from a derangement of the kidneys and a cure is obtained quickest by a proper treatment of the kidneys. If you are feeling badly you can make no mistake by taking Dr. Kilmer's Swamp-Root, the great kidney, liver and bladder remedy.

It corrects inability to hold urine and scalding pain in passing it, and overcomes that unpleasant necessity of being compelled to go often through the day, and to get up many times during the night. The mild and the extraordinary effect of Swamp-Root is soon realized. It stands the highest for its wonderful cures of the most distressing cases.

Swamp-Root is pleasant to take and is sold by all druggists in fifty-cent and one-dollar size bottles. You may have a sample bottle of this wonderful new discovery and a book that tells all about it, both sent free by mail. Address, Dr. Kilmer & Co., Binghamton, N. Y.

When writing mention reading this generous offer in this paper. Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.

Lake Shore.

Miss Edith Toon closed a most successful term of school July 22, in school district No. 98, and a grand picnic was given in honor of the same by the good people of Lake Shore. The picnicers assembled near Union Mills at the place known as the old Indian camping ground. The weather was most propitious. Everyone seemed to enjoy themselves. After a good program the crowning feature of the day, which was the graduation of Miss Edith Toon, a most beautiful dinner was served. The tables were loaded with all the good things the Willamette valley affords and that is saying a great deal. Mr. D. L. Trullinger entertained with his phonograph, which being a good one, furnished amusement for many.

The hours sped and soon came the time for parting. Everyone was happy and all declared that they had spent a most pleasant time.

The school was assisted in the program by Miss Florence Toon, of Portland, Misses Belle and Goldie Murphy, of Mulino and Misses Jennie and Jessie Atkins, of Liberal; Mrs. Gebel and Mrs. Boynton, of Woodburn; A. Engle, of Molalla; Ben Marshall of Clarks, and Edgar May, of Meadowbrook, honored as with their presence.
