Schools and Teachers

Books Will be in Order For all the Little Folks Next Week.

Annual Meeting of the County "Pedagogues" at the Barclay High School.

On next Monday morning the schools of Oregon City will throw open wide their doors and the hundreds of children of this city with books under their arms and smiling happy faces will wend their way to school. The Board of Directors of the Oregon City schools held their last and final session on Wednesday evening preparatory to the beginning of school on next Monday. Every thing is now in readiness. Miss Cassie Eaton was elected teacher to take the place of

Miss Prentice who recently resigned.

The Board of Directors of the Oregon
City schools is composed of the following well known citizens: Dr. W. E Carll, President and member of the Board, Hon. C. O. T. Williams, secretary of the Board, Charles Caufield, Charles Albright, Hon. George H. Harding, Judge Thomas F. Ryan.

To these men much of the success of the Oregon City schools is due. They have given their time and ability to make the schools of this city the best in the state.

THE CORPS OF TEACHERS

The corps of teachers of the Oregon City schools this year is the same as last year with the exception of the principal of the Eastman school and the places which were filled in the various de-partment on account of s me of the teachers resigning their positions.

The teachers are as follows: Miss Adda E. Clark, superintendent of the city schools and principal of the Barclay school and teacher of the Tenth Grade Miss Viola Godfrey assistant superintendent of the Barclay school, Mrs. Nellie McAdams, principal of the

Eastman school.
First Grade-Miss Francis Myers, Eva Meldrum and Marguerette Wil-liams; Second Grade-Marjorie Caufield and Miss Harriet Cochran; Third Grade—Misses Nettie Walden and Helen Gleason; Fifth Grade—Misses Cassie Eaton and Alice Shannon; Seventh and Eighth Grades-Miss Clara Boring ; Eighth and Ninth Grade -Mrs.

The teachers in all departments are an exceptionably bright lot of young ladies. It will be noticed that there is not a man connected with the schools in any department which speaks volume for the chivalry of the Board of directors.

Superintendent Zinser has had the good of the Oregon City schools much at heart and to his efficient superintendency much of the present high status of the school is due.

When the school bells ring on next Monday morning it is thought that six or seven hundred children of all ages will respond and be on hand to register for the fir t days work.

THE TEACHERS INSTITUTE.

The teachers institute has been in session in Oregon City during the week and practically all of the teachers of the county have been in attendance.

Vigor that Makes Living a Pleasure.

If you are sick and out-of-sorts, it is in your power to make yourself healthy, strong, and

happy.

There is not the slightest reason why you should go through life feeling sickly, miserable, languid, and melancholic. To be well and

ng, means happiness and true joy. If you are sleepless, rheumatic, neuralgic, dyspeptic, or have the shadows of disease hovering over you; if you are not as bright, energetic, and strong as you were some weeks ago, the use of Paine's Celery Compound will tone up and fortify your whole system, cleanse the blood, correct digestion, sharpen the -Hon. The State Fair at Salem this week has been the Mecca towards which hundreds of Clackamas counto citizens have turned their eyes. Many have gone in wagons taking their entire families and will camp on the Fair grounds and make a week's outing of it. Hundreds more have gone by the Southern Pacific Railroad and are having just a good a time. The Fair programme this year is an ex-cellent one, probably the best that has been presented to the people of Oregon. The trots and the running races offered great attractions and all of "the boys" are taking in the good things and "picking the winners.

KIDNEY COLDS.

Easily Recognized and Easily Cured, as Many Oregon City Folks Know

You've had a cold, so has everyboky. Did it ever settle in your back— In the "small" just over the hips? Stay there, with a steady ache, Make life miserable? That's a "Kidney Cold"

You can stop it. H. R. McCarver, of 291 Cherry St., Portland, inspector of freight for the Trans-Continental Co, a man who is well known among the railroaders of Portiand, says; "Doan's Kidney Pills are among the few patent remedies which do all that is claimed for them, and they have my thorough confidence. I used them for headache and other ver marked symptoms of kidney trouble which had annoyed me for months. I think a cold was responsible for the whole trouble. It seemed to settle in my kidneys. Doan's Kidney Pills rooted it cut. It is several months since I used them and up to date there has been no recurrence of the trouble. I have recon.mended them to a number of the boys about the freight house and I know if they give them a fair trial they cer-tainly must have been pleased with the results."

Plenty more proof like this from Oregon City people. Call at C. G. Hunt-ley's drug store and ask what his customers report.

For sale by all dealers. Price 50c. Foster-Milburn Co. Remember the name Doan's and take no other.
