The Old Settler.

BY AN OLD TIMER.

I'd wandered all over the country, Prospecting and hunting for gold; I'd tunneled, hydrauliced and cradled, And I had been frequently sold. For one that gets rich by mining, Perceiving that hundreds get poor, I made up my mind to try farming, The only pursuit that is sure. So rolling my grub in my blankets, I left all my tools on the ground, And started one morning to stank it To a country they call Puget Sound. Arriving flat broke in mid winter, I found it enveloped in fog And covered all over with timber Thick as hair on the back of a dog. As I looked on this prospect so gloomy The tears trickled over my face, For I thought that my travels had brought me To the edge of the jumping off place. I took up a claim in the forest, And set my self down to hard toil, For two years I chopped and I niggered, But I never got down to the soil. I tried to get out of the country, But poverty forced me to stay, Until I became an old settler Then nothing could drive me away. And now that I am used to the climate, I think that if man ever found A place to live easy and happy That Eden is on Puget Sound. No longer the slave of ambition, I laugh at d and its shams, And think of my happy condition Surrounded by acres of clams.

There is more catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease, and prescribed local remedies, but by constantly failing to cure with local treatment, pronounced it incurable. Science has proven catarrh to be a constitutional disease, and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials. Address F. J. CHENEY & CO., Toledo, O. Sold by Druggists. Hall's Family Pills are the best. Raised From the Dead. C. W. Landis, "Porter" for the Oriental Hotel Chautauque, Kan., says "I knew what it was to suffer with neuritis indeed I did, and I got a bottle of Hall's Snow Liniment and I was raised from the dead." I tried to get some more, but before I had "disposed" of my bottle, I was cured entirely. I am telling the truth too," 25c, 50c and \$1 at Charman & Co's.

KIDNEY COLDS.
Easily Recognized and Easily Cured, as Many Oregon City Folks Know
You've had a cold, so has everybody. Did it ever settle in your back—In the "small" just over the hips? Stay there, with a steady ache, Make life miserable? That's a "Kidney Cold" You can stop it.
H. R. McCarver, of 291 Cherry St., Portland, inspector of freight for the Trans-Continental Co., a man who is well known among the railroaders of Portland, says: "Doan's Kidney Pills are among the few patent remedies which do all that is claimed for them, and they have my thorough confidence. I used them for headache and other very marked symptoms of kidney trouble which had annoyed me for months. I think a cold was responsible for the whole trouble. It seemed to settle in my kidneys. Doan's Kidney Pills rooted it out. It is several months since I used them and up to date there has been no recurrence of the trouble. I have recommended them to a number of the boys about the freight house and I know if they give them a fair trial they certainly must have been pleased with the results."
Plenty more proof like this from Oregon City people. Call at C. G. Huntley's drug store and ask what his customers report.
