BONE FOOD

Soft and crooked bones mean bad feeding. Call the disease rickets if you want to. The growing child must eat the right food for growth. Bones must have bone food, blood must have blood food and so on through the list.

Scott's Emulsion is the right treatment for soft bones in children. Little doses every day give the stiffness and shape that healthy bones should have.

Bow legs become straighter, loose joints grow stronger and firmness comes to the soft heads.

Wrong food caused the trouble. Right food will cure it.

In thousands of cases Scott's Emulsion has proven to be the right food for soft bones in childhood.

Send for free sample. SCOTT & BOWNE, Chemists, 409-415 Pearl Street, New York, N. Y. sec. and dr. o.; all druggists.

NATIVE SONS AND DAUGHTERS.

To Organize a Society in Clackamas County and Have Reunions.

At the meeting of those interested last Saturday in this city, steps were taken towards the organization of a society called the Native Sons and Daughters of Clackamas County.

The society has no connection, nor is it in any way like, the old order of Native Sons, a lodge of which at one time existed in this city.

At the meeting Saturday, which was held in the office of O. Eby, a committee was appointed to adopt a constitution and bylaws, to report at an adjourned meeting to be held in this city on October 28th.

This committee consists of H. J. Starkweather, of Milwaukie, Warren Greenwell, of Damascus, E. C. Hackett, of Parkplace, M. A. Magoon, West Oregon City and W. P. Kirchem, of Logan, and R. A. Miller, and O. D. Eby of Oregon City.

A temporary organization was effected, with Mr. Starkweather, of Milwaukie as president and O. D. Eby, of this city secretary.

The object of the society is to hold one or two reunions annually, at which all the native sons and daughters in the county and surrounding counties will be invited to attend, as will all of their friends.

It is the intention to make of these meetings great outdoor picnics, where dinner will be served on the grounds, speechmaking engaged in a program of a literary nature rendered and a general all around good time enjoyed.
