Additional Local.

Oregon City has been blessed with two weeks of beautiful weather.

Herbert Courtney filed a complaint against H. H. Rutherford Wednesday morning, charging him with assault. The two men work in the same department in the W. P. & P. Co. and because Courtney failed to do some work to suit

the fancy of Rutherford they had a difference which resulted in a passage at arms. Courtney sustained a broken nose and other injuries. Rutherford was tried before Justice Stipp Wednesday afternoon and was fined \$10 and ten days in jail.

The Oregon Iron & Steel Company has brought a replevin suit against Messrs. Hughes and Dale who removed the mammoth meteorite from the Iron Works' land some time ago. Hughes, who has had charge of the meteorite, has been charging all comers 25 cents a piece to see the meteor, but since the suit has been brought he has quit charging.

Beautiful Clear Weather.
