We are having fine weather in Highland. "Spuds" are nearly all dug. Some of the farmers have wheat and oats in the ground to grow. Tommie Farlow is visiting friends and relatives. Mrs. Nellie Parish has been very sick, but her many friends are glad to learn that she is better. Nettie Miller's smiling face is again seen in Highland. Miss Blanche Miller is attending school in Oregon City. Highland Grange is still progressing. Seven new members were initiated at the last meeting and has two more applications. It was voted to give a masquerade ball and oyster supper on Christmas Eve. Everybody is invited. Come one, come all. Twine the burlaps around your head and come right along. A good time is insured for all. Mr. Van Donge, while harrowing in his field a few days ago, the horses started to run and one horse fell, and the other pulled the harrow onto him. The horse, which fell was so badly injured that it had to be shot.

Russellites are all busy doing up their late fall work. The Rich Lumbering Co. is busy building on their new site. They are hauling loads of furniture to their new homes, which shows that they are prospering. The Russellville school is progressing under the supervision of Mr. Percy Ritter, of Neady. Butcher Welch, of Oregon City, was in this neighborhood purchasing beef cattle a few days ago. The early snow storm was a great hindrance to the winter miners. A wind storm some time ago filled the mountain road with timber. L. B. Trullinger, a resident of Russellville, has gone to Iowa to visit his parents, whom he has not seen for fifteen years. Messrs. Johnson and son have made some improvements on their place.

**Apron Sale and Lunch.**

The Ladies Aid Society of the Presbyterian church will give an apron sale and serve lunch in the old post office room on Main street, Oregon City, on Wednesday evening Dec 10th. The lunch will be delightful, and the articles for sale first class values. The public is cordially invited.

**Married.**

Mr. G. W. Vaughan and Sarah E. Lakin were united in matrimony at the Congregational Manse December 5. Rev. E. S. Bollinger tied the knot. The parties hail from Eastern Oregon and have passed on to California on a wedding tour.

There was a hard frost again last night, but the sun is shining again this morning.

Christmas is all the talk now, and we have a new organ for the Mountain View church.

Rev. Stark will preach at the church next Sunday at 4 o'clock. The new organ will be dedicated at that time.

Mr. Smalley has moved into the Harrington house lately vacated by the Ott family.

Mr. Clark has moved onto the Bethke place, near Brown & Welsh's slaughter house.

J. D. Locke and B. R. Kimmell are rebuilding Petzold's slaughter house, which burned down last week.

Harry Kinder and wife have moved to Mrs. Edgecomb's for the winter. Mr.

Kinder is working at Jones' sawmill. Miss Maud Moran went to Portland last Saturday to see Ben Hur. Mrs. Matlon Moran, of Portland, is visiting relatives and friends here this week.

Walt Curran is hauling wood for Everhart & Hall again.

The bible study of the Sunday school lesson will be held at the home of Mrs. Moran next Thursday at 2:30.

C. E. Surface, of Elwood, was in Oregon City again last Saturday and Sunday. The effects of liquor drinking created quite a little excitement here one day last week. The victim, B'n Stringer, made many apologies since for his insane actions.
