

LAST WEEK TO BUY HOLIDAY GOODS

This is a week when you will have to do a lot of hard thinking.

A week of worry. Every day now that passes without making selections makes choosing harder.

While our trade for the past few weeks has been a record-breaker, the assortment has sold pretty evenly so that we enter upon the last week of our holiday business with a very complete stock. However, it is not likely this condition will last much longer, so that it is to your interest to make your selections as soon as you can. Right here we want to thank our friends for the many kind things they have said about our stock. There certainly never has been such a wide variety shown in Oregon City before and we are very glad to have had such favorable comments regarding quantity, quality and price. Let us again invite you to come in and look around.

WEDDING BELLS.

A Pretty Wedding at the Residence of R. P. Hall.

On Wednesday evening, at the residence of R. P. Hall, N. E. Miner of Linn county and Miss Grace E. Hall were united in the holy bonds of wedlock. Rev. J. H. Wood, of the Methodist church, performed the marriage ceremony. The groom is a prominent young farmer of Linn county and a highly respected citizen. Miss Hall is the accomplished and lovely daughter of Mr. and Mrs. R. P. Hall. The residence was beautifully decorated for the occasion. Some thirty invited guests were present to witness the nuptial rites. After the ceremony a wedding dinner was served. The young folks left last evening for Portland and on Friday will return to the groom's home in Linn county, where they will make their future home.

Young People's Congress.

The Young People's Congress of which Rev. J. H. Beaven is the promoter and acting president, held a very interesting at the Baptist church on last Friday evening. The Congress is composed of the pupils in the seventh, eighth and ninth grades of the Barclay and Eastham schools. The subject under discussion on last Friday evening was "Manchuria and its Relations to Russia and the Chinese Opium Trade." Those speaking for China were Rosa Eaton and Ruth Latourrette and those speaking against China were Ora Welsh and Helen Bollinger. The discussion was animated and able. The Congress is proving a great educator for the young folks.
