Dragging Pains

2825 Keeley St., CHICAGO, ILL., Oct., 2, 1902. I suffered with falling and congestion of the womb, with severe pains through the groins. I suffered terribly at the time of menstruation, had blinding headaches and rushing of blood to the brain. What to try I knew not, for it seemed that I had tried all and failed, but I had never tried Wine of Cardui, that blessed remedy for sick women. I found it pleasant to take and soon knew that I had the right medicine. New blood seemed to course through my veins and after using eleven bottles I was a well woman.

Mrs. Bush

Mrs. Bush is now in perfect health because she took Wine of Cardui for menstrual disorders, bearing down pains and blinding headaches when all other remedies failed to bring her relief. An sufferer may secure health by taking Wine of Cardui in her home. The first bottle convinces the patient she is on the road to health.

Home Team Won.

The game of indoor baseball at the local Y. M. C. A. gymnasium last Saturday night resulted in a victory for the local team by the decisive score of 30 to 8. The visiting team was made up of talent from Company E, Portland, O. N. G. Next Saturday night Secretary Leavens announces there will be another indoor baseball game, as well as a basket ball contest between the local team and the intermediates from the Portland Association.

NEEDY.

Miss Myrtle Smith has gone to Oregon City to work.

Dick Garrett will give one of his popular dances in Thompson's hall, January 30th.

The I. O. O. F. hall is about completed and is one of the finest of its kind in the state. The lower room has been arranged for a store building. Here is a fine opportunity for some wide awake person to establish a successful mercantile business.

Uncle Henry Wolfer has been rebuilding his fence along the public highway during the past week.

Mrs. Gleather and Mrs. J. D. Ritter spent a pleasant afternoon visiting Mrs. D. Zimmerman one day last week.

Harry Garrett made a business trip to Woodburn during the past week.

J. D. Ritter and family visited friends at Marks Prairie last Sunday.

Your Marks Prairie correspondent confesses of having had a hand in the "Xmas night opposition" affair also. It would have shown greater credit to himself had he remained silent. As to me getting my foot into it, I don't understand him, but my usual way is to be in anything with both feet, as regard to being more careful in the future, I will say that it will be the better part of wisdom for him to follow his own advice for we shall in the future, as in the past, continue to report the facts as they appear. He tries to drive home a pointer by saying that it doesn't look well to buy a spectator's ticket and then dance as much as anyone. Shame on you to use such a "little" statement in your defence! I admit that I purchased a spectator's ticket for 15 cents and my intentions were to only spectate, but there were others who did not pay a cent to spectate and danced more than I, you say I danced as much as anyone? In the first place the masks were not taken off until about eleven or half past eleven o'clock there being the enormous number of nine couple. Then seeing everybody else dancing, those who had paid and those who did not pay, I thought it was free for all and so from about 11:30 until about 1 o'clock, I danced, when I wasn't busy with other affairs. However, if you desire the other 35 cents for which I didn't dance, I shall be glad to give it to you in order to restore peace to your troubled soul. It seems to me if you desired to make a defence of some kind you should have tried to say something to prove to the people that you did not give the dance for the purpose of interfering with the other. Why didn't you? In conclusion I wish to say that I always pay my way and I wouldn't be guilty of defrauding anyone out of a cent, and I again ask you to come and get the 35 cents if you honestly think I tried to beat you or give me your address and I will send them to you.

There will be a masquerade ball at the Grange hall on the 22 of February.

A. H. Olmstead has been employed as chessmaster for the year.

Marsh Frakes has the contract to supply 60 cord ticks of wood for the factory.

The political battle between Socialism and Democracy, as expounded by Myers and Nelson is entertaining. Go it, boys.

A. J. Johnston and wife a big new son at their house. Better late than never, Andrew.

Found a Cure for Indigestion.

I use Chamberlain's Stomach and Liver Tablets for indigestion and find that they suit my case better than any dyspepsia remedy I have ever tried. I am nearly fifty years of age and have suffered a great deal from indigestion. I can eat almost anything I want to now—Geo. W. Ewory, Rock Mills, Ala. For sale by Geo. A. Harding.

Derthick Club Entertained.

The Derthick Musical and Literary Club happily entertained its members and invited guests at the home of Mr. and Mrs. C. Caufield last Friday night. About 75 members and friends were in attendance, and notwithstanding the stormy evening, a most pleasant time was enjoyed. The hostesses for the evening were Mesdames C. H. Caufield, P. K. Hammond, C. G. Miller, Clark Ganong and R. L. Holman.

Progressive finch was played until a late hour. The first prizes were won by Harry Draper and Mrs. Jack Moffett, and the consolation prizes went to Mr. and Mrs. J. E. Hedges. After the games were concluded several musical selections were rendered, including a solo by Mrs. Eckstrom, nee Morey, and instrumental numbers by several others. Light refreshments were served, after which dancing was indulged in, this feature taking the form of a leap year party, the ladies choosing their partners. Upon the final rearing up of the party expressions were general at the success of the evening's entertainment.

Sola Circle Installed Officers.

Sola Circle, Women of Woodcraft, installed officers last Friday night in the Woodmen Hall. There was a good attendance, and a most successful installation was performed. Past Guardian Mrs. May Dolan installed the new officers. The installation was followed by a programme and supper. The new officers installed are as follows: Dora Winkle, past guardian; Sadie Gault, guardian neighbor; Mary Thomas, advisor; Maggie Hamilton, magician; Ethel Waldron, attendant; Luvnia Walker, captain of the guard; R. W. Brown inner sentinel; I. D. Taylor outer sentinel; Carrie Parker, clerk; F. S. Scripture, treasurer; Mrs. Osborne, musician; Eva Frost, manager.

Climatic Cures.

The influence of climatic conditions in the cure of consumption is very much over drawn. The poor patient, and the rich patient, too, can do much better at home by proper use of German Syrup, and a regular use of German Syrup. Free expectation in the morning is made certain by German Syrup, so is a good night's rest and the absence of that weakening coughing and debilitating night sweat. Restless night and the exhaustion due to coughing, the greatest danger and dread of the consumptive, can be prevented or stopped by taking German Syrup liberally and regularly. Should you be able to go to a warmer climate, you will find that of the thousands of consumptives there, the few who are benefited and regain strength are those who use German Syrup. Trial bottles, 25c; regular size 75c at Charman & Co.

Cured Lumbago.

A. B. Canman, Chicago, writes March 4, 1903: "Having been troubled with lumbago at different times and tried one physician after another; then different treatments and liniments, gave it up altogether. So I tried once more, and got a bottle of Ballard's Snow Liniment, which gave me almost instant relief. I can cheerfully recommend it, and will add my name to your list of former sufferers." 25c, 50c and \$1. Charman & Co.

LOGAN.

M. Rowan has moved to the Walter Holcomb place.

On January 4, the following officers were elected for ensuing year by the Logan Cheese Mfg. Co.: President, Fred Gerber; vice-president, A. J. Johnston; other directors, Fred Moser, J. C. Sprague, F. P. Wilson; secretary and treasurer, O. D. Bobbins. The average price paid for milk during the year was \$1.10 per cwt, 5 cents more than last year.

Geo. Clark is hauling lumber to make some improvements on his farm.

Mrs. L. E. Robbins found a cluster of strawberries, placed the stems in water and they are ripening. Strawberries growing in Jan! Wouldn't that jar our Eastern brethren.

B. C. Hawley, L. H. Kirchem and O. D. Robbins attended the Jackson banquet and absorbed enough Democratic enthusiasm to last a long time.

There will be a masquerade ball at the Grange hall on the 22 of February.

A great truth is beginning to dawn upon the so-called enlightened world that truth is self development. Wish many it is too much like trying to fool God, and get into heaven during the night.

Strayed,

A roan, one-year old heifer strayed about September 1st from my place; branded "T" on right hip. Liberal reward paid for recovery of the heifer by addressing:

Women as Well as Men Are Made Miserable by Kidney and Bladder Trouble.

Kidney trouble preys upon the mind, discourages and lessens ambition; beauty, vigor and cheerfulness soon disappear when the kidneys are out of order or diseased.

Kidney trouble has become so prevalent that it is not uncommon for a child to be born afflicted with weak kidneys. If the child urinates too often, if the urine scalds the flesh, or if, when the child reaches an age when it should be able to control the passage, it is yet afflicted with bed-wetting, depend upon it, the cause of the difficulty is kidney trouble, and the first step should be towards the treatment of these important organs. This unpleasant trouble is due to a diseased condition of the kidneys and bladder and not to a habit as most people suppose.

Women as well as men are made miserable with kidney and bladder trouble, and both need the same great remedy. The mild and the immediate effect of Swamp-Root is soon realized. It is sold by druggists, in fifty-cent and one-dollar size bottles.
