

"FOR ALL CATARRHAL COMPLAINTS"

Pe-ru-na is Most Excellent," Writes Congressman John L. Sheppard.

CONGRESSMAN JOHN L. SHEPPARD.

Congressman John L. Sheppard, Member of Congress from Texas, writes: "Gentlemen:—I have used Peruna in my family and find it a most excellent remedy for all catarrhal complaints."—Congressman John L. Sheppard.

There are two things that the whole medical profession agree about concerning catarrh. The first is that catarrh is the most prevalent and omnipresent disease to which the people in the United States are subject. All classes of people have it. Those who stay in doors much and those who go outdoors much. Working classes have it and sedentary classes have it. The doctor finds catarrh to be his constant and ever-present foe. It complicates nearly every disease he is called upon to treat. The second thing about catarrh on which all doctors agree, is that it is difficult to cure it. Local remedies may give relief but they fail to cure permanently. Sprays or snuffs amount to

little or nothing except to give temporary relief. Catarrh is frequently located in internal organs which cannot be reached by any sort of local treatment. All this is known by every physician. To devise some systemic internal remedy which would reach catarrh at its source, to eradicate it permanently from the system—this has been the desire of the medical profession for a long time. Forty years ago Dr. Hartman confronted this problem. He believed that he had solved it. He still believes he has solved it. He cures thousands of people annually. During all these years Peruna has been the remedy upon which he has relied. It was at first a private prescription,

afterwards manufactured expressly for him in large quantities. This remedy, Peruna, is now to be found in every drug store and nearly every home in the land. It is the only reliable internal remedy ever devised to cure any case of catarrh, however long the case may have been standing.

A Case of Nasal Catarrh of Five Years' Standing Cured by Pe-ru-na.

Hon. Rudolph M. Patterson, a well-known lawyer, of Chicago, Ill., writes: "I have been a sufferer from nasal catarrh for the past five years and at the earnest solicitation of a friend I tried Peruna and am glad to say it has afforded a complete cure. It is with pleasure I recommend it to others."—Rudolph M. Patterson.

A course of Peruna never fails to bring relief. There is no other remedy like Peruna. Its cures are prompt and permanent.

Mr. Camillus Senne, 237 West 129th street, New York, writes:

"I have fully recovered from my catarrhal troubles. I suffered for three years with catarrh of the head, nose and throat. I tried all kinds of medicine without relief, but at last I have been cured by the wonderful remedy called Peruna.

Mr. Camillus Senne.

"I read of Peruna in your Almanac, and wrote you for advice, which I followed. After taking one and one-half bottles of Peruna I am entirely cured, and can recommend Peruna to anyone as the best and surest remedy for any catarrhal troubles."—Camillus Senne.

Hearing Lost by Catarrh—Restored by Peruna.

Mr. William Bauer, Burton, Texas, Ginner and Miller, writes:

"Some years ago I lost the hearing in my left ear, and upon examination by a specialist, catarrh was decided to be the cause. I took a course of treatment and regained my hearing for a time but I soon lost it completely. I commenced to take Peruna according to directions and have taken eight bottles in all, and my hearing is completely restored, and I shall sing the praises of Peruna whenever an opportunity occurs."—Wm. Bauer.

If you do not derive prompt and satisfactory results from the use of Peruna, write at once to Dr. Hartman, giving a full statement of your case, and he will be pleased to give you his valuable advice gratis.
