 —Mr. and Mrs. C. H. Caulfield entertained a few of their friends at their beautiful home on the bluff on Friday evening at a whist party in honor of Mr. and Mrs. L. W. McAdams. A very pleasant evening was enjoyed.  
 —Miss Grace Miller, of this city, who has just finished a successful term of school at Corvallis, left Saturday morning for Monmouth, to resume her studies at the Normal School. Miss Miller will graduate from this institution in June. She is one of Clackamas county's brightest and most successful teachers.  
 —N. Outfield is one of the best farmers in Clackamas county. He owns a fine piece of land near Milwaukie. He came to town on Tuesday to find out just how much land he owned and how much taxes he would have to pay this year. He owns exactly the same land and the same improvements this year that he owned last. Last year his taxes were \$310. This year they are \$361.31, a pretty stiff raise so Mr. Outfield thinks. The assessor told him if he would double his assessment that he had the promise of the County Judge that the tax rate would be cut in two in the middle and that his taxes would be just about the same this year that they were last. He allowed Assessor Nelson to "double him up" and behold the result. Every taxpayer in the county will find the same thing to be "4 into 1" when he comes in to see Sheriff Shaver. Mr. Outfield says that he would not so much to pay these taxes if he could see that the county was getting any good from it all, that ever since the days of Judge White the county has been going from bad to worse. Taxes getting higher a county debt piling up, and the improvements of roads and bridges practically at a stand still. In politics, Mr. Outfield in National affairs is a Republican in county politics he votes for the man and he is now of the opinion that it is a good time to have a cleaning out at the court house. He says that if this tremendous tax levy does not defeat every Republican candidate at the June election he misses his guess. There are others.

## The Sacajawea

### Entertainment

#### Highly Successful Affair Given by Red Men at the Armory Monday Night.

The Armory was filled to overflowing last Monday evening, the occasion being the Sacajawea benefit given by the Red Men. A program consisting of many excellent parts was rendered and a fund of \$125 was netted by the occasion which will be used for the monument fund.  
 The feature of the evening was spectacular pantomime. "The Captain's Reprieve," presented by warriors in full evening war dress, which was presented in a manner highly creditable and was received with much applause.  
 The program opened with the singing of "The Sleeps South Oregon's Tall Pine," by the Macabee Quartet. Fancy club swirging by Robert Warner followed the quartet.  
 A recitation, "Sacajawea," was given by Mrs. Bessie Evans-Petinger, of Portland. She responded to an encore. Miss May Mark, in Indian costume, sang sweetly "Absent" and was forced to respond to an encore.  
 C. A. Miller sang "Asleep in the Deep," which was well suited to his baritone voice. He responded to an encore with a medley.  
 The address of Colonel Robert A. Miller on "Sacajawea" followed, and was carefully listened to. The many admirable features in the character of the Indian maiden were all brought out. Miss Grace Marshall, in Indian costume, then sang a pleasing solo, and for an encore gave a Chinook song in jargon.  
 Mrs. Eva Emery Dye spoke on "Women in the Lewis and Clark Expedition."  
 An address by J. H. Howard on "Red Men of Today," followed.  
 The concluding number of the entertainment was the pantomime "The Captives' Reprieve."

### QUEEN ESTHER

#### The Great Scriptural Drama in Song at Shively's Opera House.

The musical circles of Oregon were never more interested than at present. The rehearsals for Queen Esther are attended by 70 people who are kept hard at work for several hours every evening. The leading characters are receiving special instruction during the day. And Mr. Robinson, the director, is one of the busiest men in town just now.  
 The cast will be presented next Tuesday and Wednesday evenings Feb. 16 and 17. And for those evenings the people of our community will have the opportunity of enjoying one of the best entertainments ever given by local talent: a moderate admission of 35 and 50 cents. All 50 cent tickets secured from members of the Saturday Club can be exchanged at Huntley's for reserved seats on Saturday morning.  
 Some special delightful features will be introduced. The page drill is one of the prettiest fancy drill movements ever staged. And the King's Maiden's will appear in an Oriental Drill that can not be exceeded for beauty and graceful movement. The selections of the pages and maids seem especially fortunate for all of them are taking their parts most gracefully.

# CAUGHT BY THE GRIP. RELEASED BY PE-RU-NA.

## Congressman Geo. H. White's Case. A Noted Sculptress Cured.

The world of medicine recognizes Grip as epidemic catarrh. -- Medical Talk.

Mrs. Celeste Covell writes from 219 N. avenue, Aurora, Ill.:  
 "Only those who have suffered with la grippe and been cured can appreciate how grateful I feel that such a splendid medicine as Peruna has been placed at the door of every suffering person."  
 Mrs. C. Covell.

Noted Sculptress Cured of Grip.  
 Mrs. M. C. Cooper, of the Royal Academy of Arts, of London, England, now residing in Washington, D. C., is one of the greatest living sculptors and painters of the world. She says:  
 "I take pleasure in recommending Peruna for catarrh and la grippe. I have suffered for months, and after the use of one bottle of Peruna I am entirely well."  
 —Mrs. M. C. Cooper.  
 D. L. Wallace, a charter member of the International Barber's Union, writes from 15 Western avenue, Minneapolis, Minn.:

"Following a severe attack of la grippe I seemed to be affected badly all over. "One of my customers who was greatly helped by Peruna advised me to try it, and I procured a bottle the same day. Now my head is clear, my nerves are steady, I enjoy food and rest well. Peruna has been worth a dollar a dose to me."—D. L. Wallace.  
 Lieutenant Clarence Hunt, of the Salt Lake City Barracks of the Salvation Army, writes from Ogden, Utah:  
 "Two months ago I was suffering with so severe a cold that I could hardly speak. "Our captain advised me to try it, and truly it worked wonders. Within two weeks I was entirely well."—Clarence Hunt.

Congressman White's Letter.  
 Tarboro, N. C.  
 Gentlemen:—I am more than satisfied with Peruna and find it to be an excellent remedy for the grip and catarrh. I have used it in my family and they all join me in recommending it as an excellent remedy."  
 —George H. White, Member of Congress.

LA GRIPPE is epidemic catarrh. It clutched us in its fatal clasp. Men, women, children, whole towns and cities are caught in the baneful grip of a terrible monster.  
 Pe-ru-na for Grip.  
 Mrs. Theophile Schmitt, wife of the Ex-Secretary of the German Consulate, writes the following letter from 3417 Wabash avenue, Chicago, Ill.:  
 "I suffered this winter with a severe attack of la grippe. After using three bottles of Peruna I found the grip had disappeared."  
 —Mrs. T. Schmitt.
