

IGNORANCE

Blows out the gas and furnishes the newspapers with a just and an obituary notice. "Didn't know it was loaded" may be an honest plea, but it never brought a victim back to life.

The best time to cure a cough is when it starts. Ordinarily, a few doses of Dr. Pierce's Golden Medical Discovery will cure a cough at the beginning.

\$2,000 FORFEIT will be paid by the World's Dispensary Medical Association, Proprietors, Buffalo, N. Y., if they cannot show the original signature of the individual volunteering the testimonial below, and also the names of every testimonial among the thousands which they are constantly publishing, thus proving their genuineness.

"My husband had been coughing for years and people frankly told me that he would go into consumption," writes Mrs. John Shireman of No. 256 25th Place, Chicago, Ill.

The Common Sense Medical Adviser, 1008 pages, in paper covers, is sent free on receipt of 21 one-cent stamps, to pay expense of mailing only.

A SUNDAY ISSUE OF THE JOURNAL

On the eleventh day of this month the Journal will be two years old. It is safe to say that during the last year no American newspaper has made greater proportionate strides in business, circulation or in influence.

In its mechanical equipment it has secured the very best that money could buy. Nothing has been bought to meet a temporary exigency; everything has been purchased to meet not only the present, but what at the time was believed to be the probable needs of the establishment for a long time to come.

Working Overtime. Eight hour laws are ignored by those tireless, little workers—Dr. King's New Life Pills. Millions are always at work, night and day, curing indigestion, biliousness, constipation, Sick Headache and all Stomach, Liver and Bowel troubles.

paper in any part of the United States.

Every other part of the mechanical equipment is immediately being raised to the same high standard so as to meet the increased demands which are being made upon it. Now that the evening issue of the Journal is regarded as an established institution, the logical and unavoidable outcome is a Sunday morning issue.

It is this stage that the Journal has reached. The demand for a Sunday morning issue of the Journal has become so widespread that it can no longer be resisted. Following its usual custom to meet every reasonable demand made upon it by the people it serves, and who have faithfully stood by it from the start, it has determined to put forth a Sunday morning issue on the 20th of the present month.

All arrangements are now practically completed for an superb staff of writers, men and women of national fame. It is proposed to make of the issue the most popular newspaper ever issued in Oregon. It will have its own leased wire service to cover the news fully and adequately and much more picturesquely than it has ever before been done in Portland.

Well Again.

The many friends of John Blomst will be pleased to learn that he has entirely recovered from his attack of rheumatism. Chamberlain's Pain Balm cured him after the best doctors in the town (Monon, Ind.), had failed to give relief.

Springtime is coming and Lamb & Sawyer have just received a large invoice of Victor and Spalding baseball goods, for the little kids and big kids.

Strain Too Great.

Hundreds of Oregon City People Find it so. The hustle and worry of business men, the hard work and stooping of workmen, the woman's household cares, are too great a strain on the kidneys, backache, headache, sideache, kidney and urinary troubles follow.

J. Carson, of Portland, employed at the Portland Lumber Co., foot of Lincoln St., who resides at 388 First Street, says: "I was feeling miserable; at first I did not pay much attention to it but it continued to grow worse and finally became so bad that I thought I would have to lay off work.

Over Health, Vigor and Tonic.

Herbina is a boon for sufferers from anemia. By its use the blood is quickly regenerated and the color becomes normal. The drooping strength is revived, the languor is diminished, health vigor and tone predominate.

Cured Consumption.

Mr. B. W. Evans, Charwater, Kans., writes: "My husband lay sick for three months. The doctors said he had quick consumption. We procured a bottle of Ballard's Horehound Syrup, and it cured him. That was six years ago and since then we have always kept a bottle in the house. We cannot do without it. For coughs and colds it has no equal." 25c, 50c and \$1.00. Sold by Charman & Co.

Invaluable for Rheumatism.

I have been suffering for the past few years with a severe attack of rheumatism and found that Ballard's Snow Liniment was the only thing that gave me satisfaction and tended to alleviate my pains. March 24th, 1902, John C. Degman, Kinman, Ills. 25c, 50c and a dollar. Sold by Charman & Co.

The Best Cough Syrup.

S. L. Apple, ex-Probate Judge, Ottawa, Kansas, writes: "This is to say that I have used Ballard's Horehound Syrup for years, and that I do not hesitate to recommend it as the best cough syrup I have ever used." 25c, 50c and \$1.00. Sold by Charman & Co.

Best Remedy for Constipation.

"The finest remedy for constipation I ever used is Chamberlain's Stomach and Liver Tablets," says Mr. Eli Butler, of Frankville, N. Y. "They act gently and without any unpleasant effect, and leave the bowels in perfect natural condition." Sold by G. A. Harding.

Colds Are Dangerous.

How often do you hear it remarked: "It's only a cold," and a few days later learn that the man is on his back with pneumonia. This is of such common occurrence that a cold, however slight, should not be disregarded.

Loss of Flesh

READ IT THROUGH

"'Twould Spoil This Story to Tell It in the Headlines." To use an eighteenth century phrase, this is an "over the top" tale. Having happened in a small Virginia town in the winter of 1902, it is a story very much of the present.

Tragedy Averted. "Just in the nick of time our little boy was saved," writes Mrs. W. Watkins of Pleasant City, Ohio. "Pneumonia had played sad havoc with him and a terrible cough set in besides. Doctors treated him, but he grew worse every day. At length we tried Dr. King's New Discovery for Consumption, and our darling was saved. He is now sound and well."
