

TEARFUL OR CHEERFUL?

Whether a woman is tearful or cheerful depends not on what she has materially, but what she has physically. Many an indulgent husband is driven almost to despair by the tearful outbreak of a wife who has "everything she wants." He wants to know what's the matter. But the wife can't tell. She only knows that she is depressed and despondent. Such a condition is usually related to some form of womanly disease.

\$500 REWARD FOR WOMEN WHO CANNOT BE CURED.

Backed up by over a third of a century of remarkable and uniform cures, a record such as no other remedy for the diseases and weaknesses peculiar to women ever attained, the proprietors of Dr. Pierce's Favorite Prescription now feel fully warranted in offering to pay \$500 in legal money of the United States for any case of Leucorrhoea, Female Weakness, Protrusion, or Falling of Womb which they cannot cure. All they ask is a fair and reasonable trial of their means of cure.

Mrs. Alice Adams, of Laboratory, Washington Co., Pa., says: "With many thanks I write to let you know how I am. I can say by God's help and your help I am well. I have taken six bottles of Dr. Pierce's Favorite Prescription and two of his 'Golden Medical Discovery,' and I can do all my work. I can't praise your medicine too highly. I will recommend your medicines as long as I live. If any one doubts this give them my address."

Keep the bowels healthy by the timely use of Dr. Pierce's Pleasant Peppets.

The Reason Why

Every Other Dealer in the United States Has Been Distanced by Eilers Piano House in Low Prices, Easy Terms, Fine Qualities, Large Sales, Popularity and the Confidence of the People.

Every Sale Just as Represented—Every Statement Verified—Every Error Rectified—Every Customer Perfectly Satisfied—What Better Standing Can Any Establishment have?

These are ambitious statements to make but facts will bear them out. Eilers Piano House has the monopoly of the very finest Pacific coast piano trade.

Musicians, colleges the cultured people of wealth as well as those of moderate means, find it profitable to deal with us.

The more fact that 6,000 pianos were sold by Eilers Piano House during the past year—transactions involving over a million dollars—is a striking indication of the immense success of this establishment.

The above explains alike its popularity and the reason for its low prices bring big sales—big sales justify low prices.

Offer good pianos to reasonable people at moderate prices and they are going to buy.

Our low-price system is the result of thorough a d original business methods. After selecting the best pianos in the market they are ordered in large quantities direct from the factories, thus securing the greatest possible discounts.

This makes a double saving as it cuts out the middlemen and the exorbitant commissions.

These large shipments also insure lowest freight rates. A further saving is freight is accomplished by the use of our own exclusive patented harness device for shipping, which does away with the piano box, and its added weight.

With our own warehouse located right on the railway tracks where the cars are switched right to our door and unloaded, another great saving is made in the cost of handling.

Owning our drays and teams also contributes to the reduction in the cost of handling pianos.

These important items, coupled with our policy of small profits has enabled us to make low prices on fine pianos than any other concern in the country, and established our supremacy.

The Great Northwest territory reached by Eilers Piano House, is the country where the most choice pianos can be had for the least money. This territory extends from Northern Washington to Southern Oregon and California.

Large Eilers stores flourish in Portland, Ore., Spokane and Seattle Wash., San Francisco and Sacramento, Cal., and through many small branches and agencies reach the entire country.

The world's finest pianos contribute to the greatness of this establishment. The Weber piano, of New York, a favorite with musicians the world over for its sympathetic tone quality, strength and volume; the Chickering, for over 80 years the piano after which all good pianos have been modeled; the Kimball, of Chicago, that comes from the largest factory in the world. Also Boston's other famous make, the Vose, Philadelphia's pride, the Lester, the splendid Hobart M. Cable, the Bush & Gerts, the popular Haddorf, the superb Victor; the Crown, the piano of many tones, Jacob Doll, Pease, Schumann, Milton, Draper, Hinz, Hallett & Davis, Marshall, Wiser, Stuyvesant, Sherwood, Ricca, Wheelock, Whitney, Bailey, Brinkerhoff, Baus, Becker Bros., Wesley and Schiller.

Thirty makes in all the finer instruments than can be purchased elsewhere in the country for the price.

Sirain Too Great.

Hundreds of Oregon City People Find it so. The hustle and worry of business men, the hard work and stooping of workmen.

The woman's household cares, are too great a strain on the kidneys, backache, headache, sideache, Kidney and urinary troubles follow.

A citizen tells you how to cure them all.

J. Carson, of Portland, employed at the Portland Lumber Co., foot of Lincoln St., who resides at 388 First Street, says: "I was feeling miserable; at first I did not pay much attention to it, but it continued to grow worse and finally became so bad that I thought I would have to lay off work. To bend or move quickly caused severe twinges. I was often attacked with dizzy spells, specks appeared before my eyes and I had no ambition or energy. In the morning I arose as tired as when I went to bed. In fact I had all the symptoms of a very severe attack of kidney trouble. When I was suffering the worst I read about Doan's Kidney Pills and procured a box. I soon noticed an improvement in my condition and the pain and aching across my back soon disappeared about six weeks ago I was laid up with a siege of the grip for two weeks. Symptoms of kidney complaint made their appearance again and I resorted to Doan's Kidney Pills a second time. They just as thoroughly freed me of the trouble as in the former case. I cannot express what a change they have made in me. I simply feel a different person.
