

News of the County, as Gathered by the Courier's Correspondents.

LOGAN.

Some grain has been sown between showers but the ground was rather wet.

Most of the roads, except the main highway, are in very bad condition.

Mr. Bonney will soon have his sawmill installed on L. H. Kirchem's land and will be prepared to furnish lumber of all kinds.

The singing club of grangers will meet on next Sunday at the residence of O. D. Robbins.

Mrs. Marry S. Howard, secretary of the state grange, was a visitor at the last meeting of Harding Grange. She expressed herself as well pleased with the new hall and the progress in membership and otherwise.

J. C. Sprague presented the subject of Adaptability of Crops to the Soil and W. T. Kirchem handled the subject of Grasses as a Money Crop. Mrs. M. E. Gill read an interesting paper on Co-operation. General discussion followed each speaker. Harding Grange retains 118 membership in good standing at the last quarterly report and enough applications are pending to make the number 125.

The Masonic lodge added three new members to their list recently.

The following are delegates to the republican county convention: E. L. Arthur, Marsh Frakes and J. S. Gill. The democratic primary will be too late to report for this issue but the full number of good democrats will be at the convention.

Harding precinct has a candidate for the nomination for treasurer on the democratic ticket in the person of J. F. Nelson. Mr. Nelson is a competent and deserving man and we commend him to the consideration of Clackamas county democrats.

BEAVER CREEK.

Meadow Brook.

There has been no news sent from our thriving burg since old Blaze rolled "X. Y. Z." in the mud. We wish to give an account of the G. O. P. primary at the X roads. There was eleven of the faithful present. We met and we deliberated and it was resolved that we, the eleven faithful ones, wanted office and we wanted to be the delegates, and we voted as there were three delegates to elect, it was agreed to send the three who received the most votes. The first ballot stood, eleven votes cast and eleven names presented and it ran thus to the 24th ballot. It was then moved that we take a recess of five minutes for Cole to make a few remarks. He said in part:

"Fellow citizens and countrymen, you all know me. You know that I am one of the tried and true; you have known me from childhood; you know that I have held the office once and I want it again; you know that I want any office that I can get if I can get it legitimately. I move we proceed to ballot."

It was found upon a close count of the ensuing ballot that there were eleven names, but some way the doctor had received two votes and was therefore elected. The next ballot resulted in the election of Charley by two votes. Before going farther my patriotism compelled me to make a few more remarks. I took occasion to remind the remaining ten faithful that they had known me from childhood; that they knew in the days of my boyhood how I played around their doorsteps, and pulled their cats' tails and their dogs' tails until they howled their loudest howls, and I am still a republican.

UNCLE ISAAC.

A Dozen Times a Night.

"I have had kidney and bladder trouble for years, and it became so bad that I was obliged to get up at least a dozen times a night," says Mr. Owen Dunn of Benton Ferry, W. Va. "I never received any permanent benefit from any medicine until I took Foley's Kidney Cure. After using two bottles, I was cured." As a preventive and cure for Bright's disease and Diabetes, Foley's Kidney Cure is unequalled. It quickly cures all kidney and bladder troubles. For sale by Huntley Bros. & Co.

Willow.

We were visited by a few days of good

weather which was appreciated by all.

Mr. James Russel fell from a load of hay a few days ago and broke two of his ribs. He was on the load bearing down with all his might when the binding pole broke and he went down head foremost striking his side on the end of the hay rack. He is now laid up for repairs.

Mr. Wingfield, while out hunting cattle a few days ago, found some good timber, maple, hemlock, cedar and a mammoth yellow fir. The fir is the largest he ever saw, he thinks nine or ten feet through. It took eleven steps to step around it. He intends to go back and measure it. It is smooth and round.

The Russellville telephone is under construction and it would soon be complete were it not for farming. The Russellville men mean business. There is some talk of a line being run to the big bend of the Molalla and also to the mines. Now is an opportunity to show enterprise. Movers could send messages cheaper than giving ten dollars to some one to go and carry them. We hope to see that line and a bridge across the Molalla in the not far distant future. Men, money and the will to do, can accomplish any task.

WILLOWIT.

Well, R. S., that was a hard fall you got at that social, baskets high at twenty-five cents, I guess yes, but a wink and a sweet smile would cause most any one to forget about bidding. SAM JIM.

Redland.

Mrs. L. Newkirk of Portland is visiting relatives.

Easter morning greetings.

O. A. Hollinsworth has just finished grubbing five acres of ground.

"DO IT TO-DAY."

The time-worn injunction, "Never put off till tomorrow what you can do today," is now generally presented in this form: "Do it today!" That is the terse advice we want to give you about that hacking cough or demoralizing cold with which you have been struggling for several days, perhaps weeks. Take some reliable remedy for it to-day—and let that remedy be Dr. Boesche's German Syrup, which has been in use for over thirty-five years. A few doses of it will undoubtedly relieve your cough or cold, and its continued use for a few days will cure you completely. No matter how deep-seated your cough, even if dread consumption has attacked your lungs, German Syrup will surely effect a cure—as it has done before in thousands of apparently hopeless cases of lung trouble. New trial bottles, 25c; regular size, 75c; For sale by Charman & Co.

LIBERAL.

Friday and Saturday were beautiful days and the farmer had a broad smile but Monday the air was blue and words were harsh.

Grass is growing very fast and winter grain is taking on a green hue.

Stock of all kinds are hustling for grass and the hair is letting loose so spring must be here.

Levi Stehman has a red polled angus heifer and she has a beautiful calf by her side—so Levi is starting in right to raise cattle, the best are none to good.

Well, Jonah, how does the weather strike you; are the frosts painting the air blue with their gentle voices.

There seems to be something in the wind, as though it were cupid.

There was a large crowd at the grange last Sunday as they held Easter services by Rev. T. Wiles. They had a splendid program.

Pierce Wright secured the Degree of Flora and is proud of his work in the grange.

Max Hens is the bronco buster now on the J. Dolan ranch and is not afraid to carry sauer kraut on his saddle either.

Miss Cora Ross left Tuesday for Oregon City where she will remain for a short time.

J. O. Morris has finished grubbing two acres on his farm, constantly adding Jim. you will soon have no use for goats.

R. A. Wright is busy slashing ten acres on his place, the brush is gone and soon will be a thing of the past and many a farmer will wish he had left a few acres on some corner of his ranch.

The political pot is not boiling very much out this way and we don't think it will.

J. L. Udell is cutting a lot of cord wood on the picnic grounds at Wright's Springs.

Central Addition.

The meetings at the U. B. Church will continue all week.

WHAT THIS MAN SAYS

Only Re-echoes the Sentiments of Thousands of Our Republic.

The Oregon City reader is asked to thoroughly investigate the following: This can readily be done, for the gentleman whose statement is published below will be only too pleased to answer any communications mailed to him in the writer really suffers from the annoying consequence which always attend inactive or weakened kidneys.

J. Jenkins, of 315 East Sixth St., Portland, Oregon, now retired from active life, says: "I think very highly of Doan's Kidney Pills. I used them for an attack of acute backache which had annoyed me for some little time. Three days after I began their use I knew they had gone to the cause of the dull, dragging pains across the small of my back and relief came sooner than I expected. I believe that the cure is permanent for I have not felt any symptoms of a recurrence. Other members of my family have also used Doan's Kidney Pills with equally good results." Plenty more proof like this from Oregon City people. Call at C. G. Huntley's drug store and ask what his customers report.
