

"IMPOSSIBLE," for you to enjoy the happiness of motherhood," says the doctor. Sometimes he qualifies the statement, and says: "Impossible without an operation." Yet both these "impossibles" have been made possible by the use of Dr. Pierce's Favorite Prescription. Many times the hindrances to motherhood are to be found in womanly diseases or weaknesses, which are perfectly and permanently cured by "Favorite Prescription."

This great medicine for women cures irregularity and dries debilitating drains. It heals inflammation and ulceration, and cures female weakness. It makes weak women strong and sick women well.

"I wish to add my testimony to hundreds of others as to the value of Dr. Pierce's medicine," writes Mrs. Ida M. De Ford, of Latona, Hubbard Co., Minn. "I have suffered with a great many physicians—some specialists—have twice been in a hospital for treatment. My case has been regarded as a hopeless one, and they knew not what the trouble was. Heart was bad; stomach all out of order; tired out; severe pains in all parts of the body; sinking spells, and nearly every ailment a woman could have. I took many a bottle of 'patent medicines' without effect. I began taking Dr. Pierce's Favorite Prescription, and ten months afterward I gave birth to a ten-pound boy. All physicians had stated as a fact that I never could bear a child. Both the baby and myself were strong, and I got along splendidly—thanks to your medicine."

THE HADDORFF.

A Name that Became Prominent and Popular in a Very Short Time.

The day has gone by when a name alone can sell a piano. The knowledge of piano tone quality and construction has become so universal, that even inexperienced buyers readily detect inferior quality. Every piano sold should show for itself that it is entirely worthy the price asked, regardless of the name on the fall-board.

A piano that has attained a wonderful popularity in a remarkably short time is the Haddorff. Although it has been out less than two years it has gained a widespread recognition, among musicians and musical people.

It possesses a wonderfully clear, bell-like but sweet and sympathetic tone, and is equally artistic and neat in case design and finish.

The Haddorff is however, only a medium priced instrument and can be purchased by very easy monthly installments at Ellers Piano House, 351 Washington Street, corner Park, Portland, Oregon.

A Big Sensation.

There was a big sensation in Leesville Ind., when W. H. Brown, of that place, who was expected to die, had his life saved by Dr. King's New Discovery for Consumption. He writes: "I endured insufferable agonies from Asthma, but your New Discovery gave me immediate relief and soon thereafter effected a complete cure." Similar cures of Consumption, Pneumonia, Bronchitis, and Grip are numerous. It is the peerless remedy for all throat and lung troubles. Price 50 cents and \$1. Guaranteed by Charman & Co., Druggists. Trial bottles free.

A Dozen Times a Night.

"I have had kidney and bladder trouble for years, and it became so bad that I was obliged to get up at least a dozen times a night," says Mr. Owen Dunn of Benton Ferry, W. Va. "I never received any permanent benefit from any medicine until I took Foley's Kidney Cure. After using two bottles, I was cured." As a preventive and cure for Bright's disease and Diabetes, Foley's Kidney Cure is unequalled. It quickly cures all kidney and bladder troubles. For sale by Huntley Bros. & Co.

Chronic Bronchitis Cured.

"For ten years I had chronic bronchitis so bad that at times I could not speak above a whisper," writes Mr. Joseph Coffman, of Montmorenci, Ind. "I tried all remedies available, but with no success. Fortunately my employer suggested that I try Foley's Honey and Tar. Its effect was almost miraculous, and I am now cured of the disease. On my recommendation many people have used Foley's Honey and Tar, and always with satisfaction." Sold by Huntley Bros. & Co.

Her Advantage.

"Oh, dear!" said little Harold's mother, who was somewhat rheumatic. "I seem to ache all over."

"Well," said her sweet child, "I'm sorry, but not as sorry as I'd be for father if he felt that way."

"Why would you feel more sorry for your father, love?"

"'Cause they'd be such a lot more of him to ache."—Chicago Record-Herald.

The "Just Alike."

Few people perhaps notice that all omnibus wheels are painted yellow, says the London Chronicle, so that any wheel may be worn with any bus color. Every circus ring in the world is of precisely the same diameter, whatever the size of the auditorium, so that the rider knows the angle at which he must lean in San Francisco is the angle of safety in St. Petersburg. Even the ladder is "standardized." Every hodman in England knows what he has to step when toiling up the builder's ladder, though he may not know it is seven inches. The sailor who runs up the ratlines has twelve inches as a step, and that makes a run possible, and the fireman's ladder is crossed with exact equivalence to the ratlines.

Death From Electric Shock.

The ultimate cause of death, when due primarily to electric shock, is generally considered to be stoppage of the action of the heart or of the respiratory organs. That the latter may be affected is shown by the fact that victims brought to by practice of some of the well known methods of artificial respiration. The cessation of the heart's action may be due to stimulation of the nerves which control the beating of the heart. These, when stimulated to excess, may cause the heart to stop altogether.—Archibald Wilson in Cassier's Magazine.

The artist who painted the "sign for the Olympia beer people on Cole's saloon Monday, was a man off more than ordinary ability. The big sign was finished in less than eight hours and was just about as fine a picture as could be produced by a painter.

WHAT THIS MAN SAYS

Only Re-echoes the Sentiments of Thousands of Our Republic.

The Oregon City reader is asked to thoroughly investigate the following: This can readily be done, for the gentleman whose statement is published below will be only too pleased to answer any communications mailed to him if the writer really suffers from the annoying consequence which always attend inactive or weakened kidneys.

J. Jenkins, of 315 East Sixth St., Portland, Oregon, now retired from active life, says: "I think very highly of Doan's Kidney Pills. I used them for an attack of acute backache which had annoyed me for some little time. Three days after I began their use I knew they had gone to the cause of the dull, dragging pains across the small of my back and relief came sooner than I expected. I believe that the cure is permanent for I have not felt any symptoms of a recurrence. Other members of my family have also used Doan's Kidney Pills with equally good results."

Plenty more proof like this from Oregon City people. Call at C. G. Huntley's drug store and ask what his customers report.

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States.

LA GRIPPE—PNEUMONIA

So many people who have apparently recovered from an attack of La Grippe are stricken with Pneumonia. This is due to the fact that the Bronchial Tubes and Lungs are left weakened and unable to resist disease.

FOLEY'S HONEY AND TAR

not only cures La Grippe Coughs, and prevents Pneumonia, but strengthens the Lungs so they will not be susceptible to the development of serious lung troubles. Do not take chances with some unknown preparation that may contain some harmful drug when FOLEY'S HONEY AND TAR costs you no more and is safe and sure. Contains no opiates.

I had a bad case of La Grippe about ten years ago which left my Lungs so weak that I have been troubled more or less every winter since until I used FOLEY'S HONEY AND TAR, which cured me completely and my Lungs no longer trouble me.—J. H. BROWNING, D.D.S., Orrick, Mo.

G. VACHER, 157 Osgood St., Chicago, says: "My wife had a very severe case of La Grippe, and it left her with a very bad cough. She tried a bottle of FOLEY'S HONEY AND TAR and it gave immediate relief."

The 50c bottles contain two and one-half times as much as the small size and the \$1.00 bottles almost six times as much.
