REASONS

Why our Vinol is the Greatest Health Restorer and Strength Creator Known to Medicine.

Because Vinol contains in a concentrated form ALL of the medicinal curative elements found in cod liver oil, but without a drop of oil to nauseate and upset the stomach; therefore, wherever old-fashioned cod liver oil or emulsions will do good, Vinol will do far more good.

Because we have never sold anything in our store equal to Vinol to restore health and create strength for old people, weak, sickly women and children, nursing mothers, and after a severe sickness.

Vinol cures hacking coughs, chronic colds, bronchitis, and all throat and lung troubles.

A prominent physician writes: "Vinol is the most palatable and valuable preparation of cod liver oil ever compounded. I now use it entirely in all cases where I formerly depended upon old-fashioned cod liver oil and emulsions."

Try Vinol on our guarantee to return your money if you are not satisfied.
