"BEE-LINE" BUGGIES

Some years ago we stopped buying the manufacturers regular construction and grade in medium priced Buggies and got up a buggy of our own, improving the construction and grade of the materials used. To distinguish these goods from regular Eastern work, such as is handled by others, we put our own name and brand on them. We call them our "Bee-Line," in other words our "B" grade or medium priced line--and we defy anybody to put more service and wear in a buggy of medium price than we have in these. When you buy a Bee-Line you get something for your money.
