Office of Board of Directors of School District No. 62 Clackamas county, Ore. Oregon City, Ore., June 14, 1904. Mrs. Nellie C. McAdam, Dear Madam:—It is with sincere regret that this Board has received your resignation of the Principalship of the Eastham School, to which position we recently re-elected you. Your services in the past have been so eminently satisfactory that we benefit of your presence and direction for another year at least. As you cannot see your way clear to remain with us any longer we can only express our regret at the loss of your services and assure you that we feel that in your withdrawal from our schools we lose one of our most valued instructors, and the pupils a loved friend as well as teacher whose kind and sympathetic interest in their studies and welfare was always manifest. The parents, whose children have been fortunate enough to be under your care and instruction, well know and appreciate the work that you have done in building up the character of their girls and boys and inspiring them with an earnest wish and desire to be and become ladies and gentlemen, as well as students, and that the precept and advice you have given them will be of permanent and lasting benefit. In conclusion we thank you on behalf of the citizens of this district, as well as ourselves, for the valuable work you have done for us in our schools, and with best wishes for your future health and prosperity, we remain, (Signed) W.
