#### WHAT THIS MAN SAYS.

Only Re-Echoes the Sentiments of Thousands of our Republic.

The Oregon City reader is asked to thoroughly investigate the following: This can readily be done, for the gentleman whose statement is published below will only be too pleased to answer any communication mailed to him if the writer really suffers from the annoying consequence which always attend inactive or weak kidneys.

A. I. Maney, gripman on the Portland Heights cable line, residing at 554 Elm street, Portland, says: "Doan's Kidney Pills disposed of an acute attack of backache in a very short time. Last fall I was operating on one of the electric lines and it was then that I first felt the symptoms of kidney complaint. At first I thought it was caused by the constant jarring of the car, and perhaps it was, but I know that one box of Doan's Kidney Pills effectually cured me of my backache in a most radical manner. My advice to all who suffer from backache or kidney trouble is to procure Doan's Kidney Pills and give them a fair trial."

Plenty more proof like this from Oregon City people. Call at C. G. Huntley's drug store and ask what his customers report. For sale by all dealers. Price 50 cts. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States. Remember the name Doan's and take no other.

#### Colts Lose Game.

The Oregon City baseball team played the Hubbard team on the diamond at that place last Sunday. The game opened well for the Colts, three runs being made in the first inning and two in the second. Freaks of fortune, possibly over-confidence, led to a wild play which let in two Hubbard men, from which time the Colts lost ground until the close of the game, when the score was 9 to 6 in favor of the Hubbard team. Many errors were made by both teams. The best features of the game were the batting of Jameson, of the Colts and the base running by Platts of the Hubbard team. The former batted the ball over the south fence, while the latter ran bases at critical stages of the game. Attendance 300.
