### The World's Fair Route.

Those anticipating an Eastern trip, or a visit to the Louisiana Purchase Exposition at St. Louis, cannot afford to overlook the advantages offered by the MISSOURI PACIFIC RAILWAY, which, on account of its various routes and gateways, has been appropriately named "The World's Fair Route."

Passengers from the Northwest take the MISSOURI PACIFIC trains from Denver or Pueblo with the choice of either going direct through Kansas City or via Wichita, Fort Scott and Pleasant Hill. Two trains daily from Denver and Pueblo to St. Louis without change, carrying all classes of modern equipment, including electric lighted observation parlor cafe dining cars. Ten daily trains between Kansas City and St. Louis.

Write or call on W. C. McBride, General Agent, 124 Third street, Portland, for detailed information and illustrated literature.

### Special Excursion to the World's Fair

The Denver & Rio Grande, in connection with the Missouri Pacific, will run a series of Personally Conducted Excursions to the World's Fair during June. These excursions will run through to St. Louis without change of cars, making short stops at principal points enroute. The first of these Excursions will leave Portland June 7th, and the second June 17th. The rate from Portland will be \$67.50 to St. Louis and return. Excursionists going via the Denver & Rio Grande have the privilege of returning via a different route. This is the most pleasant way, as well as the most delightful route, to cross the continent. The stops arranged give an opportunity of visiting the various points of interest in and about Salt Lake City, Denver and Kansas City. If you wish to accompany one of these excursions write at once to W. C. McBride, 124 Third street, Portland, for sleeping car reservations.

Now is the time to clean house—clean your system first, drive out the microbes of winter with Hollister's Rocky Mountain Tea. It will keep you well all summer. 5 cents. Tea or tablets.

## MARKET REPORT.

Corrected to June 23, 1904.

Fewer hop contracts are being made this year than usual. Dealers account for this on the ground that growers, having received good prices for some time past, have all the money they need for picking. The vines are in good condition, as they do not suffer from the dry weather their roots penetrating the soil to a great depth. Few lice have appeared so far. The ruling price for contracts is 15 or 16 cents.

### EGGS AND BUTTER.

Eggs are considered steady at 20 cents and no more cheap eggs are expected this year unless a slump should take place in August. In that month the hens have the run of the harvest fields and pick up more grain than usual, while the hot weather tends to lessen the demand for eggs. Butter is considered weak, as heavy receipts continue while the market of Puget Sound is largely supplied by the Eastern states. Some dealers find difficulty in disposing of their butter even at the present low prices.

### VEAL AND CHICKENS.

Veal is firmer, as receipts have fallen off; but it would not require many carcasses, in the opinion of commission men, to cause a weak feeling in the market again. Poultry have become cheap enough for ordinary people to use although Spring chickens still find ready sale at good figures. Old hens are plentiful at 11 to 11½ cents.

### MARKET NOTES.

Sugar advanced 5 cents for 100 pounds in New York today, and this gives a firmer tone to that commodity here, though no change has yet resulted. Salmon are now coming in more plentifully and are now quoted at 8½ cents a pound. The season for California salmon is closed.

The first car of cantaloupes of the season is expected to reach Portland from California Monday next.

### Laxakola Guaranteed to Cure Constipation.

Huntley Bros. recommends it because they know it cures. "There are so many laxatives on the market," say Huntley Bros., "that it is hard to tell which to recommend, however, it is a good deal of satisfaction to know there is at least one we can recommend with every confidence." Experience shows that Laxakola is sure to benefit every one in need of a mild, tonic laxative, and we ask our customers to try it on our guarantee. Experience has taught us it doesn't pay to deceive the people and recommend anything that might prove in the least unsatisfactory, but we know Laxakola is all right and sure to do good." "It is the only liquid laxative in this store that we are willing to sell with a guarantee, and it tastes so nice that children like it and ask for it." If the baby is colicky, or fretty, or teething there is nothing will do so much good as Laxakola. Try it, and if it proves in the least disappointing we will return your money.

## Women as Well as Men Are Made Miserable by Kidney and Bladder Trouble.

Kidney trouble preys upon the mind, discourages and lessens ambition; beauty, vigor and cheerfulness soon disappear when the kidneys are out of order or diseased. Kidney trouble has become so prevalent that it is not uncommon for a child to be born afflicted with weak kidneys. If the child urinates too often, if the urine scalds the flesh, or if, when the child reaches an age when it should be able to control the passage, it is yet afflicted with bed-wetting, depend upon it, the cause of the difficulty is kidney trouble, and the first step should be towards the treatment of these important organs. This unpleasant trouble is due to a diseased condition of the kidneys and bladder and not to a habit as most people suppose. Women as well as men are made miserable with kidney and bladder trouble, and both need the same great remedy. The mild and the immediate effect of Swamp-Root is soon realized. It is sold by druggists, in fifty-cent and one-dollar size bottles. You may have a sample bottle by mail free, also a Home of Swamp-Root pamphlet telling all about Swamp-Root, including many of the thousands of testimonial letters received from sufferers cured. In writing Dr. Kilmer & Co., Binghamton, N. Y., be sure and mention this paper. Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.

## CLIMATE AND CROP REPORT.

### GENERAL SUMMARY.

The droughty conditions prevailing throughout the state were partially relieved by scattering showers during the latter part of the week; but, as a rule, the amount of precipitation was not sufficient to do much good, and more rain is badly needed for all crops.

The extremely dry spell has had a damaging effect on spring grain, and in some sections it will be light in yield. Fall wheat and barley have headed nicely and a good yield of both of these cereals is promised.

Hay is progressing rapidly under the favorable weather conditions; the crops will be light, especially west of the Cascades. The first cutting of alfalfa has nearly all been secured in good condition; the yield was above the average and the quality generally good. Pastureage continues in fine condition, but is beginning to dry up some. Stock in fat and the supply of milk in the dairy districts continues abundant.

Gardens and root crops are making slow growth owing to the dryness of the soil. Early potatoes are doing well and will soon be ready for marketing. Corn has not made much advancement owing to a lack of warm weather.

The strawberry season is drawing to a close. Raspberries and Kentish cherries are ripening nicely and producing fairly good yields. Apples are doing well, but pears, prunes and peaches continue uneven.

### A CONTINUAL STRAIN.

Many men and women are constantly subjected to what they commonly term "a continual strain" because of some financial or family trouble. It wears and distresses them both mentally and physically, affecting their nerve badly and bringing on liver and kidney ailments, with the attendant evils of constipation, loss of appetite, sleeplessness, low vitality and dependency. They cannot, as a rule, get rid of this "continual strain," but they can remedy the health-destroying effects by taking frequent doses of Green's August Flower. It tones up the liver, stimulates the kidneys, insures healthy bodily functions, gives vim and spirit to one's whole being and eventually dispels the physical or mental distress caused by that "continual strain." Trial bottle of August Flower, 25 cents; regular size, 75 cents. At Charman & Co's.
