

IN SOCIETY CIRCLES

Davidson-Cox.

A beautiful home wedding occurred at the home of O. M. Davidson near Oswego, Wednesday afternoon, when the only daughter, Margaret Alvina, was married to John Cox, of Oregon City. The ceremony, which was performed by Rev. S. E. Bollinger, of the Congregational church, was witnessed only by the immediate relatives of the bride and groom. The parlors of the beautiful country home were artistically decorated with autumn leaves and flowers. Miss Stella Cox was the bridesmaid and M. O. C. Davidson was the groom's best man. The wedding march was played by Miss Elsie Mackie, of Newberg, cousin of the bride.

After the ceremony an elaborate dinner was served. In the evening the happy couple departed on a honeymoon trip to Lane county. Mr. and Mrs. Cox will reside in Oregon City. Mr. Cox is the popular engineer of the Willamette Ice Factory.

Trembath-Mayville.

The marriage of Thomas Trembath to Miss Verdie Mayville was solemnized last Sunday night at 8 o'clock at the residence of Mr. and Mrs. Kinzey, in the presence of a large number of relatives and friends. The officiating clergyman was the Rev. P. K. Hammond, rector of St. Paul's Episcopal church. After the ceremony a wedding supper was served. Mr. and Mrs. Trembath are well known in Oregon City and will make their home here. The bride is the daughter of A. J. Mayville.

Harding-Conway.

The marriage of Mr. George H. Harding to Miss Maude Conway was solemnized at 11 o'clock Tuesday October 11 at the home of the bride's parents, Mr. and Mrs. J. D. Conway at Mount Pleasant. Rev. Molloy was the officiating clergyman. A number of invited guests were present to witness the ceremony, which was followed by a sumptuous wedding dinner. Mr. and Mrs. Harding were the recipients of many beautiful presents. The will reside in Portland.

Gosser-Bacon.

The marriage of Mr. Frank Gosser to Miss Sarah Bacon was solemnized Monday afternoon at the Congregational manse by Rev. E. S. Bollinger. The wedding was a very quiet one, no one being present except the witnesses to the ceremony. Following the wedding the bride and groom left for Wilsonville, where they will reside.

Circle Surprises Woodmen.

An enjoyable evening was spent last Friday night in the hall of Willamette Falls Camp, Woodmen of the World. The members of the Women of Woodcraft surprised the members of the camp, and treated them to a tasty spread. Over 100 members of the camp and circle were present. One hundred and ten dollars has just been expended in robes for the officers of the camp, and the necessary outfit going with the robes, and henceforth the work of the camp will be put on strictly in conformance with the ritual. A uniform rank of the Woodmen of the World was recently organized and the new uniforms were received about a month ago.

Visit of High Priest.

Clackamas Chapter, Royal Arch Masons, held a most enjoyable meeting Monday night, the occasion being the visit to the chapter of Grand High Priest Thomas F. Ryan. A special car came up from Portland, bringing about 25 members of Washington and Portland Chapters. Impromptu speeches were made, good stories were told by a number of those present, and Judge Ryan made a short, though pleasing address. Following the ceremonies, a spread was given the companions, after which the visitors left for home on their car. The affair was one of the most pleasing entertainments that has ever been given by the Masons of this city.

Dr. and Mrs. Sommer Entertain.

Dr. and Mrs. Ernest A. Sommer entertained at their home Tuesday evening in honor of Dr. Hugh S. Mount, who recently returned after a year's stay in New York. The floral decorations were beautiful and tiny flags of all nations added a touch of colors to the scene. Mrs. Sommer has a choice collection of Indian baskets and curios, which showed to advantage, and throughout the spacious rooms of the Sommer home, nothing but harmony was visible. The evening was pleasantly passed with the game of "500," the prizes being won by Miss Pope, Miss Buchanan, Frank Newton and John Cochran, and this was followed by a flag guessing contest, the successful contestants being Miss Marjorie Canfield and Frederick J. Nelson. Music and conversation were indulged in until a late hour. The hostess was assisted

by Mrs. Theodore Clark and Mrs. Bruce C. Curry in receiving and in the entertainment of her guests.

Annual Ball of Foresters.

Court Robin Hood, No. 9, Foresters of America, will give its tenth annual ball in this city on Wednesday evening, November 23. This date is Thanksgiving eve, and the Foresters promise to make the occasion an exceptionally enjoyable one.

Mr. Charles Pope has resumed her class in voice culture. Oregon City pupils wishing instruction will please call at her home on Mondays, Wednesdays, or Fridays.

Late News of the War.

At the close of the seventh consecutive days of fighting between Mukden and Liao Yang the battle was still raging, the Russians offering a stubborn resistance to the fierce onslaught of the Japanese. The sacrifice of life has been appalling, estimates of the Russian losses alone in killed and wounded at the end of the six day's fighting being 30,000, while it seems not improbable that it aggregated at that time 40,000.

Japanese reports estimate that 10,000 Russian dead were left on the field of battle up to the night of October 14, and allege that the Japanese losses are small in comparison with those of the Russians.

All hope of succoring Port Arthur this season has been abandoned.

There has been an end for the time being, of the fighting on a large scale which began on October 9, when General Kuropatkin announced to his army the time had arrived for an advance against the Japanese. Heavy rains and consequent bad roads have made military operations on either side extremely difficult, if not impossible. The interruption, according to advices received at St. Petersburg, is being utilized by both the Russian and Japanese commanders in making new dispositions of forces, and new objective points are likely to develop when active operations are resumed.

THE COUNTY'S DEAD.

J. S. Beavens.

J. S. Beavens died Sunday morning in the Oregon Insane Asylum at Salem of softening of the brain. He was taken to the state hospital over a year ago from Willamette, where he resided for some years, going to Willamette from Bolton, where he owned some property. The funeral was held Monday at Buena Vista, Marion county. The deceased is survived by two sons, and three daughters, Mrs. Josie B. Brown, Mrs. Ernest Mass, and Mrs. William Berdine.

Daughter of Geo. W. Bibee.

Lulu, the 14-year-old daughter of Mr. and Mrs. George W. Bibee, died at the family residence Monday at 2:30 o'clock of consumption. She had been a sufferer from this disease for a long time, and last Summer was taken to Bingham Springs, in the hope that the waters would benefit her health, but she sank steadily and was brought home a few days ago. The body was taken to Sheridan Tuesday and the interment was held there Wednesday.

Mrs. Margaret Brannan.

Word was received here Thursday of the death of Mrs. Brannan, who formerly resided at Parkplace, and who moved to Grants Pass about a month ago. The cause of death was consumption. Mrs. Brannan was a member of the Women of Woodcraft. The interment was held at Grants Pass. The deceased is survived by six children, three boys and three girls.

Congregational Church.

Pastor Bollinger desires to call attention to several sermons that will be given at the morning services beginning with next Sunday. "How Should We Think About God?" will be the beginning of the series. The evening topic will be "Mastery Over a Great Realm."

Charged With Embezzlement.

A. Chambers is charged with embezzlement, and will have a trial before Justice Stipp today. Chambers was employed by C. H. Chandler, of Barton, to take wood to Portland for sale, but not authorized to collect for the wood nor to appropriate any moneys for his own use. He did both, and is now under arrest. The amount of money involved was about \$25.

The office rooms in the Garde building, heretofore occupied by Dr. J. W. Powell, who will move to Molalla in a few days, have been taken by Clackamas Council, Royal Arcanum, for club rooms. The Council proposes to limit the members of the club to those who are and may hereafter become members of the order, and by next week will have the rooms tastefully furnished for the reception of the club.

MAN HELD UP AT CANEMAH

Burly Negro Robs Paper Mill Employee and Escapes.

M. LEWIS THE VICTIM

Highwayman Pokes Revolver Against Breast of Lewis and Relieves Him of Small Sum.

M. Lewis was held up and robbed Saturday night by a burly negro just below the entrance to the park and \$1.75, all the money on his person, was taken from him.

Lewis was going to his work at the paper mills, and was stopped by the negro, who placed a revolver against his breast and ordered him to hold up his hands and then searched him.

Sunday afternoon a negro was arrested in Portland and Lewis went down to identify him, but would not swear to his identity, and the man was held in the city jail at Portland until a conductor of the electric line could see him. A negro went down Sunday morning on the car but the conductor found out that the police had the wrong negro, who was discharged.

Two negroes were in the city Saturday and one was arrested late Saturday night by the officers but was released Sunday as it was found that he was not the man wanted.

Fled to Victoria.

I. J. Merry, who is wanted by the officers, has fled to Victoria and the chances are against his being captured. Eighteen months ago he purchased a lot of furniture from W. L. Block, and paid part of the bill, leaving a balance of \$50. Monday afternoon he sold the goods to W. W. Bradley, a second hand furniture dealer, who paid \$342 for them, and Merry fled the city, leaving a wife and two small children behind him. Mr. Block took possession of the furniture and Bradley swore to a complaint against Merry, who went to Portland, and from there to Seattle but before he could be apprehended, he made tracks for Canadian soil.

Bad Case of Hiccoughs.

Hiccoughing for the past eleven days, only stopping at intervals of from two to three hours at a time, John Montgomery lies at the point of death at his home in the Montgomery House on Main street, between Fourth and Fifth streets. Grave fears are entertained for his recovery. It is thought that the hiccoughing is caused by the bursting of an organ below the heart and so far it has been impossible to do little or nothing to relieve the unfortunate man.

Will of Mrs. Grace Williams

The will of Mrs. Grace Williams, who died several weeks ago, has been filed for probate. The document was written on May 14, 1901, when the deceased was 73 years of age, and all of the property of the deceased, consisting of personal property to the value of \$50 and lot 5 in block 138 in Oregon City, valued at \$950, is bequeathed to Mrs. William J. Wilson, a daughter of the deceased. W. J. Wilson is named as executor, without bonds.
