

GRANGE HALL DEDICATION

New Quarters Are Opened by Abernethy.

CEREMONY IS IMPRESSIVE

State Master Leedy, Secretary Mary S. Howard and Other Leaders Were Present.

The low temperature on Saturday made the hot dinner served up by the ladies not the least interesting part of the dedicatory program at Abernethy Grange. It was an appropriate prelude to the serious business of the afternoon, the exercises before dinner consisting of vocal and instrumental music, an essay by Miss Bernier, and extempore speeches—a Grange "love feast."

The dedication of the hall was performed in accordance with a printed ritual. To Worthy Master Carter fell the opening words of the ceremony. Capt. J. T. Apperson, treasurer of Abernethy Grange, presented him with the keys of the hall and Master Carter, in turn, gave them to Worthy Master Leedy, standing at his side. The officers of Abernethy Grange circled around the altar, a prayer is read by the chaplain, also passages of Scripture to some of which the officers respond, and Flora, Ceres and Pomona place emblematic offerings on the altar. The state master returns the key to the master of Abernethy Grange with the words:

"I trust the State Grange will never again have occasion to take possession of these keys."

Thus ended the solemn ceremony. Then came oratory and music. First in order was an address by Mrs. Mary Howard, the state secretary. Her sallies of wit elicited frequent applause. State Master Leedy, who followed, emphasized the influence exerted by the Grange in the legislature, the \$2500 appropriated for farmers' institutes being one evidence of this. Judge Galloway being called on, admitted that he had once been a member of the Grange, and was willing to become such again if Abernethy wanted him and his better half. He brought out the fact that there is no organization other than the Grange in which women stand on an equal footing in all respects with men, placing it at the forefront of progress.

Captain Apperson, "the father of Abernethy Grange," seemingly realized the great importance of the Grange movement to the tillers of the soil. In forcible language he exhorted all his neighbors to join the order to promote the welfare of the young men and women.

"The Grange will do good," said he, "as long as the good people of this community cooperate with it, then its influence will extend throughout the state. With the object of cooperating with us in the great work of promoting the interests of the cultivators of the soil, we admit to membership a half-lawyer, a half-doctor or a poor merchant." To the ladies of Park-place he gave the credit for establishing Abernethy Grange.

Remarks were also made by Bro. Chitwood of Damascus, Bro. Eby, a prominent Granger of Linn county, a "father in Israel," Brother Harrington of Central Grange, and others. The speeches were interspersed with songs and recitations.

Twenty applications for membership were to come before the evening session of the Grange.

BRONCHITIS

OFTEN THE SEED OF CONSUMPTION

Huntley Bros. Co. Tell People of Oregon City Quickest Means to Cure It.

For years cod liver oil has been known to possess remarkable curative and healing properties for throat, bronchial and lung troubles, but, as a famous physician has said, on account of the grease it contains, it has been difficult for people to take enough of it into their systems to combat a thoroughly settled disease.

"Now, however," said Mr. Huntley, "we have Vinol, which contains in a highly concentrated form all of the medicinal curative elements actually taken from fresh cod's livers, but without a drop of oil or grease to upset the stomach and retard its work, and there is no limit to the amount any person can take into their system to overcome disease. Here are two letters that have just come to our attention:

"Mrs. Louisa Stover, of Elkhart, Ind., writes: 'For a long time I suffered with bronchial trouble and feared consumption. I could not seem to get any relief from cough medicines, old forms of cod liver oil or emulsions. I coughed badly, and my chest was sore and irritated. Vinol has healed the soreness and stopped the cough and has strengthened and invigorated my whole system.'

"Mrs. John Hoskins, Bangor, Penn., writes that Vinol cured her son of bronchitis, from which he had suffered for years after everything else had failed.

"We ask every person in Oregon City suffering from chronic colds, coughs, bronchitis or who needs an invigorator and strength creating medicine to try Vinol on our guarantee to return the money if it fails."

TOTAL IS NOW \$650.

Fund for Fireman's Tournament Steadily Growing.

The committee in charge of the general arrangements for a firemen's tournament in this city July 3, 4, and 5 Monday received a check for \$100 as the P. G. E. Co.'s contribution to ward the expenses of the tournament. This contribution is nearly the last to come from the big companies that transact business in Oregon City. The city council has tacitly agreed to make an additional appropriation at a future meeting, and it is more than probable that the Portland Flooring Mills Company will give liberally.

W. H. Howell, a member of the committee, said that an attempt would be made to raise \$1500 for the three days' tournament. Taking into consideration that \$900 will be given in prizes for races alone, this amount is not believed to be excessive. Other sports will be held, on land and river, two bands will be engaged, and the firemen plan to make the coming celebration better in every respect than any previous one. The following amounts have been assured:

Oregon City Council	\$250
Oregon Water Power & Ry. Co.	100
Portland General Electric Co.	100
Willamette Pulp & Paper Co.	25
Crown Paper Co.	25
Oregon City Manufacturing Co.	25

Cataract Hose Co. No. 2	25

DEATH OF A PIONEER.

MILWAUKEE, Or., Feb. 10.—Mr. Henry Karr, who died of pneumonia at his home here on the morning of February 7, was born in Indiana, Dec. 15, 1836.

Early in his boyhood he moved with his parents to Washington county, Illinois, where he resided until he was about 18 years of age. Then accompanied by his brother James G. Carr, by way of New York, and the Isthmus of Panama, he came to California arriving there in December, 1855. In 1858 he came to Oregon, where he decided to make his home, and on July 4, 1866, he united in marriage with Mary Phillips, who, with her parents had crossed the plains from Illinois in 1846.

Early in life Mr. Karr united with the Baptist church and continued a consistent member until the end. He was well known for his upright character, his honorable dealings with men, and for his devotedness as a husband and father.

He took much interest in affairs of the day and was a constant reader of the newspapers until a few days before his death.

He leaves to mourn his loss a wife and six children, who are: William H., Eretta B., Frank J., Raleigh E., Edith C. Karr of Milwaukie, and Mrs. Geo. Johnson of Damascus, and a brother, James A. Karr, of Hoquiam, Wash.

After the funeral services at his late residence, the remains were laid to rest in Multnomah cemetery, where the beautiful floral pieces, as a last tribute, showed the love and respect of many friends.

Sick Headache.

This distressing ailment results from a disordered condition of the stomach. All that is needed to effect a cure is a dose or two of Chamberlain's Stomach and Liver Tablets. In fact, the attack may be warded off greatly or lessened in severity, by taking a dose of these Tablets as soon as the first symptom of an attack appears. Sold by Geo. A. Harding.

If You are Not Particular

don't travel over the Illinois Central, as any old road will do you and we don't want your patronage; but if you are particular and want the best and mean to have it, ask the ticket agent to route you via the Illinois Central, the road that runs through solid vestibule trains between St. Paul, Omaha, Chicago, St. Louis, Memphis and New Orleans.

No additional charge is made for a seat in our reclining chair cars which are fitted with lavatories and smoking rooms, and have a porter in attendance. Rates via the Illinois Central are the lowest and we will be glad to quote them in connection with any transcontinental line.
