#### DOES HE MEAN US?

we have distributed among the good people of Clackamas county several hundred packages of garden seeds. These seeds are sent to the Enterprise annually from Washintgon, D. C., and their distribution has never been seeds cost us nothing and we are pleased to present them to readers of

ing. They cost the people millions of a good sign. Some people are too dollars and represent one of the many poor to buy books, but in this country useless government extravagances, of high wages and cheap literature They are dealt out by the car load to they are few, not numerous. Smoke senators and representatives who par- fewer cigars. Take the money you cel them out by the mail-sack full to thus save and put it in books. Any tarrh. their lieutenants, and these lieuten- good book gives pleasure. The pleasants distribute them wherever they ure is greater when the book is the think they will do the machine the reader's own. There are few sensamost good. We thought Mr. Brown- tions more agreeable than those of a Peruna: ell controlled this vote-purchasing book lover watching his little library commodity in this county and were grow. not aware that the proprietor of the Enterprise shared it with him.

"It is commonly understood that contractors work off on the government be glad to hear about it.

The Courier contracted with a replate subscriptions the Courier has been the lists this early. giving one of these assortments free to each new subscriber. We lose money on these subscriptions but advertisers know the value of a large circulation and are willing to pay increased week's "Conrier," we read the folprices for advertising.

The insinuating paragraph quoted above is a rather cowardly attack. go to A. M. K. We presume it springs from jealousy

## REGARDING ROADS.

The correspondent from the High lying districts of Clackamas county.

The general policy of road building the people. One of the principles first class "trunk lines" and best improvement of roads as they neared the it that all Grange news is sent in. market. This last on the theory that the farmer with a loaded wagon could travel a difficult road a short distance come into the improved road as his team began to grow weary.

The people living in distant parts of the county, however, were only satisfied to have their roads neglected with the expectation that it would be a temporary [condition. This correspondent remarks that the Highland country has been settled fifty years. This is the fact and these people have waited a long time for a passable highway to market. It is time now to connect this county by passable roads with the "improved roads leading to building, rooms 16, 17 and 18.

Beatie & Beatie, dentists, Weinhard exhibit from Clackamas county for the building, rooms 16, 17 and 18. the market. This [applies also to the numerous outlying districts in Clackamas county. Such improvements as these come [before an expenditure of \$15,000 for a bridge across the Clacka-mas river. They seem to us to be the next thing in order. We would all next thing in order. We would all be glad to see the county pull out of debt. "We do not all see the justice, however, of closing the purse that these districts have helped faithfully to fill, just as it is coming their time ot reap some of the rewards for patiently contributing and waiting.

# SOCIALIST ORGANIZATION.

The Socialist party in Clackamas county is contemplating a compact, thorough organization. These men have their hearts wrapped up in their theories. This kind of enthusiasm is contagious.

Do you believe that the Democratic party advocates the true principles of government that should prevail in this Republic? Do you fold your hands ard say "Let things go as they will?" If you do you are not a good citizen. You are also a very unsatisfactory sort Entered in Oregon City Postoffice as 2nd-class matter of a Democrat. Too many people never experience an interested feeling in governmental affairs until they get 75 an itch for office. Those are just the fellows that flop to the patry in power, whatever that party may hap-

> If you are a Democrat take an interest in Democracy's plans and pur-5.00 poses. Acquaint yourselves with its principles thoroughly that you may 1.75 impart its teachings to your neighbor.

Do you know that the Socialist has his whole faith at his tongue's end? If this notice is marked your subsecution is due He is watching always to win your neighbor who has formed no convictions and your other neighbor who is a faltering, uncertain Democrat, to his way of thinking. If you believe your party is right you must believe that some day its doctrine will pre-The Enterprise is not conducting a vail. Your labor should be to hasten seed store but in the last two months the day.

#### LEARN TO READ.

Perhaps you don't like to read. conditioned on your becoming a sub-scriber to this paper or the payment piece of work you can ever do for of a year's back subscription. The yourself, no matter what your walk Teach yourself so to do. It is the best in life; and the public library affords the Enterprise or others who may call, unsurpassed facilities for doing it all of whom are welcome so long as cheaply." Few read books much withthe now limited supply lasts. - Oregon out learning to love 'them, ar I few love them without wanting to own The seeds cost the Enterprise noth- them. Indulge that hankering. # WHY DO YOU COUGH?

Do you know that a little cough is a dangerous thing? Are you aware that it often fastens on the lungs, and so far too often runs into Censumption and ends in death. Can you Oregon afford to trifle with so serious a mat-ter? Acker's English Remedy for coughs, colds and consumption is beyond question the greatest of all modern remedies. It will stop a cough in one night and it will check a cold in a day. It will prevent croup, relieve asthma and cure consumption. Our faith in it is so strong that we guarantee every bottle to give satisfac-tion or money back. Huntley Bros. Co. \$1.75 IN ADVANCE

MISS FLORENCE KENAH

Miss Florence E. Kenah. 434 Maria street, Ottawa, Ont., writes: "A few months ago I caught a severe cold, which settled on my lungs and remained there so persistently that I became alarmed. I took medicine without benefit, until my digestive organs became upset, and my hezd and back began

to ache severely and frequently.
"I was advised to try Peruna, and although I had little faith I felt so sick that I was ready to try anything. It brought me blessed relief at once, and I felt that I had the right medicine at last. Within three weeks I was completely restored and have enjoyed perfect health since.
"I now have the greatest faith in Peruna." Florence E. Kenah.
