

### Revivalists Who Are Holding Overflow Meetings

REV. J. E. SNYDER

R. N. JEFFERY

#### SANDY

Fishermen of the dozen are coming from the cities loaded down with fishing paraphernalia and some time a shot gun, wander up and down the stream fishing for fish and some times good catches are made. Sometimes angle worms are used a bait, some times money, altho fishing has been very good, if a fisherman's word can be taken for full weight.

Crops of all kind are very promising, also fruit promise so far to be a bumper year.

The county court was out visiting our community, inspecting our roads, and the court will comply with the people's wishes and improve the lower Boring road, which is considered by our people the proper road to improve.

A petition is being circulated to extend the lower Boring road to a new settlement running east to open up this new settlers' domain, also giving the people of the Bluff road and Cottrell an outlet to Boring station.

Neighbor Coyan, of Portland, Woodmen organizer, is out looking for timber to strengthen our lodge. A Circle will be organized if possible.

Johnson Bros. are moving their machinery in their new mill and soon another mill will chew up our timber.

The Woodmen will have a special meeting Saturday, April 29, to consider a Fourth of July celebration.

August Hornecke has gone to Eastern Oregon to inspect his mining property there.

Miss Mary Mitchell has returned to Oregon City to resume her position in a department store.

W. P. Roberts, of Gresham, local agent for the N. Y. Mutual Insurance Co., was canvassing this locality.

Vern Rodgers has left for the big city by the fair.

#### MILWAUKIE.

The Milwaukie schoolhouse is receiving a new coat of paint.

The young friends of the Misses Davis gave them a surprise party last Saturday evening. A very pleasant evening was spent.

The losing side in the W. O. V. contest, "Billy" Jacks, captain, gave the winning side an oyster supper last Saturday evening. These present report a very enjoyable time.

Many Grangers from Milwaukie attended Pomona Grange at Parkplace last Wednesday. Pomona Grange will meet with Milwaukie Grange in July.

The teachers dismissed the pupils Friday afternoon and invited the patrons of the school to see the exhibit for the Lewis and Clark Fair. The exhibit is splendid and shows much painstaking work by pupils and teachers. Much regret was expressed that no funds were available to send the exhibit to the Fair. It is probable that some effort will be made to secure the needed amount.

Milwaukie Grange, No. 208, held its regular all-day meeting Saturday. Several visitors were present. Much important business was transacted. An amendment to raise the dues to 15 cents a month was carried, the five cents to become a sinking fund for a new hall. Leo Duffy was appointed Grange correspondent. It was reported to the Grange that there was no money to send the exhibit of the Milwaukie school to the Fair. It was voted that the Grange assist the school out of their trouble and Mrs. M. D. Reid was appointed a committee of one to attend to the matter at once.

The Milwaukie city council was wrestling with the "open street" problem at a late hour Tuesday night.

### Often The Kidneys Are Weakened by Over-Work.

Unhealthy Kidneys Make Impure Blood.

It used to be considered that only urinary and bladder troubles were to be traced to the kidneys, but now modern science proves that nearly all diseases have their beginning in the disorder of these most important organs.

The kidneys filter and purify the blood—that is their work. Therefore, when your kidneys are weak or out of order, you can understand how quickly your entire body is affected and how every organ seems to fail to do its duty.

If you are sick or "feel badly," begin taking the great kidney remedy, Dr. Kilmer's Swamp-Root, because as soon as your kidneys are well they will help all the other organs to health. A trial will convince anyone.

If you are sick you can make no mistake by first doctoring your kidneys. The mild and the extraordinary effect of Dr. Kilmer's Swamp-Root, the great kidney remedy, is soon realized. It stands the highest for its wonderful cures of the most distressing cases, and is sold on its merits by all druggists in fifty-cent and one-dollar size bottles. You may have a sample bottle

by mail free, also a pamphlet telling you how to find out if you have kidney or bladder trouble. Mention this paper when writing to Dr. Kilmer & Co., Binghamton, N. Y. Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.

1855 he built a saw mill on the place, and in 1866 he put in a carding mill. In 1868 he built an addition to the sawmill, putting in a planer and circular saw. In 1877 he erected a flouring mill, known as Union Mills, and in 1880 he was elected and served the county two years as commissioner. He was married in 1851 to Susan E. Glover, daughter of John H. H. Glover, of Eagle Creek, and of this union there were nine children, D. N. J. H. B., Eliza J. and Kate M., now deceased, and E. L. of Union Mills, D. L. of Union Mills, J. E. Sheridan, Or., Ellen Paine, of Lebanon, Or., and I. V., of Reedville, Or. He was married a second time in 1895, and had one child, Flora Adaline.

#### Mrs. Ruth E. Hobbs.

H. L. Skirvin, of Marquam, was in the city Friday and reported the death of his daughter, Mrs. Ruth E. Hobbs, which occurred at 2 o'clock Sunday morning, April 9. Mrs. Hobbs was formerly Mrs. Green, and had two children, Harvey, aged 15 years, and Ruth, aged 13 years. About five years ago she married Samuel Hobbs and went to Montana to live, taking her children. Some months ago she was operated upon and the wound never healed properly. Her life with Mr. Hobbs was not a happy one and a few weeks ago they decided to live apart, and Mr. Hobbs gave her \$100. She arrived home with her children two weeks ago, and 20 minutes after her arrival she was compelled to retire to bed and never rose again. Her age was 45 years. The funeral was held Tuesday at Marquam.

#### The Good of Medicine.

People insisting that medicine does no good, have one stubborn fact to contend with, that is, the people who do believe are greatly in the majority. We have been so fortunate in during the past twenty years as to convince thousands of sufferers with weak, watery blood, who had all the symptoms of a general breaking down of the system, that one medicine, at least, does good. Nervous and unsteady people, weak, fleshless people, pimply, pale or sallow people can have strong, steady nerves and solid, healthy flesh by the use of Dr. Gunn's Blood and Nerve Tonic. A tablet taken at meal time, it turns the food you eat into rich, red blood, making solid flesh at the rate of 1 to 3 pounds per week. Sold by all druggists for 75c per box, or 3 boxes for \$2. This medicine saves doctor's bills and insures health, giving the very best treatment possible. Charman & Co., City Drug Store.
