THE cost of a typewriter is not merely the price. Consider the quality and amount of work it does; the time it saves or loses; how economizes or wastes ribbons and supplies; and, how well it wears. The lowest-price machine may be mighty expensive in the end, while a higher-price one may pay dividends. A little investigation will show that

The Smith Premier

The World's Best Typewriter

is the most economical writing machine ever made. It not only does the best and speediest work, but it wears far longer, and in the end costs less money, than any other make of writing machine.

Write today for our little book which explains why High-Grade Typewriter Supplies, Machines Rented, Stenographers Furnished.

A great exhibition of fireworks will be given Saturday evening, July 22, and the management announces that it will be the best ever given at the assembly.

The two great musical events of the session occur Saturday evening, July 22, and Sunday evening, July 23, when a great chorus of over 100 voices will render the cantatas, "The May Queen," and "Hiawatha's Wedding Feast."

A little life may be sacrificed to an hour's delay. Cholera infantum, dysentery, diarrhoea come suddenly. Only safe plan is to have Dr. Fowler's Extract of Wild Strawberry always on hand.

George Clark Let Go.

Judge McBride Monday afternoon paroled Geo. Clark, who was arrested some time ago on a charge of being an accomplice in the robbery of several dental parlors in this city. Clark's wife appeared and represented that he yielded to the temptation only in a time when in a weak condition, being out of employment and without funds. The Judge paroled Clark for six months, with the understanding that in the meantime he shall refund to the dentists of this city in cash the amount of booty that was taken. Clark is by occupation a locomotive engineer, but has been out of work for some time. It is generally understood that his true name is not Clark.

If you desire a good complexion use Moki tea, a pure herb drink. It acts on the liver and makes the skin smooth and clear. Cures sick headaches, 25cets and 50cets. Money refunded if it does not satisfy you. Huntley Bros. Co.

Sues for Separation.

Suit has been entered in the circuit court by Josephine Barde against Nathan Barde for divorce. The complaint alleges that the Bardees were married at Vancouver, Wash., in January, 1901, and to them was born one child, Bernard Barde, who is at the present three years old. Plaintiff also alleges that her husband began a systematic course of abuse by swearing at her in the presence of herself and others and by calling her vile names, that completely undermined her health. She claims that she was forced to leave him for these reasons and for other reasons of cruelty. She also asks for the care and custody of the minor child.

Appropriated \$800 for Work.

A meeting of the stockholders of the Crown Bay Mining and Milling Company was held this week and appropriated \$800 for the purpose of continuing the work of driving the tunnel that their men are now working on, their claim in the Blue River Canyon district. The tunnel has already been driven to a depth of about 450 feet and the superintendent is of the opinion that he will crosscut the ledge within a distance of 100 feet more.

Ask Triple Damages.

Suit has been instituted in the circuit court of this county wherein J. W. Roots, by his attorneys, H. E. Cross and C. H. Dye, seeks to recover \$3100 as damages, which he claims to be due him from the Boring Junction Lumber Company. In his complaint plaintiff alleges that the defendant, by its agents and employees, between March 1 and July 1, 1905, did unlawfully and without lawful authority enter upon his lands and greatly damaged him by cutting and removing wood therefrom and converting it to its own use. He claims that about 1800 cords of wood were taken, and that his land was damaged by a great number of roadways made by heavy wagons.

Complaints were also filed by Eliza Roots against the company in which she asks damages to the extent of \$1000, claiming that defendant removed from her premises about 50,000 cedar posts and 184 telephone poles.

MARTIN BOYLES MEETS DEATH

Crushed By Horse Near Sunset City.

HORSE'S NECK BROKEN

Animal Shied on Hill and Was Backed Over 25-Foot Embankment.

While driving a fractions horse up the hill approaching Sunset City Monday evening, Martin L. Boyles was backed by the animal over a 25-foot embankment, which resulted in the death of Boyles.

The unfortunate man was accompanied by two boys by the name of Harry Clark and White, who on seeing that the animal was uncontrollable jumped in the nick of time and barely saved their lives, receiving but slight scratches.

It is reported that Boyles had been drinking during the day, and noticing the horse shy while descending the hill, reached for the lines and began to pull backwards, which necessarily brought the horse to backing and before it could be brought to a stop the buggy was over the edge of the precipice and pulled the horse after it. The irritated animal on going over fell backwards onto the buggy, crushing its occupant, and demolishing the vehicle, and breaking its neck.

Coroner Holman was summoned to the scene and took charge of the remains, but did not deem it necessary to hold an inquest.

Martin Boyles was 56 years of age, and is survived by a wife and three children, Mrs. M. Boyles, Minnie Boyles and Harry Boyles, all of this city, and Alice Boyles, of Portland.

Funeral was held from the family residence, Wednesday, July 13, at 1:30 p. m. Interment in Mountain View cemetery.

Indigestion.

With its companions, heart burn, flatulency, torpidity of the liver, constipation, palpitation of the heart, impure blood, headache and other nervous symptoms, sallow skin, fount tongue, offensive breath and a legion of other ailments, is at once the most widespread and destructive malady among the American people. The Herbine treatment will cure all these troubles. 50c a bottle. Sold by Charman & Co., City Drug Store.

Women Entrapped on Bridge.

Three young ladies from Portland, whose names could not be learned, narrowly escaped being entrapped on the Southern Pacific bridge which spans the Clackamas river at a point about two miles north of this city, by a southbound freight train, Sunday afternoon. It is learned that the ladies were crossing the bridge and after reaching a point at about the center of the bridge a freight train appeared, coming at great speed, around a heavy curve. Two of the women managed to secret themselves among the bridge timbers, but the third one in her fright attempted to reach the other side of the river. Seeing that she could not beat the train across, she dropped down between the ties just in time to allow the train to pass over. The pilot of the engine caught her clothing and tore it from her person. Fortunately, the garments gave way without taking the young woman with them, and she escaped with but a few bruises.
