EXPOSITION HAS RECORD

Attendance at Big Fair More Than a Million.

ALL OTHERS ARE BEATEN

Clackamas County's Display of Products Causes People to Sit Up and Take Notice.

PORTLAND, Or., Aug 17.—The million mark has been reached and passed in the record of attendance at the Lewis and Clark Exposition. When the 27,420 admissions of August 2 were added to the aggregate since the fair opened on June 1, it was found that in sixty-three days 1,013,551 of gate admissions had been recorded by the turnstiles. The admissions department was jubilant, and all the rest of the exposition officials and the people of Portland and the Pacific Northwest in general joined in the jubilation. Figures tell the truth, and these figures show that the Lewis and Clark Centennial is a success.

THE cost of a typewriter is not merely the price. Consider the quality and amount of work it does; the time it saves or loses; how it economizes or wastes ribbons and supplies; and, how well it wears. The lowest-price machine may be mighty expensive in the end, while a higher-price one may pay dividends. A little investigation will show that

The Smith Premier

Nothing succeeds like success, and the Portland Fair has shown by actual and indisputable figures that it is a success. As it is a Western enterprise the entire West is to be congratulated, and if the East still imagines that 'nothing good can come out of Nazareth' let that section take notice of the most successful of all American expositions.

Through the united efforts of enthusiastic citizens, Clackamas county display at the Exposition has assumed a position among the foremost of the county exhibits at the Exposition. Clackamas shows eleven different varieties of wheat, ranging from 61 to 67 pounds to the bushel. This is the heaviest wheat at the whole Exposition.

The tallest oats shown are from Clackamas county, and an exhibit of vetches displays a stalk that is one foot and nine inches higher than any other exhibit in the building.

The Williams to Pulp & Paper Co. has the largest roll of newspaper ever placed on exhibition, 140 inches wide, 3.66 miles long, containing 217,000 square feet. This roll of paper if placed on the county road, would make a thoroughfare nearly 12 feet wide and would reach from Canby to this side of New Era.

Clackamas county's onions are better than those of any other Oregon county, with the exception of Umatilla. The fruit and vegetable exhibits are good, and the exhibit of native birds displays 79 varieties.

Waiting doesn't pay. If you neglect the aching back, Urinary troubles, diabetes, surely follow. Doan's Kidney Pills relieve back-ache. Cure every kidney ill.

W. H. Kelly, engineer employed on the Union Pacific R. R., living at 391 Second Street, Portland, Or., says: "For several years I was bothered more or less with kidney trouble, particularly if I contracted a cold when it was sure to send me to bed with a lot of time trying medicines which did not help me, but finally learned of Doan's Kidney Pills and got a box. The first few doses helped me so much that I continued taking them until I had used six boxes. They relieved me entirely and since I stopped taking them there has not been the slightest sign of a recurrence. I have advised others to use Doan's Kidney Pills and shall continue to recommend them."

Plenty more proof like this from Oregon City people. Call at Dr. C. G. Huntley's drugstore and ask what his customers report. For sale by all dealers. Price, 50 cents. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States.
