

HEALTH is the Most Important

The manufacturers of Royal Baking Powder have had 40 years of scientific experience. Every method of bread-and-cake raising has been exhaustively studied in this country and abroad. The result is a perfect product in Royal Baking Powder. There is no substitute for it. The purity and efficiency of Royal Baking Powder have been commended by the highest authorities of the world. These facts mean two important things to all housekeepers:

- First: that Royal Baking Powder is healthful and makes wholesome food.
- Second: that Royal Baking Powder makes food good to taste.
