

INSTITUTES FOR FARMERS

Meetings in Five Clackamas Towns Next Week.

NOTED MEN TO LECTURE

Agricultural Subjects to Be Treated at Oregon City, Eagle Creek, Logan, Canby and Molalla.

Farmers' institutes will be held in different parts of Clackamas County next week, and speakers of state reputation will talk to the people of Oregon City, Molalla, Canby, Logan and Eagle Creek. The Oregon City Board of Trade has the matter in hand and has arranged for two meetings next Tuesday, at 7:30 p. m., when Dr. Withycombe, and Professor Cordley, of the State Agricultural College, will speak at Eagle Creek in the Grange hall. At the same hour and on the same day Professor Kent, and Hon. Wilbur K. Newell, of Washington county, will deliver addresses at the Grange Hall at Logan.

Two meetings will be held next Monday at Canby and Molalla. The Canby meeting will take place at 1 p. m., and Dr. Withycombe will speak on diversified farming. Professor Cordley will lecture on fruit raising. Professor Kent will deliver his celebrated lecture on dairying and J. H. Reid, county fruit inspector, will be on hand and advise with the fruit growers regarding the laws relating to fruit pests. The same programme will be given at Molalla Monday evening at 7:30 o'clock.

E. L. Smith, of Hood River, will meet the people of this county, probably in the county court room next Wednesday morning at 10 o'clock and the or-

ganization of a county horticultural society will be effected. In the afternoon at 1:30 o'clock Dr. Withycombe will deliver his lecture on scientific farming, and Professor Cordley will speak on fruits.

In Oregon City on Wednesday evening Professor Kent will deliver his lecture on dairying, and will illustrate his talk with stereopticon views.

Man's Unreasonableness

Is often as great as woman's. But Thos. S. Austin, manager of the "Republican," of Leavenworth, Ind., was not unreasonably, when he refused to allow the doctors to operate on his wife for female trouble. "Instead," he says, "we concluded to try Electric Bitters. My wife was then so sick, she could hardly leave her bed, and five physicians had failed to relieve her. After taking Electric Bitters, she was perfectly cured, and now can perform all her household duties." Guaranteed by Howell & Jones, Druggists. Price, 50c.

MOUNTAIN VIEW.

The main talk in this burg now is "when will we have a pie social?" Next week on Friday evening has been suggested.

Frank Bullard is building a new cellar and root-house for cold weather. Mr. Kleinsmith has moved his house and other buildings near his barn which is on his land opposite Mr. Molloy.

Mrs. Matchett and Miss Wisler spent last Sunday among friends in Portland, visiting the City Park and other places of interest.

Mr. Gillett has been out three miles in the country lately, digging a well for Mr. Turman. They struck a fine vein of water at 22 feet, and are now walling the well.

Harry Harding, of Portland, was visiting friends here on the hill Saturday and Sunday.

Father Dixon expects to go to California next month on a visit.

The Mountain View Church fence has been painted and the yard mowed and cleaned off, which is a decided improvement. There are some leakages to be fixed on the church and sidewalk built.

The D. of H. and A. O. U. W., will give a joint social Saturday evening, November 18th. Members all plan bringing refreshments.

Improved Mail Service.

Through the united efforts of the Board of Trade and Postmaster Tom Randall, the Postmaster General changed the mail schedule out of Oregon City, and beginning with last Monday the 12:20 P. M. electric car to Portland will carry mail and the 1:20 P. M. service will be discontinued. This is the same as the schedule formerly maintained and gives Oregon City people a noon mail to Portland. Under the existing schedule no mails left this city for Portland between the hours of 10 A. M. and 4:20 P. M.

Herb W. Edwards Injured.

Herb W. Edwards, of Des Moines, Iowa, got a fall on an icy walk last winter, spraining his wrist and bruising his knee. "The next day," he says, "they were so sore and stiff I was afraid I would have to stay in bed, but I rubbed them well with Chamberlain's Pain Balm and after a few applications all soreness had disappeared." For sale by Geo. A. Harding, Druggist.

Stockholders Meeting.

The adjourned annual meeting of the Stockholders of the Willamette Valley Chautauqua Association is called to meet on Friday, November 24, 1905, at the hour of 2:30 p. m. at the County Court room, in the Court house at Oregon City, Oregon, for the purpose of electing a president, secretary, treasurer, and a full board of directors to serve for the ensuing year. A full attendance of stockholders is urgently requested.

C. H. DYE, Vice President.
H. E. CROSS, Secretary.

Son Lost Mother.

"Consumption runs in our family and through it I lost my mother," writes E. B. Reid, of Harmony, Mo. "For the past five years, however, on the slightest sign of a cough or cold, I have taken Dr. King's New Discovery for Consumption, which has saved me from serious lung trouble." His mother's death was a sad loss for Mr. Reid, but he learned that lung trouble must not be neglected, and how to cure it. Quickest relief and cure for coughs and colds. Price, 50c and \$1; guaranteed at Howell & Jones' drugstore. Trial bottle free.

Often The Kidneys Are Weakened by Over-Work.

Unhealthy Kidneys Make Impure Blood.

It used to be considered that only urinary and bladder troubles were to be traced to the kidneys, but now modern science proves that nearly all diseases have their beginning in the disorder of these most important organs. The kidneys filter and purify the blood—that is their work.

Therefore, when your kidneys are weak or out of order, you can understand how quickly your entire body is affected, and how every organ seems to fail to do its duty.

If you are sick or "feel badly," begin taking the great kidney remedy, Dr. Kilmer's Swamp-Root, because as soon as your kidneys are well they will help all the other organs to health. A trial will convince anyone.

If you are sick you can make no mistake by first doctoring your kidneys. The mild and the extraordinary effect of Dr. Kilmer's Swamp-Root, the great kidney remedy, is soon realized. It stands the highest for its wonderful cures of the most distressing cases, and is sold on its merits by all druggists in fifty-cent and one-dollar size bottles. You may have a sample bottle

Home of Swamp-Root, by mail free, also a pamphlet telling you how to find out if you have kidney or bladder trouble. Mention this paper when writing to Dr. Kilmer & Co., Binghamton, N. Y. Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.

Use a Steel Range!

Every housewife in this day and age should have a Steel Range in her kitchen. She is entitled to this labor-saving invention. Her housework gives her labor enough, without the added worry of the kitchen and a poor baking stove.

The "Eclipse" is a noted baker and is the favorite among the range users of Portland where we have sold it for the past 15 years.

The "Eclipse" range is built of cold-rolled steel and has three walls about the oven—the outer and inner walls being built of steel and the middle wall of heavy asbestos, all securely hand riveted together. In fact, it is built like a locomotive in its thoroughness. It has a large oven and a large fire-box; a high warming closet, perfect dampers and draft regulator. The oven is very quick in its action, baking bread quickly and evenly. This is its chief merit. There is no range in existence that is its equal in baking qualities.

We will sell you Clackamas county people this range on the small payment of

\$5.00 Down and \$5.00 a Month

Now is the time to accept this offer, as the price will soon advance, owing to the steady rise in iron and steel. Present prices range from

\$37.50 to \$60.00
