

THE OFFICIAL CALL.

Dear Committeeman:

You are hereby notified that a meeting of the Democratic County Central Committee will be held at the office of O. D. Eby, in Oregon City, Or., Wednesday, January 17, 1906, at the hour of 10:30 a. m. You will also invite the individual Democrats of your precinct to attend and take part in the meeting and its discussions and make suggestions, as it is desired to arrive at an understanding of a wish of the majority of the Democrats on certain questions.

While conditions have at times been such as to cause one almost despair of doing anything for better government, we are very glad to state that at this time there is a disposition being shown among the thinking class of people to shake off the political machine that has held them in its toils for so long in this county and state, and we believe that if the Democrats of this county and state will put their shoulders to the wheel in the coming campaign they will be able to do much, and it is not at all unlikely that they may be able to make a clean sweep for state, district and county officers.

Much, however, depends upon the individual worker, and it is the wish that every committeeman as well as a large number of the rank and file of the party attend this meeting and assist in the work for better government.

You no doubt understand that the nominations for state, district and county officers this year will be made at a primary to be held in April instead of in convention as heretofore, and it is one of the objects of this meeting to thoroughly discuss this primary law and as near as possible have the voters understand what is necessary to do.

Do not neglect this meeting, but be sure and come and bring a delegation from your precinct.

O. D. EBY,
Chairman Democratic County Central Committee.

Attest: Shirley Buck, Secretary.

LIBERAL.

Plows were running part of last week, but Saturday put a stop to farming for a few days, at least. Stock are wintering well so far, and plenty of feed. Fall grain has grown very slow, but is beginning to green up now.

There is a good demand for milch cows and very few good cows for sale. Stock hogs are scarce and high prices prevail, with a good call.

P. M. Graves and daughter, Iva, were out from Oregon City visiting relatives and friends for a few days, returning home Monday.

J. Langley, of Silverton, passed through here Tuesday with six span of horses for the Portland market. They were heavy draft horses.

"R. H. Trullinger started his school Monday morning. He will hold the lot for four months' spring term.

Wasn't that a mix-up with the Liberal and Russellville items a few weeks ago? The wedding had a

DC YOU GET UP

WITH A LAME BACK?

Kidney Trouble Makes You Miserable.

Almost everybody who reads the newspapers is sure to know of the wonderful cures made by Dr. Kilmer's Swamp-Root, the great kidney, liver and bladder remedy.

It is the great medical triumph of the nineteenth century; discovered after years of scientific research by Dr. Kilmer, the eminent kidney and bladder specialist, and is wonderfully successful in promptly curing lame back, uric acid, catarrh of the bladder and Bright's Disease, which is the worst form of kidney trouble.

Dr. Kilmer's Swamp-Root is not recommended for everything but if you have kidney, liver or bladder trouble it will be found just the remedy you need. It has been tested in so many ways, in hospital work and in private practice, and has proved so successful in every case that a special arrangement has been made by which all readers of this paper, who have not already tried it, may have a sample bottle sent free by mail, also a book telling more about Swamp-Root, and how to find out if you have kidney or bladder trouble. When writing mention reading this generous offer in this paper and send your address to Dr. Kilmer & Co., Binghamton, N. Y. The regular fifty-cent and one-dollar size bottles are sold by all good druggists. Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.

great heading.

Mrs. Etta L. Hannagen and children, accompanied by Mrs. Fred Burns, visited the cemetery at Oregon City Sunday, as Mrs. Hannagen has the lot finished with a rock wall and a nice tombstone over the grave of her husband, lately deceased.

The pussy willows are coming forth, so spring is not far distant.

Meadow larks are here in large numbers and seem to enjoy this weather.

MOUNTAIN VIEW.

1906 brings cloudy and foggy days, which are very disagreeable.

J. M. Gillett is visiting among friends at Mulino this week.

Mrs. St. Clair is on the sick list.

Mrs. Will Henderson is also quite sick. Mrs. Hewlat Bradley is quite poorly this winter.

Eugene Ogle, of Molalla, made a business trip to Oregon City last week. He is thinking of getting a class in music as soon as convenient.

Mrs. Butterfield, of Portland, is visiting with Mrs. Marchett a few days this week.

Mr. Rambo and family, who have been living near Mr. McGeehan, have moved down town.

The new sidewalk on Molalla avenue has been laid to Seventh street.

Grandma Rowan is quite poorly lately.

Rev. E. S. Bollinger will preach at the Mountain View church next Sunday at 4 o'clock if the weather is not stormy.

Committees have been appointed to arrange for a social in this burg.

There is a protracted meeting held at the United Brethren Church this week. An evangelist from Philomath is here.

'HIGHLAND.

Everything in Highland is booming and everybody nearly at present wants a telephone. The demand for instruments is greater than the supply. Telephone poles are going up like mushrooms. Wires are being stretched with alacrity and before long the whole country will be hollering. The manufacturers of telephone instruments must have a harvest.

Division No. 8, of Beaver Creek Mutual Telephone Association, consisting of 18 members, has nearly all its instruments installed and are doing business in good shape. Fred Madison is director and president and G. E. Miller is secretary and treasurer. Will hold their annual meeting at A. Harrington's Saturday, January 13. Further or higher up there are two other divisions recently organized.

Highland Grange No. 26, P. of H., had a very pleasant meeting with 35

members present. The Grange during the year just closed has had quite an increase in membership. Its officers are diligent and efficient and take a great pride in their work. Joe Fisher, master; G. R. Miller, secretary.

Anyone desiring to register for the primary election can do so at G. R. Miller's, the notary, as he is now supplied with registration blanks.

MILWAUKIE GRANGE.

At the regular meeting of Milwaukie Grange Friday night, Side B, the losers in the contest, entertained Side A in a royal manner. A splendid supper was served and the evening was very pleasantly passed, listening to toasts and literary program.

One of the largest crowds that ever attended a Grange meeting in Milwaukie was present and all declared Side B to be excellent entertainers.
