A New Party Advocated-The Problem Republican Organization Starts On New of Life, by C. A. Reese.

MT. PLEASANT, Jan. 8 .- (Editor)

Roosevelt is giving us a square deal so far as he is concerned and to show my apreciation of his sterling manhood, I would have voted for him at the last election if the three electors in the state where I lived had not been the heads of the three different trusts—that was the rub! Could I, as a minion of the trusts,

who felt their iron heel upon my neck, vote for the heads of those trusts and be thoroughly satisfied with the man whom they were pledged to elect if they were successful? While Roosevelt was not pledged to

favor their interests—and the sequel has proved that he has not—would not has proved that he has not—would not their good offices imply an obligation that would prove a handicap? With a powerful party organization back of him and a platform that stood for everything he advocated and a direct vote, he would not only be in a position to advocate a square deal—BUT HE COULD ENFORCE IT.

I, for one, without being a heroworshiper, am an enthusiatsic admirer of such men as Theodore Roosevelt and Joseph Wingate Folk, of Missouri, and in view of the good they are doing and the greater good which

are doing and the greater good which they could do if they were not handi-capped. I heartily wish that one of them was the standard bearer of a new party, more conservative than the Socialist, but just as zealous for all needed reforms; a Union party, made up of the honest voters of all other parties, with a platform that could not be hooted down as favoring one class of people. Until that party is organized I shall vote the Prohibition tickst. ticket, as it represents a principle which I endorse, although I recognize the impossibility of a party riding into power on a single hobby.

Life is a problem nowadays, When no one will assist; It's up to all to find the ways Whereby they may exist. It's every mortal for himself, And the devil for us all, And that man's laid upon the shelf Who has not got his gall. Commodities which we all need

Are in a few big trusts, Whose managers are full of greed, And given up to lusts. What care they for the workingman, Who've fell into their trap, And have been so humbugged by

They don't know where thye're at? They've lost their manhood and their souls, their hearts fail to beat

Or they would not exact such tolls For everything we eat. Honor has perished in the land Which our forefathers gave,

And we are an unthinking band, With shackles of a slave. By we, I mean all men who toil For a few pairry cents,

For those who burn the midnight oil At workingmen's expense

Who spend their nights in revelry,
Their days in forging chains,
For their poor dupes who fail to see
That they have no just claims
Upon the product of the forge,
As they do not product.

As they do not create
A single thing for which they charge,
But only speculate. And now it's up to Theodore,

Or some other good man, To rend the chains from shore to And give us back again The freedom that was guaranteed To every citizen, And save the Nation from the greed

Of a few moneyed men CHARLES A. REESE.

NATURE TELLS YOU.

As Many An Oregon City Reader Knows Too Well.

When the kidneys are sick, Nature tells you all about it. The urine is Nature's calendar. Infrequent or too frequent action; Any urinary trouble tells of kid-

ney ills. Doan's Kidney Pills cure all kid-

ney ills.

Mrs. Wm. Rainwater, residing at 903 East First St., Albany, Or., says:

"My kidneys troubled me off and on "My kidneys troubled me off and on for eight years. Every time I contracted a cold it settled in my kidneys causing my back to ache often so badly that I could hardly get about to attend to my household duties. Accompanying this was a very annoying difficulty with the kidney secretions. I was treated by physicians.

DIS ing difficulty with the kidney secretions. I was treated by physicians, and took a number of highly recommended remedies but the relief I obtained was only temporary and I was about discouraged Finally I read an advertisement about Doan's Kidney Pills and got a box and began their use I expected some relief, of expected to my surprise they went Geo. Kirbyson, Pills and got a box and began the provided by the course, but to my surprise they went quickly to the root of the disease and cured me. Doan's Kidney Pills are the best kidney medicine I ever used and I have recommended them to a number of my neighbors."

MT. PLEASANT, Jan. 8.—(Editor of the Courier.—Apropos of your controversy with W. W. Myers, the Socialist, in which you invite a general discussion, I would take a position between the two, as I do not favor Socialism to the extent of sinking the individuality nor do I see how it is possible under existing conditions for a few men to fight down graft, and the trusts.

I am not an avowed Socialist who runs down the best government on earth, and who sneers at every attempt of honest reformers in the dominant parties to legislate for the best interest of the people, implying a sinister motive, but I recognize that it is a gigantic undertaking for a few men, however earnest or sincere they may be, and to insure success they must have a powerful party organization
