## DRS. BRIGGS & STEWART

? THE cost of a typewriter is not merely the price. Consider the quality and amount of work it does; the time it saves or loses; how it economizes or wastes ribbons and supplies; and, how well it wears. The lowest-price machine may be mighty expensive in the end, while a higher-price one may pay dividends. A little investigation will show that

The Smith Premier

The World's Best Typewriter

is the most economical writing machine ever made. It not only does the best and speediest work, but it wears far longer, and in the end costs less money, than any other make of writing machine.

Write 75-cents for our little book which explains why. High-Grade Typewriter Supplies. Machines Rented. Stenographers Furnished.
