"SAVED MY LIFE"
—That's what a prominent druggist said of Scott's Emulsion a short time ago. As a rule we don't use or refer to testimonials in addressing the public, but the above remark and similar expressions are made so often in connection with Scott's Emulsion that they are worthy of occasional note. From infancy to old age Scott's Emulsion offers a reliable means of remedying improper and weak development, restoring lost flesh and vitality, and repairing waste. The action of Scott's Emulsion is no more of a secret than the composition of the Emulsion itself. What it does it does through nourishment—the kind of nourishment that cannot be obtained in ordinary food. No system is too weak or delicate to retain Scott's Emulsion and gather good from it.

We will send you a sample free.
Be sure that this picture in the form of a label is on the wrapper of every bottle of Emulsion you buy.

Latest Designs in Watches

Men are tired of large clumsy watches. A small thin model case is more convenient and easy to carry.

We have very handsome gold filled cases in these small thin models. They have the appearance of a solid gold watch, are stronger, wear like one of them and really give better satisfaction.

The price of the filled watch is much less than the solid gold. We can furnish you a good gold filled case, warranted to last 20 years, with a full Jeweled Waltham or Elgin Movement from \$15.00 to \$20.00. Others as low as \$12.00.

Watch Repairing

If your watch is lazy and won't run bring it in we will examine and tell you just what is needed. Don't delay as delay costs money and often spoils a watch.

We guarantee all of our work.
