

## CITY ASKED FOR GROUND

Site for County High School May be Donated.

### TIME RIPE FOR ACTION

Superintendent Zinser Says Need of Concentration in Education is Imperative.

Oregon City has been asked to donate a block of ground for a county high school, and the matter was submitted to the council by County Superintendent J. C. Zinser, C. Schuebel and others. In June the voters of the county will vote on the proposition of establishing a county high school, and it was argued that if a site were offered before the June election, favorable action by the voters would be more probable. Should the proposition carry, the county court will be required to establish the school at some point in the county, and the logical place for such school seems to be the county seat.

"The matter is one of considerable importance to the people of this city and county," said Mr. Schuebel, "and it will come up at the June election. Oregon City schools are not what they ought to be for the town, and the need of a county high school is imperative. There is a public square at the head of Seventh street that is now used for a garbage dump. There is another good site in the vicinity of Twelfth and Jackson streets."

"The time is fully ripe," said Superintendent Zinser, "to establish a county high school, and the sentiment of the people of the county is in favor of such an institution at this time. If we fall in the June election to carry the project we shall have a district high school, composed of the districts of Oregon City and vicinity, but I do not think we shall fail, and it would be a great leverage if we could go out on the canvass and tell the people that Oregon City had already promised us a site. The need of concentration is evident. Several towns in the county have simply a part of a high school. Oregon City should meet the proposition more than half way, and it is due to the educational necessities of Clackamas county to establish a high school."

Mr. Schuebel said that the cost to the taxpayers would not be more than one-half mill, on an assessed valuation of \$10,000,000.

### COUNCIL POSTPONES ACTION.

Matter of Twelfth Street Improvement Deferred Until Later.

At Wednesday's Council meeting, the principal item was the proposed Twelfth street improvement. The committee on streets and public property made a report showing the sentiment of the property owners on the street as follows:

For improvement—12 lots; against improvement, 18 1/2 lots; non-resident owners, 15 lots; residents and not

signing either petition or remonstrance, 6 1/2 lots; public property, 12 lots; total, 64 lots.

The report of the committee disclosed the information that some of the signers were not on the assessment roll, and the property represented on the petition would just about stand off that on the remonstrance. An informal discussion took place, and an examination showed that the cost to the city would be about \$6,200. The members of the council fought shy of definite action, and the matter was laid over until a later meeting.

The council listened to exploitation of fire apparatus, and postponed further action until a special meeting, which will probably be held next week.

M. Bollack, who was employed to expert the books of the city, made a report. He found the books of the recorder, treasurer and water commission in good condition, with the exception of a few clerical errors, that had been corrected, and he recommended a new system of book keeping. The recommendations were referred to the finance committee, with power to act.

Every 5 cents paid on subscription-entitles you to a vote on our big Cream Separator offer. See page 5.

### ELDORADO.

The patrons of the Eldorado school met at the schoolhouse last Saturday and proceeded to build a porch onto the schoolhouse. This porch when finished will give a neat appearance to the schoolhouse. The teacher and pupils raised the funds to buy the material for the porch. This enterprising community has a schoolhouse and grounds that with just a little more work will rank with and above most of the average country schoolhouses in Clackamas county. This happy state of affairs has been brought about by the hearty co-operation of teachers, parents and pupils.

I. E. Jones has sold his property here and is going to Oregon City.

Mr. Ronli, of Oregon City, was visiting Will Jones.

John Helvey, who is working at Marquam, is spending a few days at his home with his mother, Mrs. B. J. Helvey.

Dr. and Mrs. Goucher visited relatives in Malino last Tuesday.

Mr. Hulstine, of Allentown, Pa., is visiting Richard Schoenborn and family.

Mrs. R. Schoenborn has gone to Portland to spend a couple of weeks visiting and shopping.

### AS GOOD AS ANSWERED.

He: "Suppose I should ask your father if I could marry you—do you think I'd stand any chance?"  
 She: "No; your case would be hopeless."  
 He: "Why? Would he say no?"  
 She: "Not that, but he would leave the decision to me."

### REWARD FOR MISSING MAN.

John Heinrich, of Clackamas, is Insane, and Has Disappeared.

Fifty dollars reward has been offered to the person who will restore John Heinrich to his family. Heinrich disappeared from his home on Clackamas river, two miles east of Clackamas Station Tuesday morning, and grave fears are entertained for his safety.

For several days Heinrich, who is about 50 years of age, and a well-to-do farmer of Clackamas, had been out of his mind, and his relatives watched him closely, as he said he was going to kill himself. Tuesday morning, however, he escaped their vigilance, and succeeded in making his escape. As soon as his disappearance was known, searchers started to find him, but nothing had been seen or heard of him.

There is no doubt but that he is violently insane and it is possible that he may have thrown himself in the raging waters of the Clackamas river and been drowned. His wife and family are exhausting every means to find him.

Keep the little ones healthy and happy. Their tender, sensitive bodies require gentle, healing remedies. Hollister's Rocky Mountain Tea will keep them strong and well. 35 cents. Tea or tablets. Huntley Bros. Co.

*Don't Dose the Stomach in Nasal Catarrh. Breathe Hyomei.*

No dangerous drugs or alcoholic concoctions are taken into the stomach when Hyomei is used. Breathed through the inhaler, the balsamic healing of Hyomei penetrates to the most remote cells of the nose and throat, and thus kills the catarrhal germs, heal the irritated mucous membrane, and gives complete and permanent cure.

Hyomei is the simplest, most pleasant and the only guaranteed cure for catarrh that has ever been discovered. Complete outfit, \$1; extra bottle, 50 cents. For sale by Huntley Bros. Co.

### Often The Kidneys Are Weakened by Over-Work.

Unhealthy Kidneys Make Impure Blood.

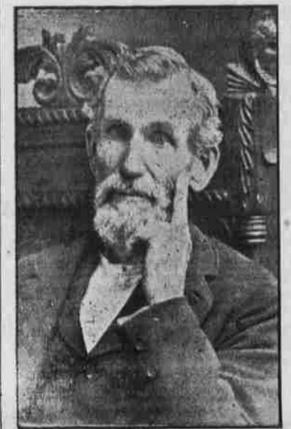

It used to be considered that only urinary and bladder troubles were to be traced to the kidneys, but now modern science proves that nearly all diseases have their beginning in the disorder of these most important organs. The kidneys filter and purify the blood—that is their work.

Therefore, when your kidneys are weak or out of order, you can understand how quickly your entire body is affected and how every organ seems to fail to do its duty.

If you are sick or "feel badly," begin taking the great kidney remedy, Dr. Kilmer's Swamp-Root, because as soon as your kidneys are well they will help all the other organs to health. A trial will convince anyone.

If you are sick you can make no mistake by first doctoring your kidneys. The mild and extraordinary effect of Dr. Kilmer's Swamp-Root, the great kidney remedy, is soon realized. It stands the highest for its wonderful cures of the most distressing cases, and is sold on its merits by all druggists in fifty-cent and one-dollar size bottles. You may have a sample bottle by mail free, also a pamphlet telling you how to find out if you have kidney or bladder trouble. Mention this paper when writing to Dr. Kilmer & Co., Binghamton, N. Y. Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.

Independent (Hayseed) Candidate for STATE SENATOR

N. F. NELSON  
Of Harding Precinct, Clackamas County

passed through our burg last Friday. He reported business good in his line.

Some here are worrying about the cold weather and the fruit crop.

Pursuant to notice given, the faithful nine met at G. O. P. headquarters, with Joshua in the chair. The first order of business was the report of the committee on inspiration and enthusiasm. The committee reported the jug about half full and the committee half full. The chairman promptly informed them that the meeting would take a recess of five minutes and study political economy from a Republican point of view.

B. F. Noyer is still improving his ranch. He informs us that he has five acres grubbed out and 155 acres in re ready to grub.

### CLACKAMAS.

The second section of the Republican candidates reached Clackamas Tuesday evening on schedule time, Engineer George C. Brownell in charge. In railroad parlance the affair was a limited one, that is most of the talking was limited to Mr. Brownell, whose heart was overflowing with charity for his opponents. Walter L. Toozie, who "happened" to be present, was greatly surprised when he was called upon for a few remarks. In fact, he was so flustered that he had difficulty in explaining his presence, but at last made out to say he was glad of the opportunity to explain to the women and farmers just what the balance of trade means. He alluded to The Courier as having treated him rather unfairly but made no denials of the statements in that paper. After the main event of the evening two or three minor candidates were given an opportunity to talk but long before they all had a chance a trio rendered a good night song and the audience filed out leaving one speaker talking to empty benches.

## Bad Weather for Colds

Don't let a cough or cold hang on—however slight it may be, if you get another cold on top of it you are almost sure to develop pneumonia, pleurisy, bronchitis and tonsilitis. Even if your cough grows no worse, unless you get rid of it right away it will become more firmly settled and stay with you for months, seriously weakening your lungs from the continual strain. Buy some good cough medicine today and stop it now. We have all the advertised remedies—many of them are excellent, but the ONE that we stand back of with a "money back" guarantee is Huntley's White Pine Balsam. One dose of this preparation will relieve a cough, and one bottle will cure it. White Pine Balsam is pleasant to take and safe for children or immediate in its effects. 25c and 50c, full pint bottles 75c.

THE above picture of the man and fish is the trademark of Scott's Emulsion, and is the synonym for strength and purity. It is sold in almost all the civilized countries of the globe.

If the cod fish became extinct it would be a world-wide calamity, because the oil that comes from its liver surpasses all other fats in nourishing and life-giving properties. Thirty years ago the proprietors of Scott's Emulsion found a way of preparing cod liver oil so that everyone can take it and get the full value of the oil without the objectionable taste. Scott's Emulsion is the best thing in the world for weak, backward children, thin, delicate people, and all conditions of wasting and lost strength.
