

ENGINEER'S CLOSE CALL

Explosion of Boiler at the Dodge Sawmill.

BUILDING IS DEMOLISHED

Piece of Boiler, Weighing a Ton, Blown 250 Yards Over a Hill 40 Feet High.

W. E. Myers, of Dodge, was in the city Monday afternoon, and gave a graphic account of the bursting of a boiler at the Dodge sawmill late last Tuesday afternoon.

"The boiler was crowded with steam at the time of the accident," said Mr. Myers, "and the engine was out of order. My son, Elvin Myers, the engineer, went to see what was wrong with the engine, and while he was making an examination the steam raised. The governor flew off from the engine, releasing the steam, causing the boiler to burst with a frightful explosion. Elvin saw the governor fly off, and started to run, but was tripped and fell headlong. This was the only thing that saved his life, as huge pieces of the boiler blew directly over his head. One part of the boiler, weighing probably a ton, was blown 250 yards, over a hill 40 feet high from the level of the boiler. The top of the hill was 200 yards distant. The building was entirely demolished, and the other boiler, which was not under steam, was turned completely around. My son's escape is nothing short of miraculous."

The mill will be closed for repairs a short time. Mr. Myers stated that it was possible that the steam gauge was out of order and did not register correctly.

"THE MILWAUKEE" "Pioneer Limited" St. Paul to Chicago; "Overland Limited," Omaha to Chicago; "Southwest Limited," Kansas City to Chicago.

No train in the service of any railroad in the world equals in equipment that of the Chicago, Milwaukee & St. Paul Railway. They own and operate their own sleeping and dining cars and give their patrons an excellence of service not attainable elsewhere. Berths in their sleepers are longer, higher and wider than in similar cars on other lines. They protect their trains by the Block System. H. S. ROWE, General Agent, 134 Third Street, Portland, Oregon.

OREGON CITY'S BIG CASH STORE

SENSATIONAL INNOVATION

The Big Cash Store adopts its own system of giving Premium Trading Stamps, which are accepted in exchange for many valuable presents. One free with each 10c you spend. Collect 300 and you can fill one book. Its the most generous permanent plan ever conceived of awarding those who concentrate their trading at ADAMS BROS. The public helps us by keeping all of our shopping facilities active. We help the public by bestowing, without one cent of expense, these profit-saving stamps. They are rapidly collected.

EXPLANATION

In order to give our trade the same benefits of cash discounts that are offered us by the wholesalers, and to increase our cash sales, we have arranged to offer our customers a line of premiums that embrace every desirable article, from silverware to furniture and rugs. As the most attractive and easiest way to distribute these premiums we have provided a special system as follows:—

To all customers trading at our store and paying cash will be given ONE PREMIUM TRADING STAMP for each 10c spent. As obtained, stamps are to be pasted in the blank squares on the pages of a book we will give you. When all are covered, bring the book to our store and select from our assortment of premiums the article you like best. It becomes yours absolutely free of charge. In using this system we feel that we have adopted a means of advertising that will pay us and accordingly are willing to offer splendid values. The prices on our goods are in no way affected by the system—you simply get additional value in return for cash.

Call and see our display at your earliest opportunity.

FARMERS PROTECT TROUT

Fish Will Be Given a Chance to Spawn in Milk Creek.

In an endeavor to protect the Michigan brook trout that were planted in the waters of Milk Creek last winter, until the fish are given an opportunity to spawn, farmers residing between Hargreaves sawmill and the farm of J. C. C. Pall, in the vicinity of James, have notified the public generally that they propose to maintain a strict patrol of that part of Milk creek, and will prevent all trout fishing in that stream during the coming season, which opens April 1. The trout were planted by C. G. Huntley, Dee Wright and H. E. Straight, who assumed the expense of transportation. Several thousand were furnished by the government.

Thomas McCubbin

Thomas McCubbin died at 5 o'clock Wednesday morning at his home in Logan after an illness of several years. His death was due to cancer. He had lived in Clackamas county all his life and was the son of pioneer parents who came here in the early forties. He is survived by a wife and several children. The funeral will be held Friday morning from his late residence [and] the interment will be in the Logan cemetery.

CASTORIA

Bears the Signature of J. C. Parke

TRAINED NURSE.

Writes a Letter to The Courier.

To the Editor of The Courier: "I am a trained nurse of nine years' experience in hospitals and private cases, and for the benefit of the people of Oregon City, I wish you would publish my experience with the cod liver oil preparation called Vinol. I was completely prostrated from overwork. I had no appetite, could not sleep, my kidneys, liver and bowels became inactive, and as I grew weaker I could not retain either medicine or food on my stomach and raised blood. The doctors said my condition was critical, and would probably die.

As I had seen Vinol prescribed for my patient with such remarkable results, I decided to try it myself. After the first bottle I began to improve. I continued its use and soon began to sleep and eat well; every organ in my body was strengthened and became normal, until it seemed good to be alive and I was restored to perfect health and strength.

I believe Vinol is the most potent and delicious cod liver oil preparation and tonic re-builder in the world, and it is such a blessing to be able to take into the system all the body-building and medicinal elements of cod liver oil without the nauseating, greasy oil itself.

I advise all my patients who need strength for every organ in the body, rich, red blood, and flesh tissue, to take Vinol, as it is far superior to old-fashioned cod liver oil, emulsions or other tonics." Elizabeth M. Cremond, Trained Nurse, Boston, Mass. Our local druggists, Huntley Bros. Co., sell Vinol on a positive guarantee to return money if it fails.

At your druggist's. Gives strength to men, women and children.

BAKER AND GRACE FILE PETITIONS.

Democratic County Ticket is Now Practically Complete.

Democrats practically completed their county ticket yesterday by filing petitions of Robert Baker, of Willamette, for the nomination for county treasurer, and J. T. Grace, of Clackamas, for county commissioner. The latter promises to conduct the office, if elected, in an economical and business-like manner, free from corporate influence. He says road funds should be expended in the district where collected and the county debt should be paid off as fast as practicable, not by increased taxation but by more careful expenditure of the county funds. Clackamas county should have more good roads and those already built should be kept in repair. He will have these words on the primary ballot, "Equal rights to all; special privileges to none; less taxation and good roads."

Mr. Baker represents the young man in politics. He promises, if elected, to conduct the affairs of the office in an economical, business like and efficient manner, and will have the words "Efficiency and economy" on the ballot.

Cross for Joint Representative.

Harvey E. Cross has filed his petition for the Republican nomination of joint representative from Clackamas and Multnomah counties. Mr. Cross for years has made a bitter fight against State Senator George C. Brownell and the machine that has

dominated the politics of Clackamas county.

Mr. Cross states that he favors good roads, better men, and an economical policy of the fiscal affairs of the state. He stands for the election of United States Senator by direct vote of the people, and would labor for a 40-foot channel to the sea, for free transportation on the Willamette and Columbia rivers and for a greater Oregon.

Opposed to Mr. Cross for the nomination is attorney James H. Campbell, of this city, who filed his petition several weeks ago. The fight lies between these two, as Multnomah county has no candidate this year for joint representative.

CANBY.

Mr. and Mrs. W. H. Bair took a trip to Portland last Monday, returning Tuesday.

Miss Frances Cummings and Mrs. Craig were Portland visitors last Wednesday.

Weldon M. Shank, from Oregon City, was in the city last Tuesday, looking after a 40-acre spud patch which he owns near the river.

Lumber for the new Canby Bank is on the ground and carpenters are at work on the new building. Mr. Walker expects to open up for business in about two weeks.

A new firm expects to open up a general merchandise store in Canby. They intend to sell goods from samples and deliver goods to all customers within a radius of ten miles of Canby and to pay cash for all produce. Mr. Barmuser expects to erect a building

for them on his vacant lot west of his saloon.

George Ranch, of Molalla, came over to see his parents and friends last Thursday.

George Bair, of Batteville, is visiting his friends in Canby this week.

J. R. Wilkinson has moved back to Canby. After trying several places he says Canby is good enough for him.

Mr. and Mrs. Hoyt will move back to their old home, adjoining the Rogers' place. Mr. Hoyt will put the place in first class shape and says he expects to make that his permanent home.
