THE INVESTORS GUIDE

THE INVESTORS GUIDE will sell your property no matter where located. A new system. One thousand salesmen are sure to do business. If you have anything to sell or exchange, or a new enterprise you wish promoted, or a good investment to put on the market don't fail to write to-day.

A Heavy Load to Carry.

Along with dyspepsia comes nervousness and general ill-health. Why? Because a disordered stomach does not permit the food to be properly digested, and its products assimilated by the system. The blood is charged with poisons which come from this disordered digestion, and in turn the nerves are not fed on good, red blood, and we see symptoms of nervousness, sleeplessness and general breakdown. It is not head work, nor over physical exertion that does it, but poor stomach work. With poor, thin blood the body is not protected against the attack of germs of grip, bronchitis and consumption. Fortify the body at once with Dr. Pierce's Golden Medical Discovery—a rare combination of native medicinal roots without a particle of alcohol or dangerous habit-forming drugs. A little book of extracts, from prominent medical authorities extolling every ingredient contained in Dr. Pierce's Golden Medical Discovery will be mailed free to any address on request by postal card or letter. Address Dr. R. V. Pierce, Buffalo, N. Y.

MAPLE LANE.

Politics are just a trifle warm just now. Col. Stiefelnecht wants to see all in favor of the best man elect him—no matter of what creed or political belief.

Chris Simpkins is having the lumber hauled from the mills to Oregon City, with which to erect a residence. This will make three houses he rents in town.

Mrs. A. B. Allen has a brand new

buggy and can now enjoy a trip to Oregon City in comfort.

Cleveland Allen was home over Sunday. He is working in one of the Portland brickyards and is a valued hand.

The hop yards are looking healthy. Mr. Plowman has been resting up since his return from several days devoted to hunting that murderer, Smith.

Mr. Koppock had the misfortune to lose a horse lately. Crops are looking fine.

Mrs. Allen has just finished the job of making a mile and a half of fine board fence. Her son Pleasant did the work.

Real estate is changing hands quite briskly lately in Maple Lane, the latest to dispose of their fine holdings being Prof. Calavan and Mr. Teitz, consideration not known. Mrs. Derrick, the renter on the latter farm, gives up possession.

Never in the history of old residents of Maple Lane have they known that thoroughfare to be in better condition than now, since Mr. Gibbs has had the steam road grader at work. Even old stumps and rock have been ousted out of their beds to make that road better.

Mr. and Mrs. Mautz are enjoying a visit from their daughter from Goldendale, Wash.

SUFFRAGISTS VICTORIOUS.

Women's Club Members Hold An Interesting Debate.

Women's suffrage won another victory Wednesday afternoon when the question was the subject of an earnest and interesting debate at the regular meeting of the Women's Club, which was held at the residence of Mrs. Linn E. Jones. The entire afternoon was occupied with the debate, and the judges were the city superintendent and the principals of the Barclay and Eastham schools, Miss Addie E. Clark, Mrs. Viola Godfrey and Mrs. Emilie Shaw.

Mrs. W. S. U'Ren, Mrs. Rosina Fouts and Mrs. E. W. Scott took the winning side and the negative was represented by Mrs. Linn E. Jones, Mrs. P. K. Hammond and Mrs. John Adams.

The next meeting of the club will be held at the home of Mrs. W. A. White, Wednesday afternoon, May 23, when Mrs. T. A. Pope will read a paper on "Art." Mrs. R. C. Ganong will render vocal selections and Miss Gussie Humphreys will give a recitation.

Morphine Fiend in Jail.

James Taylor, a morphine fiend, was brought in Thursday morning by W. H. Connell, from Payu, a station on the Oregon Water Power & Railway Company's line, about four miles from the Golf Links. Taylor has been a victim of the drug for several years and two years ago was committed to the insane asylum from this county, but the authorities there do not harbor morphine fiends or crunks, and the officials here are at a loss to know what disposition to make of the man.

It Is Dangerous to Neglect a Cold.

How often do we hear it remarked: "It's only a cold," and a few days later learn that the man is on his back with pneumonia. This is of such common occurrence that a cold, however slight, should not be disregarded. Chamberlain's Cough Remedy counteracts any tendency of a cold to result in pneumonia, and has gained its great popularity and extensive sales by its prompt cures of this common ailment. It always cures and is pleasant to take. For sale by Huntley Bros. Co., Oregon City and Molalla.
